**Wings on the Mountain** L. Corzine, 2015-12-12 Wings on the Mountain is a post Civil War inspirational adventure that tracks the lives of two young widows who find themselves alone and desperate in the harsh and rugged Colorado Rockies Copper Delaney's life as an orphaned bondservant had always been one of hardship and abuse However just when things seem to be improving she's forced to escape into the mountains and search for stolen plunder Knowing all the while that she must find it before the ghost like outlaw Dirk Culley finds her Instead of freedom and independence the young redhead ends up frightened starving and hopelessly lost Mariah Kent's life as the heir to the great Candlestick Ranch of Texas was one of privilege However her parents quickly disown her when she marries the wrong man A year later she finds herself living in a tiny mountain shack on a ranch that her abusive husband refuses to work The pale blonde beauty who once dined with dignitaries must now dig through the town garbage for food and sleep in the livery to stay warm Hungry cold alone and friendless she must find a way to survive in the harshest of all places The year is 1865 a time when even the strongest and most courageous of women lived at the mercy of the men around them Will the rough and hardy mountain men who find these two vulnerable women be men of mercy and honor Or will they be the kind of men who have no mercy **St. James**
