H Kauffman

Watch Your Language Mother Tongue And Her Wayward Children:

Watch Your Language! Robert M. Gorrell, 1994 In this lively playful celebration of the joys and power of language Gorrell points to all the signs that show English to be alive and well and like any other living thing constantly evolving Watch Your Language covers a wide array of topics of interest to all aficionados of English from political doublespeak to spelling from etymology to puns and wordgames Throughout Gorrell invites readers to share his love for words

Watch Your Language! Robert M. Gorrell, 1994 In this lively playful celebration of the joys and power of language Gorrell points to all the signs that show English to be alive and well and like any other living thing constantly evolving Watch Your Language covers a wide array of topics of interest to all aficionados of English from political doublespeak to spelling from etymology to puns and wordgames Throughout Gorrell invites readers to share his love for words

The Hidden History of Coined Words Ralph Keyes, 2021 Written by one of the country's most experienced and entertaining etymological detectives The Hidden History of Coined Words provides a delightful excavation into the process by which words became minted Not only does Ralph Keyes give us the who what where of it all but delights in stories that reveal the mysteries of successful coinage

Talking Conflict Anna M. Wittmann, 2016-12-05 In today's information era the use of specific words and language can serve as powerful tools that incite violence or sanitize and conceal the ugliness of war This book examines the complex twisted language of conflict Why is the term collateral damage used when military strikes kill civilians What is a catastrophic success What is the difference between a privileged and unprivileged enemy belligerent How does deterrence differ from detente What does hybrid warfare mean and how is it different from asymmetric warfare How is shell shock different from battle fatigue and PTSD These are only a few of the questions that Talking Conflict The Loaded Language of Genocide Political Violence Terrorism and Warfare answers in its exploration of euphemisms warspeak doublespeak and propagandistic terms This handbook of alphabetically listed entries is prefaced by an introductory overview that provides background information about how language is used to obfuscate or minimize descriptions of armed conflict or genocide and presents examples of the major rhetorical devices used in this subject matter The book focuses on the loaded language of conflict with many of the entries demonstrating the function of given terms as euphemisms propaganda or circumlocutions Each entry is accompanied by a list of cross references and Further Reading suggestions that point readers to pertinent sources for further research This book is ideal for students especially those studying political science international relations and genocide as well as general readers

Analytic Theology Oliver D. Crisp, Michael C. Rea, 2009-02-13 Philosophy in the English speaking world is dominated by analytic approaches to its problems and projects but theology has been dominated by alternative approaches Many would say that the current state in theology is not mere historical accident but is rather how things ought to be On the other hand many others would say precisely the opposite that theology as a discipline has been beguiled and taken captive by continental approaches and that the effects on the discipline have been largely deleterious The

methodological divide between systematic theologians and analytic philosophers of religion is ripe for exploration The present volume represents an attempt to begin a much needed interdisciplinary conversation about the value of analytic philosophical approaches to theological topics Most of the essays herein are sympathetic toward the enterprise the editors are calling analytic theology but with an eye toward balance the volume also includes essays and an introduction that try to offer more critical perspectives on analytic theology

Forthcoming Books Rose Army,1994-02 *The Writer's Directory, 1998-2000* Miranda H. Ferrara,1995 Information on more than 17 500 living authors from English speaking countries
