Warlord Tojo Against The World

Alan Axelrod

Warlord Tojo Against The World:

Warlord Edwin P. Hoyt, 2001-10-02 This biography of Japanese army general and dictatorial prime minister Hideki Tojo covers his early easy World War II victories his subsequent crushing defeats and his trial and execution as a war criminal

The 30 Most Influential People of World War II Alan Axelrod, 2018-06-05 General Patton said The soldier is the army This book says People are the war And even World War II a conflict of unprecedented scope magnitude complexity and devastation was the work of individual political leaders commanders heroes and villains Here are the 30 people who were at the very heart of the world s deadliest and most consequential war exposed studied and ranked according to influence by an author praised as one of America s great military historians **Tojo** Peter Mauch, 2026-03-03 Japan s prime minister and top military general during WWII Hideki Tojo is today associated above all with the ignominy of defeat Yet before his downfall he was a brilliant ambitious and at times ruthless political operator Peter Mauch chronicles Tojo s story his military genius and the will to power that drove him to supreme heights **Government Leaders, Military Rulers and Political Activists**

David W. Del Testa, 2014-01-27 In each volume an introductory essay outlines of history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A Z format each biography is divided into a life section describing the individual s life and influences and a legacy section summarizing the impact of that individual s work throughout history These biographies cover a diverse group of men and women from around the globe and throughout history Franklin Delano Roosevelt Mao Tse tung and Genghis Khan are among the 200 well known historical figures included in this volume Examples of other lesser known yet important individuals covered in this work are Gustavas Adolphus Swedish empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean Jaur s French socialist leader and pacifist Each synopsis provides information on each individual s enduring impact on the common understanding of fundamental themes of human existence **Marshal Zhukov's Greatest Battles**

Georgi K. Zhukov, 2002-04-15 Considered by some to be the greatest general of World War II General Georgi Zhukov served as the Chief of Staff of the Soviet High Command leading Soviet troops against Germans in key battles of the war In his account of four major campaigns in the war the defense of Moscow Stalingrad and Kursk and the advance on Berlin Zhukov describes his experiences preparing for German attacks organizing counter strikes assessing the enemy and issuing the orders that pushed the front west towards Germany s capital Zhukov also tells of his extensive arguments with Stalin during the war and the political alliances and rivalries among the U S S R s generals throughout the conflict **Encyclopedia of**

War Crimes and Genocide Leslie Alan Horvitz, Christopher Catherwood, 2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world **The History Buff's**

Guide to World War II Thomas R. Flagel, 2012-08-01 Did you know that neither Hitler nor Stalin graduated from high

school Or that the Allies often employed teenage girls as spies In *The History Buff's Guide to World War II* Thomas R Flagel leaves no stone unturned as he presents dozens of top ten lists that examine the politics leaders and battles of the Second World War From Hitler to Stalin battleground to home front Flagel's compelling analysis and attention to often overlooked information ensures a surprise on every page for even the most dedicated World War II buff This fresh impossible to put down book puts a new perspective on one of the most heavily researched wars of all time and is sure to enthrall expert and amateur historians alike

Do You Think You Know World War II Top Ten Speeches Top Ten Causes of Military Deaths Top Ten Most Popular Myths and Misconceptions Top Ten Forms of Resistance Top Ten Military Blunders

A Global Chronology of Conflict Spencer C. Tucker, 2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present *A Global Chronology of Conflict From the Ancient World to the Modern Middle East* provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war *A Global Chronology of Conflict* is an essential resource for students researchers history buffs and general readers alike

Japanese Prisoners of War in India, 1942-46 T.R. Sareen, 2021-10-25 This is the first in depth study to examine the history treatment and conditions of more than 2500 Japanese prisoners of war who were captured by British forces on the Burma front and kept in India during the period 1942-46 Drawing on original sources including the National Archive of India the International Committee of the Red Cross as well as limited government records in the UK USA and Japan together with some former Japanese POWs first hand accounts the author has been able to provide a detailed picture of the way of life of these prisoners the organization of camp life as well as the policies that governed their incarceration In so doing the author fills a significant gap both in Pacific War studies and prisoner of war history The manner of the capture and surrender of the Japanese was unique in that they were captured for the most part when they were either seriously wounded or sick or had become unconscious due to hunger or disease while fighting on the Arakan Imphal and Kohima Burma fronts A few in good health gave themselves up but there was no mass surrender even by a single regiment or unit ever took place thus giving rise to the myth that no Japanese soldier ever became a prisoner of war This account sets the history straight and will be widely welcomed by the generalist and specialist

alike particularly those studying the history of this period including POW history as well as students of international law and the work of international agencies such as the Red Cross

Konoe Fumimaro and the Failure of Peace in Japan, 1937-1941 Kazuo Yagami, 2006-03-02 The blame for a country's mistakes often falls on its leaders. In some cases however a leader's greatest mistake is to promote the mistaken goals of his people. Was this the case in World War II Japan? This book considers that question in the story of Konoe Fumimaro who served as Japan's prime minister during one of the most difficult periods of the country's history. This historical biography is a balanced account of Konoe and his service as prime minister before and during World War II. Governing from 1937 to 1941 Konoe played a key role in the struggle to develop Japanese foreign policy. Beginning with Konoe's education and political training the author then explores the general mood of 1930s Japan and traces Konoe's rise through the political ranks including his first term as prime minister his decision to step down and his eventual comeback. Especially emphasized is how the man himself affected this period of Japanese history. In his relentless work regarding Japanese American diplomacy he attempted to change the destructive course on which Japan was bent. Defeated in essence by his own military and its growing autonomy Konoe nevertheless took the Japanese defeat to heart. The final chapter examines Konoe's war experience and its aftermath which culminated in his suicide.

