her experience Mannes produced a filmed segment with Diane Sawyer featuring the same psychic who described Sawyer's country house and her dog's favorite spots in the yard. Mannes's skeptical journalist background compelled her to investigate further. She delved into the world of animal communicators, psychics, and scientists studying animal intelligence, including Rupert Sheldrake, to find answers to her multiplying questions: Do animals have thoughts and feelings? Consciousness: Souls? Is interspecies communication possible? Can animals reincarnate? Spanning the entire life and afterlife of Brio, including his last days and his messages to the author after he passed on, this book also explores Mannes's investigations into the spiritual life of animals, offering a new understanding of the unbreakable bond between humans and animals. Mannes invites readers to move beyond the owner-pet relationship and shows us how to see animals as thinking, feeling spiritual beings whose connections with us extend far beyond life and death.

Rapture Ready! Daniel Radosh, 2008-04-08. What does it mean when a band is judged by how hard they pray rather than how hard they rock? Would Jesus buy Jesus junk or wear witness wear? What do Christian skate parks, raves, and romance novels say about evangelicalism and America? Daniel Radosh went searching for the answers and reached some surprising conclusions. Written with the perfect blend of amusement and respect, *Rapture Ready* is an insightful, entertaining, and deeply weird journey through the often hidden world of Christian pop culture. This vast and influential subculture, a \$7 billion industry and growing, can no longer be ignored by those who want to understand the social, spiritual, and political aspirations of evangelical Christians. In eighteen cities and towns throughout thirteen states, from the Bible Belt to the outskirts of Hollywood, Radosh encounters a fascinating cast of characters, including Bibleman, the Caped Christian, Rob Adonis, the founder and star of Ultimate Christian Wrestling, Ken Ham, the nation's leading prophet of creationism, and Jay Bakker, the son of Jim and Tammy Faye Bakker and pastor of his own liberal punk rock church. From Christian music festivals and theme parks to Passion plays and comedy nights, Radosh combines gonzo reporting with a keen eye for detail and just the right touch of wit. *Rapture Ready* is a revealing survey of a parallel universe and a unique perspective on one of America's most important social movements.

The One Year Devos for Teens Susie Shellenberger, 2002. Shows how time spent with God can help face tough issues every day.
