His sights are set on her, but she thwarts him at every turn, knowing him to be a complete scoundrel. When he arrives at the seaside town under the pretense that his curmudgeon of a grandfather wishes to take the waters for his health, the lady is furious, but it doesn't take much persuasion for her to succumb to his charms. Unfortunately, their growing happiness is threatened by the Marquess of Abersheem. He doesn't believe that Calliope is a good match for his grandson and devises a plan to tempt Sebastian away. Is the passionate relationship Calliope and Sebastian have built strong enough to persevere? Or will they crumble under the first test of adversity. **Focusing Biblical Studies: The Crucial Nature of the Persian and Hellenistic Periods** Jon L.

Berquist, Alice Hunt, 2012-10-25 This volume makes a positive intervention into maximalist/minimalist debates about Israelite historiography by pointing to the events that happened during the Persian and Hellenistic periods. During this historical epoch, traditions about Israel and Judah's founding became fixed as markers of ethnic identity, and much of the canonical Hebrew Bible came into its present form. Concentrating on these events, a clearer historical picture emerges. The entire volume is set within the context of Douglas A. Knight's contributions, which have encouraged a rigorous social scientific and

tradition historical approach to the Hebrew Bible and ancient Israel in general
