not so easily realized except on a dark winter's night when the wind rages fiercely over the dunes and one hears a fearful sound which the natives say is Tregeagle roaring because the sand ropes that he made to bind his trusses of sand are all broken St Minver is not only known for its connection with the legend of Tregeagle but it is one of the many parishes beloved by the Small People or Fairy Folk with whom Enys Tregarthen's little book has mostly to do Piskeys danced in their rings Night riders used to steal horses from farmers' stables and ride them over the moors and commons till daybreak when they left them to perish or to find their way back to their stalls This story will amaze and delight our young readers I have left the story in its original version it is as topical today as it was then but I have edited a lot of the old style words to make them look and sound modern I have added some new illustration to make it a much more pleasant experience to the reader
