Brendan's Return Voyage: A New American Dream Ray Simpson, 2021-03-31 A myth is reviving in the USA which recent research validates that Saint Brendan voyaged over three thousand miles from Ireland to America to evangelize it but when the Indians near the Mississippi welcomed him he realized Jesus was already there In humility he returned home In contrast USA missions have taken a colonial approach to evangelizing Native American tribes requiring converts to rubbush their culture and accept white culture as Christian This book discerns the Creator's imprints in indigenous tribes It identifies some fault lines in USA and Western society and church e g white supremacy manifest destiny and the twin towers of empire building and separatism Churches need to repent of these false gods They need to break free from the prison of consumerism and become open to the prophetic spirit The book also explores the Creator's imprints in white American culture and the Christian spirituality of the Euro Americans indigenous forbears the Celts The book outlines ways in which in these fading decades of Western supremacy and despite polarization indigenous settler and immigrant peoples may journey together as modern followers of the Way Those who rise to this challenge undertake a new Brendan's Voyage and create a new American dream **Earth Afire with God** Anamchara Books Staff, 2011-05-16 *Following the Celtic Way* Ian Bradley, 2020-04-28 A

quarter century after writing the acclaimed *The Celtic Way* Ian Bradley one of the foremost experts on the spiritual beliefs and practices of the indigenous Christian communities in the British Isles in the early Middle Ages revisits the original sources and makes a substantial reappraisal of Celtic spirituality *Following the Celtic Way* challenges many of the myths and romanticized portrayals of Celtic Christianity and shows evidence of the harder edge and demanding austerity of the lives and spirituality of believers from this time This book sits among the most insightful and up to date introductions to this distinctive and evocative expression of faith and draws out its themes that are most relevant to us today It also offers practical spiritual guidance on how to follow the Celtic Way in the contemporary world *Process Theology and Celtic Wisdom* Bruce G Epperly, 2018-12-14 The Christian life is a holy adventure Bruce Epperly has opened up that adventure to everyone in his previous books *Process Theology* *Process Spirituality* and *Process and Ministry* Now he connects this adventure to ancient roots in Celtic spirituality This book takes a meditative experiential approach to the complex often difficult topic of process theology and brings it to life for everyday spiritual practice while rooting it in Celtic wisdom This is

not the place for rigid doctrine and adherence to a set of commands Instead Epperly hears God's call to embrace a God who is available to us a call to adventure and the hope for new spiritual vistas This spiritual journey will resonate in how we live and build community This is a short volume designed for anyone to read It is suitable for individual or group study It aims to make both process theology and Celtic wisdom available to everyone

Christianity in Blue David A. Kaden,2021-07-13 Today's social and political climate often pits conservative or traditional Christianity against progressive Christianity But what is progressive Christianity What is a progressive Christian What is a progressive church Christianity in Blue answers these questions by drawing from biblical scholarship Christian

history theology popular culture philosophy and cultural anthropology Kaden shows how socially liberal values and progressive attitudes can be the fruits of taking seriously both the Bible and Christian tradition But rather than treating these sources as static authorities and the final word on every subject Kaden argues that they are places to start one's exploration of how to be a Christian in the world Being a progressive Christian is an ethical exhortation to uplift human personality as Martin Luther King Jr once said This exhortation structures how progressive Christians receive interpret and apply the Bible and Christian tradition to daily life A robust tradition provides an anchor to avoid the illiberal trends in contemporary society and a commitment to uplifting human personality provides a check against dehumanizing uses of Scripture and tradition Christianity in Blue will help both progressive and conservative Christians better understand the importance of the Bible theology history and philosophy for building a loving church for everyone

In doing so, it addresses some of the foremost dilemmas of our time: Environment, Globalization, Feminist and gender issues, Religious strife, Oppression, Poverty, War, Prejudice. Theologically, it systematically explores our world's multi-layered views of God, Our place in the world, Good, evil, sin, and suffering, Ongoing revelation, Spirituality in the digital age, Love and community, Spiritual liberation. Nevertheless, *A Fresh Cup of Tolerance* is not just a pleasant vanilla treatise on love; it's a living, breathing, dynamic faith in action, theology free from rigid words, scriptures, beliefs, dogma, or practices, rituals.
