On the Verge of Tears Michele Byers, David Lavery, 2010-04-16 The idea for this book began with David Lavery's 2007 column for flowtv.org The Crying Game Why Television Brings Us to Tears asked us to consider that age old mystery tears The respondents to David's initial survey Michele Byers among them didn't agree on anything Some cried more over film some television some books some felt their tears to be a release others to be a manipulation They did agree however as did the readers who responded to the column that crying over stories and even things is something that is a shared and familiar cultural practice This book was born from that moment of recognition On the Verge of Tears is not the first book to think about crying Tom Lutz's Crying The Natural nor is its approach psychological sociological as is Nelson's It does not limit itself to very contemporary popular culture as does Jenkins book or material culture as does Schwenger's study What On the Verge of Tears offers are personal cultural and political ruminations on the tears we shed in our daily engagements with the world and its artifacts The essays found within are often deeply personal but also have broad implications for everyday life The authors included here contemplate how and why art music film literature theatre theory and material artifacts make us weep They

consider the risks of tears in public and private spaces the way tears implicate us in tragedy comedy and horror On the Verge of Tears does not offer a unified theory of crying but instead invites us to imagine tears as a multi vocal language we can all in some manner understand **The Movie Guide** James Monaco,1992 From The Big Sleep to Babette s Feast from
