Surviving The Evacuation, Book 1: London Frank Tayell, 2013-09-27 Zombies The outbreak began in New York Soon it had spread to the rest of the world People were attacked infected and they died Then they came back No one is safe from the undead As anarchy and civil war took grip across the globe Britain was quarantined The British press was nationalised Martial law curfews and rationing were implemented It wasn t enough An evacuation was planned The inland towns and cities of the United Kingdom were to be evacuated to defensive enclaves being built around the coast the Scottish Highlands and in the Irish Republic Bill Wright a Westminster insider and an advisor to a future Prime Minister broke his leg on the day of the outbreak Unable to join the evacuation he watched from his window as the streets filled with refugees He watched as the streets emptied once more He watched as they filled up again this time with the undead Then the power went out He is trapped He is alone He is running out of food and water He knows that to reach the safety of the enclaves he will have to venture out into the wasteland that once was England On that journey he will ultimately discover the horrific truth about the outbreak a decades old conspiracy and his unwitting part in it This is the first volume of his journal

they didn't prevent those who could reach the coast from fleeing by sea. There weren't enough boats for everyone. Those who were left behind took refuge in castles, police stations, churches, military bases and any other buildings with strong walls. The walls weren't strong enough. Eight months later, there are only a few dozen survivors left on the entire island of Ireland. They are certain that there is no safe refuge anywhere on the planet. Stranded on the southwestern Atlantic coast of the Irish Republic, Bill and Kim head north. They know that there is a safe haven on Anglesey, but that is hundreds of miles of undead Ireland and a treacherous sea crossing away. They begin a journey on which they will have to rescue the innocent and confront the past before they can embrace the future. Set on the island of Ireland eight months after the outbreak, this is the next volume of Bill Wright's journals.

Surviving The Evacuation, Book 8: Anglesey Frank Tayell, 2016-09-25

Trapped Alone Unconcerned Eight months after the outbreak, Bill Wright is trapped during a survey mission in Ireland. Surrounded by the undead, low on food and lower on water, he's been in this situation before. Unlike before, help is only a rifle shot away. While waiting for the rescue he's sure will come, he records the turbulent events since his last entry. The Welsh island of Anglesey has become a sanctuary for survivors from across the zombie-infested world. It has electricity, wheat and not much else. Medicines and equipment, plants and fertiliser, books and batteries and so much more are needed if this last bastion of civilisation is to survive. Scavenging expeditions depart for Svalbard, Liverpool and the southern Atlantic, but a discovery is made far nearer one which will change the fate of all those who've come to call Anglesey home. Set on Anglesey in Bangor and Caernarfon and in the Republic of Ireland, Bill's journals continue. It's recommended that you read the spin-off stories: Here We Stand 1, Infected 2, Divided before this novel. Surviving the Evacuation continues in Book 9, Ireland. Other books in the series: 1 London 2 Wasteland 3 Zombies vs the Living Dead 4 Family 5 Unsafe Haven 6 Reunion 7 Harvest 8 Home Here We Stand 1, Infected 2, Divided, Book 8 Anglesey, Book 9 Ireland. Post-apocalyptic detective novels: Serious Crimes, Counterfeit, Conspiracy, Work, Rest, Repeat.
