SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA dealers and their service personnel. It has been assumed that basic service procedures inherent in the industry, and more specifically YAMAHA products, are already known and understood by the users, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the approved service representative.

IMPORTANT: The presentation or use of this manual in any individual or firm does not constitute authorization, certification, or recognition of any application, technical capabilities, or establish a principal-agent relationship of any form.

The data provided is believed to be accurate and applicable to the radio indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to retrofit. Should any discrepancy appear in order, please contact the distributor's Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity from your body and have accumulated by grounding yourself to the ground (use the anti-static gear strap which is connected to this frame).

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
