Water Chasing Water New And Selected Poetry By Koon Woon:

Culling George Held, 2014-10-07 As you read *Culling* you experience George Held's deep and intimate relationship with nature. His intense gifts of observation and ability to transform his subjects create poems that breathe yet suspend time. This amazing book with its ecstasy and despair is a plaintive cry, a howl and a call to action for all those who care about what remains of this fragile endangered world. These poems are exquisite. They instantly seduce the reader. You will be captured by their skill, precise vision, emotional truth and subtle humor. GLADYS HENDERSON author of *Eclipse of Heaven*. Whether cultivating and culling apples or poems, George Held does so with impeccable care, craft and precision, adhering to the rule that in life as in art, to keep is easy, to discard is hard. Here is a collection of nature poems by a masterful poet whose body and mind, with senses alert, labor to produce crop after bountiful crop, work not done until his rake or his pen at last drops. KOON WOON author of *Water Chasing Water*. In this time of unabashed meism, it is a great pleasure to read George Held's *Culling*. This collection is like a treatise on paying attention to what's outside, finding joy in the nature we too often forget. Held's writing is in the tradition of those other knife-eyed watchers, Neruda and Ponge. A consummate artist, he writes so deftly that the words seem to have written themselves in perfect order, opening the path to new ways of seeing. BERTHA ROGERS author of *Heart Turned Back*. *Ravel* Bonnie Wai-Lee Kwong, 2015-08-20 About the Author Bonnie Wai Lee Kwong is a poet and software developer in the San Francisco Bay Area. She has lived in nine states and two continents. Writing is a way for her to traverse seen and unseen geographies. She speaks Cantonese, Mandarin, some Japanese, English, ruby and javascript. Kwong's poetry has been nominated for two Pushcart Prizes. Among her projects is a digital anthology *The Taste of Each*, curated around references to oranges and bananas in various literary and artistic works across the world. Kwong's first poetry collection *ravel* spans wide and invites readers to interrogate boundaries. It has been listed as a finalist for the Many Voices Project by New Rivers Press and the White Pine Press Poetry Prize. The digital index page for *ravel* can be accessed at www.bonniekwong.info/ravel. *Blurbs* In this multilingual collection of poems, Bonnie Wai Lee Kwong writes of the subtext of terror in every civilized good. Hidden histories, suffering and injustice are calmly dissected by this poet with clear eyes and straight diction, words that at once enlighten, empower and untangle. Koon Woon author *Water Chasing Water* 2014 American Book Award winner. Bonnie Wai Lee Kwong is a poet who traffics in songs unsung. There is a musicality to her lines and a pervasive intelligence behind each piece. Sometimes she permits the rational, scientific part of her mind to dominate, but more often her poems are sensual, delicate yet fierce, dynamic and probing. Read this book and savor its flame. Susan Terris *Ghost of Yesterday*. New Selected Poems In *ravel*, Bonnie Kwong weaves from the disparate, from the quiet intimacies of love to the cruel depredations of history, an elegant fabric. Kwong's poems are spare, restrained yet at the same time made rich by her knowledge of multiple languages and cultures. How much sweetness do we need to swallow the bitter? asks one speaker. Leslie McGrath author *Out From the Pleiades*. *Creek Water* Edward Harkness, 2025-09-12 **Water Lines** Luci Shaw, 2003

This beautiful gathering of contemporary lyric poems by best selling author and poet Luci Shaw celebrates both the magnificence and the meaning of water in its myriad forms Water Lines includes sixty three new and selected poems by Shaw all reflecting the evocative nature of water The steady hush of falling rain the white noise of a waterfall the glittering sounds of a fountain the washing of ripples against rocks in a clear northern lake the surging of a mountain stream Shaw shows how these watery wonders refresh the ear and eye and further penetrate the soul As with all her poetry on creation Shaw sees the invisible thinks the universal and finds in the natural world superb metaphors for human life I think it s the fluidity of water the way it constantly renews itself that reminds me of the possibility and the need for change and renewal Water Lines vividly captures water s effects on our senses and invites us to explore this persistent reality which pools in the Creator s hand Shaw says and falls like blessing on all our heads Filled with luminous images and insights Water Lines is a book to give to receive to savor
