Washington James Thomas Flexner, 2017-03-07 This perceptive and satisfying biography of George Washington by an award winning historian deserves a place on every American s bookshelf The New York Times Book Review James Thomas Flexner s masterful four volume biography of America s first president which received a special Pulitzer Prize citation and a National Book Award for its concluding installment is the definitive chronicle of Washington s life and a classic work of American history In this single volume edition Flexner brilliantly distills his sweeping study to offer readers the most convincing evocation of the man and his deeds written within the compass of one book Los Angeles Times In graceful and dramatic prose Flexner peels back the myths surrounding Washington to reveal the true complexity of his character The only founding father from Virginia to free all his slaves Washington was a faithful husband who harbored deep romantic feelings for his best friend s wife An amateur soldier he prepared for his role as commander in chief of the Continental army by sending out to Philadelphia bookshops for treatises on military strategy As president he set many democratic precedents including the two term limit and the appointment of an advisory cabinet yet routinely excluded his vice president John Adams from important decisions The George Washington that emerges in these pages is a shrewd statesman a wise commander a brave patriot and above all an ordinary man pushed to greatness by the extraordinary times in which he lived The Christian Science Monitor In tracing Washington s evolution from privileged son of the landed gentry to the indispensable man without whom the United States as we know it would not exist Flexner presents a hero worthy of admiration not only for his remarkable strengths but also for his all too human weaknesses *Washington, the Indispensable Man* James Thomas Flexner, 1979

George Washington James Thomas Flexner, 2003 Being George Washington Glenn Beck, 2011-11-22 Glenn Beck the New York Times bestselling author of *The Great Reset* offers a unique spin on the life and legacy of founding father George Washington IF YOU THINK YOU KNOW GEORGE WASHINGTON THINK AGAIN This is the amazing true story of a real life superhero who wore no cape and possessed no special powers yet changed the world forever His life reads as if it were torn from the pages of an action novel Bullet holes through his clothing Horses shot out from under him Unimaginable hardship Disease Spies and double agents And while we celebrate his great

heroism and character we discover he was also a flawed man It s those flaws that should give us hope for today Understanding the very human way he turned himself from an uneducated farmer into the Indispensable yet imperfect Man is the only way to build a new generation of George Washingtons who can take on the extraordinary challenges that America is once again facing *Washington* James Thomas Flexner,1984-04-03 Washington Joan Bernstrom,2021-04-18 George Washington was an American political leader military general statesman and Founding Father who served as the first president of the United States from 1789 to 1797 Previously he led Patriot forces to victory in the nation s War for Independence Washington achieved one of his greatest triumphs with words rather than bullets or bayonets and ultimately turned the fate of history This case provides a conceptual understanding of character and describes its role in exemplary leadership Washington, the Indispensable Man James Thomas Flexner,1974 **The High Ground** Dee R.
