Cartouche: the French Jack Sheppard. A romance. Illustrated with ... engravings, etc Louis Dominique CARTOUCHE, 1870 The Nation, 1888 *Oathbound* Darrin Drader, Greg Dent, 2003-05. The great City of Penance is the oldest settlement on the Forge, literally containing millions of years of history in its deep hulking mass. Though nearly forty million souls call the city home, less than half of one percent of the city's locations are inhabited. The bulk of the Pedestal is a madly stacked and sprawling ruin, only superficially explored by the relentless rafters and treasure seekers of the surface world. Every home in the city has a hundred others lost beneath it, and every city street stands atop an incredible three-dimensional maze of corridors, alleyways, and crawlspaces, a maze where time has left nothing unchanged, eroding and distorting the framework of magic and even the laws of physics themselves. Long past the grasp of any human control, the ruins of Penance have become a true landscape, vast, beautiful, and unforgiving, with their own unique ecosystem and their own set of hazards and comforts. Strange plants and creatures have evolved in the eternally darkened streets below the city and prey upon those foolish enough to step out of the city's gilded cage of civilization. *Wrack and Ruin* is an essential guidebook for anyone intoxicated by the forgotten secrets of the past or by the potential power lost within the great city's crumbling majesty. Don't leave your Bloodhold without it. The Saturday Evening Post, 1901 *Saturday Review*, 1864

Merchant Vessels of the United States, 1989 **The Middle English Breton Lays** Anne Laskaya, Eve Salisbury, 1995-11-01 This volume is the first to make the Middle English Breton lays available to teachers and students of the Middle Ages. Breton lays were produced by or after the fashion of Marie de France in the twelfth century and claim to be literary versions of lays sung by ancient Bretons to the accompaniment of the harp. The poems edited in this volume are considered distinctly English Breton lays because of their focus on the family values of late medieval England. With the volume's helpful glosses, notes, introductions, and appendices, the door is opened for students to study Middle English poetry and the medieval family alike. **Merchant Vessels of the United States...** United States.
