The Global Expatriate's Guide to Investing Andrew Hallam, 2014-10-14 Exploit your offshore status to build a robust investment portfolio Most of the world's 200 million expats float in stormy seas Few can contribute to their home country social programs They're often forced to fend for themselves when they retire The Global Expatriate's Guide to Investing is the world's only book showing expats how to build wealth overseas with index funds Written by bestselling author Andrew Hallam it's a guide for everyone no matter where they are from Warren Buffett says you should buy index funds Nobel prize winners agree But dangers lurk Financial advisors overseas can be hungry wolves They don't play by the same set of rules They would rather earn whopping commissions than follow solid financial principles The Global Expatriate's Guide To Investing shows how to avoid these jokers It explains how to find an honest financial advisor one that invests with index funds instead of commission paying windfalls You don't want an

advisor Fair enough Hallam shows three cutting edge index fund strategies He compares costs and services of different brokerages whether in the U S or offshore And he shows every nationality how to invest in the best products for them Some people want stability Some want strong growth Others want a dash of both This book also answers the following questions How much money do I need to retire How much should I be saving each month What investments will give me both strong returns and safety The Global Expatriate s Guide To Investing also profiles real expats and their stories It shows the mistakes and successes that they want others to learn from It s a humorous book And it demonstrates how you can make the best of your hard earned money The Bogleheads' Guide to Investing Mel Lindauer,Taylor Larimore,Michael LeBoeuf,2021-11-23

The irreverent guide to investing Boglehead style The Boglehead s Guide to Investing is a DIY handbook that espouses the sage investment wisdom of John C Bogle This witty and wonderful book offers contrarian advice that provides the first step on the road to investment success illustrating how relying on typical common sense promoted by Wall Street is destined to leave you poorer This updated edition includes new information on backdoor Roth IRAs and ETFs as mainstream buy and hold investments estate taxes and gifting plus changes to the laws regarding Traditional and Roth IRAs and 401k and 403b retirement plans With warnings and principles both precisely accurate and grandly counterintuitive the Boglehead authors show how beating the market is a zero sum game Investing can be simple but it s certainly not simplistic Over the course of twenty years the followers of John C Bogle have evolved from a loose association of investors to a major force with the largest and most active non commercial financial forum on the Internet The Boglehead s Guide to Investing brings that communication to you with comprehensive guidance to the investment prowess on display at Bogleheads.org You ll learn how to craft your own investment strategy using the Bogle proven methods that have worked for thousands of investors and how to Choose a sound financial lifestyle and diversify your portfolio Start early invest regularly and know what you re buying Preserve your buying power keeping costs and taxes low Throw out the good advice promoted by Wall Street that leads to investment failure Financial markets are essentially closed systems in which one s gain garners another s loss Investors looking for a roadmap to successfully navigating these choppy waters long term will find expert guidance sound advice and a little irreverent humor in The Boglehead s Guide to Investing **The Bogleheads' Guide to Investing** Taylor