Saipan James H. Hallas, 2019-05-01 The story of the Battle of Saipan has it all. Marines at war on Pacific beaches in hellish volcanic landscapes in places like Purple Heart Ridge Death Valley and Hell's Pocket under a commander known as Howlin Mad. Naval combat carriers battling carriers from afar fighters downing Japanese aircraft submarines sinking carriers Marine army rivalry Fanatical Japanese defense and resistance. A turning point of the Pacific War. James Hallas reconstructs the full panorama of Saipan in a way that no recent chronicler of the battle has done. In its comprehensiveness attention to detail scope of research and ultimate focus on the men who fought and won the battle on the beaches and at and above the sea it rivals Richard Frank's modern classic Guadalcanal. This is the definitive military history of the Battle of Saipan.

The Encyclopedia of War, 5 Volume Set Gordon Martel, 2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe. Arranged in A-Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare. Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas. Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research. The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell's comprehensive online reference collection. 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention **The Fightin' Texas Aggie Defenders of Bataan and Corregidor** John A. Adams, 2016-04-08 By any measure the battles of Bataan and Corregidor were among the most intensely fought and devastating episodes in the World War II Pacific theater Beginning in early 1942 the Japanese Imperial Army invaded the Philippines in an attempt to control the Pacific region and expand its sphere of influence The defense and last stand of Filipino and American allied forces marked the largest surrender in their respective military histories Their efforts slowed the Japanese advance but only at great cost John A Adams Jr provides a new and compelling exploration of these pivotal events by recounting the history of Bataan and Corregidor through the eyes of 89 soldiers and officers who were former students and citizen soldiers from the Agricultural and Mechanical College of Texas All were products of the Corps of Cadets and indeed no other institution could boast of such a large deployment in the opening of the war While many words have been written on Bataan and Corregidor none have taken the approach of collective biography as *The Fightin Texas Aggie Defenders of Bataan and Corregidor* does here As a result this book is not only a new contribution to the history of World War II but also stands to be a landmark publication on the history of Texas A M University *World War II in Literature for Youth* Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource *Encyclopedia of World War II* Alan Axelrod, 2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century *The Tokyo Trial* Jeanie Maxine Welch, 2001-11-30 Overshadowed for many years by the Nuremberg trials the Tokyo Trial one of the major events in the aftermath of World War II has elicited renewed interest since the 50th anniversary of the war s end Revelations of previously hidden war crimes including comfort women and biological warfare and the establishment of international courts to try Yugoslav and Rwandan war criminals have added to the interest This bibliography addressees the renewed interest in the Tokyo Trial providing over 700 citations to official publications scholarly monographs and journal articles contemporaneous accounts manuscript collections and Web sites Also included are sources on the Trial s influence on international law and military law and unresolved issues being debated to this day Defining war crimes after the fact practicing victor s justice to punish enemies holding military commanders accountable for their troops actions these were issues confronted in the Tokyo Trial and other Asia Pacific war crimes trials They are still being investigated researched and debated today This bibliography helps to illuminate these issues from different perspectives providing a variety of ways to locate relevant English language sources The volume also includes citations to contemporary issues stemming from the Asia

