Extended Curriculum

Programmes Tennyson Mgtshini,2022-04-30 The introduction of ECPs in South African Universities is seen by many as South Africa s key strategy for addressing the problem of poor patterns of student success and has its basis on the uncontested acceptance that an extended study duration may be necessary to bring some categories of learners to a level of parity with the readiness expectations of their course of study Even so this transformative strategic imperative has been plagued by a range of challenges that include poor systems readiness poor selection mechanisms in the identification of ECP students poor numeracy and literacy amongst students and indifferent teacher involvement in ECPs This volume offers a rare insight into many of the above recognised challenges and in so doing provides critical matter for thought for educators within the higher education sector

Dare Not Linger Nelson Mandela, Mandla Langa, 2017-10-24

A memoir of Mandela s time in office as the first president of a democratic South Africa completed and expanded with his personal notes and speeches I have discovered the secret that after climbing a great hill one only finds that there are many more hills to climb I have taken a moment here to rest to steal a view of the glorious vista that surrounds me to look back on the distance I have come But I can rest only for a moment for with freedom comes responsibilities and I dare not linger for my long walk is not ended In 1994 Nelson Mandela became the first president of a democratic South Africa From the outset he was committed to serving only a single five year term During his presidency he and his government ensured that all of South Africa s citizens became equal before the law and he laid the foundation for turning a country riven by centuries of colonialism and apartheid into a fully functioning democracy Dare Not Linger is the story of Mandela s presidential years drawing heavily on the memoir he began to write as he prepared to leave office but was unable to finish Now the acclaimed South African writer Mandla Langa has completed the task using Mandela s unfinished draft detailed notes that Mandela made as events were unfolding and a wealth of unseen archival material With a prologue by Mandela s widow Gra a Machel the result is a vivid and often inspirational account of Mandela s presidency and the creation of a new democracy It tells the story of a country in transition and the challenges Mandela faced as he strove to make his vision for a liberated South Africa a reality Underneath the history that has been made there is a human being who chose hope over fear progress over the prisons of the past Even as he became a legend to know the man Nelson Mandela is to respect him even more Barack Obama A rare human being who in freeing himself of his demons also became free to give his extraordinarily leadership to his country and the world Bill Clinton A critically important document as the principal firsthand record of Mandela s tumultuous time in office and the often ingenious measures he took to bring about peace the book contains many such practical lessons in governance Essential to

students of Mandela's political career as well as of modern African history Kirkus Reviews Post-Colonial Cameroon Joseph Takougang, Julius A. Amin, 2018-06-13 In this unique volume leading scholars examine how Cameroonians organize and experience their lives under Cameroonian leadership and local responses to that leadership The volume offers essential case studies that allow us to examine the lives of ordinary people in post colonial Africa through five lenses politics society and culture economy international relations and migration It places the nation's contemporary challenges within a broader political economic and socio cultural context and uses that to make recommendations for future directions The book also celebrates areas in which the country has done well and calls on its citizens to build on those achievements This volume is forward looking and as such raises important questions about issues of development ethnicity wealth poverty and class
