plagues Azeroth's ancient guardians as they struggle to find a new purpose. This dilemma has hit Kalecgos' youngest of the former Dragon Aspects especially hard. Having lost his great powers, how can he or any of his kind still make a difference in the world? The answer lies in the distant past when savage beasts called proto dragons ruled the skies. Through a mysterious artifact found near the heart of Northrend, Kalecgos witnesses this violent era and the shocking history of the original Aspects: Alexstrasza, Ysera, Malygos, Neltharion, and Nozdormu. In their most primitive forms, the future protectors of Azeroth must stand united against Galakrond, a bloodthirsty creature that threatens the existence of their race. But did these mere proto dragons face such a horrific adversary alone, or did an outside force help them? Were they given the strength they would become legendary for, or did they earn it with blood? Kalecgos's discoveries will change everything he knows about the events that led to the DAWN OF THE ASPECTS. **World of Warcraft: Dawn of the Aspects: Part II** Richard A.

 Richard A. Knaak, 2010-11-30 When the world of Azeroth was young the god-like titans brought order to it by reshaping its lands and seas Throughout their great work they followed a magnificent design for what they envisioned Azeroth would become Although the titans departed Azeroth long ago that design endures to this day It is known as the Emerald Dream a lush and savagely primal version of the World of Warcraft Many are the mysteries surrounding the Emerald Dream and its reclusive guardians the green dragonflight In times past druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never ending quest to maintain the delicate balance of nature However not all dreams are pleasant ones Recently the Emerald Nightmare an area of corruption within the Emerald Dream began growing in size transforming the Dream into a realm of unimaginable horror Green dragons have been unexpectedly caught up in the Nightmare emerging

from it with shattered minds and twisted bodies Druids who have entered the darkening Dream lately have found it difficult sometimes even impossible to escape Nor are these the Nightmare s only victims more and more people are being affected Even Malfurion Stormrage first and foremost of the druids on Azeroth may have fallen victim to this growing threat As uncontrollable nightmares spread across the world a desperate quest begins to find and free the archdruid Soon nature s enemies will learn the true meaning of the name Stormrage

World of Warcraft: Thrall: Twilight of the Aspects Christie Golden,2011-07-19 The Hour of Twilight She d spoken of it at the meeting tried to warn the others of it but the warning had gotten lost a little bright fragment of something had been briskly swept away like a broken bit of pottery beneath an industrious broom It was She gnawed her lower lip thinking It was the greatest challenge the dragonflights would face but she did not know against whom they would be fighting It might come soon or aeons from now Could it have something to do with the return of Deathwing Surely it had to did it not This breaking of the world was one of the worst things that had ever happened to Azeroth How could she persuade others of the direness of the situation when she herself could not articulate it She uttered a little noise of annoyance and frustration One thing she knew for certain There were many pieces missing from this puzzle but there was one core piece that was necessary before any of the others could fall into place It was a very strange piece an unlikely one at best and she was uncertain as to how he would fit in She only knew that he had to Ysera had seen him floating in and out of her dreaming She had thought she understood his role in things but now peculiar as it seemed something some inner certainty that even she did not fully understand was leading her to think she had not seen the full breadth of his contribution to Azeroth He was not a dragon But he had the interests of the dragonflights in his heart whether he knew it or not He straddled worlds but did not seek to rule or command or destroy them He was unique She tilted her head let the wind play with her long green hair Perhaps that was why he fit in Even the Aspects were not singular beings although each had unique abilities Not one but five there had been at the beginning when the titans had come and shared their power for the good of Azeroth Four there were now but there would soon be five again when the blues determined how to choose the one who would lead them But there was only one like this being There was only one Thrall

Warcraft: Day of the Dragon Richard A. Knaak,2001-12-05 In the mist shrouded haze of the past the world of Azeroth teemed with wondrous creatures of every kind Mysterious Elves and hardy Dwarves walked among tribes of man in relative peace and harmony until the arrival of the demonic army known as Burning Legion shattered the world s tranquility forever Now Orcs Dragons Goblins and Trolls all vie for supremacy over the scattered warring kingdoms part of a grand malevolent scheme that will determine the fate of the world of WarCraft A terrifying upheaval among the highest ranks of the world s Wizards sends the maverick Mage Rhonin on a perilous journey into the Orc controlled lands of Khaz Modan What Rhonin uncovers is a vast far reaching conspiracy darker than anything he ever imagined a threat that will force him into a dangerous alliance with ancient creatures of air and re if the world of Azeroth is to see another dawn