Pacific war crimes trials comfort women biological warfare and unresolved issues of reparations and official apologies The book is a useful guide to sources on all aspects of the Tokyo Trial **Journeys to Japan; Review & Analysis** Kalman Dubov, The Grand Voyage on the Holland America flagship Amsterdam to Asia and the Pacific remains one of the most memorable adventures I have had the privilege of being part of I was thrilled to join the ship in San Diego California listening to world class scholars offering in depth lectures on the places we would visit and to then see these countries first hand This volume reviews the port of San Diego the point of departure and the ship s visits to several ports of call in Japan While these ports were interesting research on Japan s long reach of history offers up many troubling aspects of this unique people I pondered their history and unique way of looking at themselves and the rest of the world How is it possible for example for a people to create the highest forms of etiquette and graceful decorum and to then conduct themselves with utter contempt for basic morality towards others During World War Two the massacres committed by the Japanese army in nearly every quadrant of their military and political reach during the Showa Empire begs the question of how common decency and ethical behavior can be so thoroughly absent as if it never existed Even today the Japanese government refuses to acknowledge or offer a public apology for wartime acts done during this period I explore this very troubling issue wondering where the lines of civility and conformity begin and end The Japanese are a strange people and I was frustrated at these two extremes of exemplary behavior and simultaneous contempt of others It is my contention that a refusal to acknowledge the past in conjunction with a reappraisal of what went wrong in that previous leadership will eventually and inevitably force this issue into the present There is therefore a huge divergence between the Germans and the Japanese The former reappraised their horrific past recognizing that a change from that past is a mandatory aspect of their social discourse Even a Nazi salute in Germany is outlawed and a criminal offense In contrast the Japanese have barely tolerated criticisms of its own leaders during that period of darkness This is a troubling volume in which I explore with an open mind wondering if there is an answer to these troubling questions In the Shinto Directive formulated and implemented by General MacArthur following Japan s unconditional surrender formalized belief in the emperor s divinity was outlawed Today beautiful Shinto shrines dot the Japanese countryside Citizens can be seen washing hands and rinsing their mouths before entering these sacred spaces then lighting incense while offering a prayer Inevitably I wonder as to the moral component of a people who are outwardly decorous even recreating the common toothpick into a form of exceptional grace while being unable to acknowledge common humanity There are also modern aspects of Japanese society that are difficult to comprehend Thousands of Japanese youth for reasons that defy common sense give up on themselves and their future by adopting the hikikomori lifestyle living in their parent s home not interacting with their peers and even refusing to emerge from their bedrooms for decades Parents tolerate this odd behavior refusing to confront their child even refusing to acknowledge the presence of their child as the years pass Similarly are the jouhatsu people who suddenly and without the slightest outward change suddenly and inexplicably

disappear Desperate to find the loved one the government refuses to assist because of Japanese strict privacy laws I describe these aspects of Japanese society together with others similarly different from Western society These are aspects of the Asian face that inscrutable and essentially unknown quantum so different from that of the West Knowing the facts together with the statistics accompanying those facts does not imply understanding the As a Westerner I review these manifestations without understanding the Japanese soul its core identity and substance I can therefore only recount the facts and leave the rest to the reader These questions aside I very much enjoyed walking Japanese streets riding its trains and seeing its people I also had occasion to chat with several Japanese who expressed surprise at my awareness of their culture while I was unable to adequately answer my queries And they too seemed perplexed by my queries confounded by the imponderables dividing the Western the Eastern way of living a life

The U-Boat Wars Edwin P. Hoyt, 2002-03-04 The remarkably effective submarines U boats of the German Navy devastated the Allies during the first part of World War II and very nearly brought British and American sea forces to their knees Military historian Hoyt here describes the years when U boat wolf packs under the command of Admiral Karl Doenitz terrorized the Allies sinking a third of Britain's battleships in 1939 and how the Allies came back developing anti submarine weapons that sent almost three fourths of the U boat crews to the bottom of the ocean The U Boat Wars is a gripping account of the battles at sea and the men Doenitz Churchill sub hunter Captain F J Walker and others who decided the fate of the Atlantic

Major General Maurice Rose Stephen L. Ossad, Don R. Marsh, 2006-05-05 Major General Maurice Rose 1899 1945 commander of 3rd Armored First Army's legendary Spearhead division was the highest ranking American Jewish officer ever killed in battle and the only individual casualty to spark a War Crimes Investigation This the first and only biography of this important World War II figure tells the dramatic story of Rose's life from his childhood as a son of a rabbi through his experiences in World War I and in the U S cavalry to his meteoric rise as America's answer to Rommel In 1943 Rose negotiated and accepted the surrender of the German Army in Tunisia the first large scale surrender to an American force during World War II At the Battle of Carentan in June 1944 he saved the 506th Parachute Infantry of Band of Brothers fame and might very well have saved the entire Normandy beachhead from a catastrophic German counterattack His brilliant daring and aggressive defensive tactics during the Battle of the Bulge prevented an enemy breakthrough to the Meuse River and beyond thereby frustrating the German advance Based on original archival research and exclusive interviews this biography shatters old myths and factual distortions and offers a refreshingly inquisitive and critical perspective Steven L Ossad and Don R Marsh reveal new insights into Rose's controversial death was he killed because he was Jewish or because he went for his weapon and about the even more controversial investigations that followed As compelling and extraordinary as the life that it describes this biography pays long overdue tribute to one of America's greatest heroes

Magill's Guide to Military History: Peg-Tri, 2001 Salem Press's five volume Magill's Guide to Military History presents a survey of the wars battles peoples groups and civilizations that played an important role in

worldwide military history from ancient times to the twenty first century In addition to comprehensive coverage of Western military history the encyclopedia examines the major military events personages and civilizations of the entire world from the beginning of military history Includes Time Line of Wars and Battles Wars and Battles by Geographical Area Military Leaders by Geographic Area and List of Entries by Category

Warlord Tojo Against The World Introduction

In today's digital age, the availability of Warlord Tojo Against The World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Warlord Tojo Against The World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Warlord Tojo Against The World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Warlord Tojo Against The World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Warlord Tojo Against The World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Warlord Tojo Against The World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Warlord Tojo Against The World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Warlord Tojo Against The World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Warlord Tojo Against The World books and manuals for download and embark on your journey of knowledge?

FAQs About Warlord Tojo Against The World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
