The Symbolism of Marriage in Early Christianity and the Latin Middle Ages Line Cecilie Engh, 2025-10-01

In the Middle Ages everyone it seems entered into some form of marriage Nuns and even some monks married the bridegroom Christ Bishops married their sees The popes as vicars of Christ married the universal Church And lay people high and low married each other What united these marriages was their common reference to the union of Christ and Church Christ's marriage to the Church was the paradigmatic symbol in which all the other forms of union participated in superior or inferior ways This book grapples with questions of the impact of marriage symbolism on both ideas and practice in the early Christian and medieval period In what ways did marriage symbolism with its embedded concepts of gender reproduction household and hierarchy shape people's thought about other things such as celibacy ecclesial and political relations and devotional relations How did symbolic cognition shape marriage itself And how if at all were these two directions of thinking symbolically about marriage related multidisciplinary approach high precision conceptual analyses a case study of symbolical cognition

Awake, O Christians, and Serve the Lord in Truth Joseph N. Mfonyam, 2024-06-20 *Awake O Christians and Serve the Lord in Truth* explores the promise of salvation as outlined in the Bible from a family perspective Joseph N Mfonyam a longtime missionary explores marriage and the family as it is presented in Genesis 1-3 as well as what these institutions looked like in ancient Israel and in the Bafut tradition He also examines how God speaks to people in their cultures and traces their transformation and adoption into His family Consider questions such as What role should each family member play in regard to each other and with God How can individual family members discover the purpose God has in their life How does Jesus draw our attention to our spiritual and heavenly family The author argues that God's plan from Creation was and still is to use the family to carry out His salvation plan with each member faithfully fulfilling a certain role

This book is geared for both spiritual and civil leaders who want to help people fulfill their family responsibilities. If the people and those in authority saw themselves as servants and members of the family of God, the world would be different.

Christianity, Colonization, and Gender Relations in North Sumatra Sita T. van Bemmelen, 2017-11-20. In this book Sita van Bemmelen offers an account of changes in Toba Batak society, Sumatra, Indonesia, due to Christianity and Dutch colonial rule, 1861-1942, with a focus on customs and customary law related to the life cycle and gender relations. The first part, a historical ethnography, describes them as they existed at the onset of colonial rule. The second part zooms in on the negotiations between the Toba Batak elite, the missionaries of the German Rhenish Mission, and colonial administrators about these customs, showing the evolving views on desirable modernity of each contestant. The pillars of the Toba patrilineal kinship system were challenged, but alterations changed the way it was reproduced and gender relations for ever. **The Western**

Christian Advocate, 1911. Unholy Allegiances David A. DeSilva, 2022-05-03. Amidst the fervor for popular apocalyptic books and unfounded end-times theology, New Testament scholar David deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read. A very helpful treatise, deSilva's *Unholy Allegiances: Heeding Revelation's Warning* explores the world of first-century Roman Asia, the context in which Revelation was written, explaining why John wrote such a graphic and startling message to the people of God. While many books today offer innovative decodings of Revelation, deSilva reminds us that John's letter is in fact not a historical blueprint for prophecy and prognosticism, but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus, a warning that is apt today as it was almost two thousand years ago. The true power of the book of Revelation is not in a mystical unfolding of the future, but in its confrontation with the unholy allegiances already at work in the world. It's time to pay attention without playing ender's games. It's time to take Revelation seriously. **Love and Death in the Great War**

Andrew J. Huebner, 2018-02-01. Americans today harbor no strong or consistent collective memory of the First World War. Ask why the country fought or what they accomplished, and democracy is the most likely, if vague, response. The circulation of confusing or lofty rationales for intervention began as soon as President Woodrow Wilson secured a war declaration in April 1917. Yet amid those shifting justifications, *Love and Death in the Great War* argues, was a more durable and resonant one: Americans would fight for home and family. Officials in the military and government grasping this crucial reality invested the war with personal meaning as did popular culture. "Make your mother proud of you." And the Old Red, White, and Blue went. George Cohan's famous tune "Over There" Federal officials and their allies in public culture in short told the war story as a love story. Intervention came at a moment when arbiters of traditional home and family were regarded as under pressure from all sides: industrial work, women's employment, immigration, urban vice, woman suffrage, and the imagined threat of black sexual aggression. Alleged German crimes in France and Belgium seemed to further imperil women and children. War promised to restore convention, stabilize gender roles, and sharpen male character. *Love and Death in the Great War* tracks

such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence In beautifully rendered prose Andrew J Huebner merges untold stories of ordinary men and women with a history of wartime culture Studying the radiating impact of war alongside the management of public opinion he recovers the conflict's emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises Christian Nation ,1912 **Michigan Christian Advocate** ,1924 **The Mysticism of Ordinary and Extraordinary Experience** Harry L.
