**World War III - Unmasking the End-Times Beast** Rabbi Simon Altaf, 2011-06-01 Many people have questions today regarding why the Muslims hate us and why do they want to bomb us This book reveals the cause and effect and reveals what the ancient prophets wrote regarding the position of Islam in the end of days Many Christians have been prophesying of a one world government a reunification of all currencies of sort Is this hypothesis at all possible The other big question raised is will radical Muslims acquire a nuclear bomb to attack the cities of Europe and the US via a make shift bomb What nations in the west will make an alliance to fight back How will Saudi Arabia participate all these and other questions answered in this text [The Greatness of God](#) Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism [The Greatness of God](#) How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In [The Greatness of God](#) Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today **The Last War of the Superpowers** Otinel C, Iancu, 2018-01-29 The Last War of the Superpowers book takes a unique approach toward the main players and events of the drama of this world known to many as the Great Controversy between God and Satan The book begins by presenting the origin and the incipient phase of this conflict The rest of its chapters focus on the events leading up to the final climax of this universal war Using the Scriptures especially the books of Daniel and Revelation this book directs the attention of the reader toward not only past events but also toward events which are unfolding before his own eyes It enables him to see in what prophetic time he lives and what he can expect to see happening as he moves ahead into the final stage of this world s story [The End of the World](#) Tom McIver, 1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the
