Follow Solomon's search through a fascinating study of Ecclesiastes as in the depths of his despair he discovers that only the God who made the sun can offer real and lasting results under it *Where Is God When Life Hurts?* Douglas McKay, Dr Douglas J McKay, 2006-03 **Into the Mess and Other Jesus Stories** Debie Thomas, 2022-05-17 He was a disrupter and a peacemaker a rebel and a rabbi His friends were the riffraff and his enemies the religious elite He was the wounded man who healed the sick the homeless man who fed the hungry the convicted criminal who released the captives and the dead man who conquered the grave The stories he told were scandalous and the stories he lived changed the world To reflect on the Jesus of the Gospels is to reflect on paradox mystery wonder and messiness It is to find God in the shadows the tensions and the ambiguities of life on earth as it is These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness The Jesus who emerges here is not the sanitized Christ of piety and platitude but the Christ of complicated joys and transcendent sorrows The Christ who weeps wonders loses learns and seeks These are the stories of the Incarnate God who finds and loves us in the messiness of our lives *The Interpreter's Bible*, 1952 *The Loss of a Son* Grant Cross, 2016-12-22 This book is not about religion yet I would not be able to tell the story if we left out the most important part of how Grant was able to get through those tough times Scripture is quoted in this book Without Grant knowing Jesus and having a personal relationship with Him it could have been a different outcome After all he knows about grief and sorrow as he experienced himself the day upon the cross when he called out to his father My God My God why have you forsaken me So for anyone who doesn't know Jesus as there Saviour turn to the back of this book if you would like to know Him I have written a simple prayer for you to say and may you experience the freedom Grant did even while going through tragedy for Jesus will never forsake you just keep your eyes on Him for he is the way the truth and life everlasting Always remember God made us Take a look inside and see the person you were created to be So if you're keen let's go and start the journey so grab a drink put your feet up and let's get closer to our Jesus After all that is why He paid the price There is no intention to convert you just be open and you too will find Jesus real and will live a more purpose filled peaceful powerful fulfilled life In this story Damion Grant's son is referred to as Dame *The Interpreter's Bible: Luke*. Once Loved Always Loved Andrew Hronich, 2023-02-23 In this book Andrew Hronich endeavors to synthesize the many strands of orthodox doctrine into a single telos ultimate reconciliation While a great deal of ink has already been spilled on this subject this book addresses ponderances previously overlooked due to a lack of ecumenical dialogue between the differing streams of Christian tradition Ancient lights such as Origen Gregory of Nyssa and Clement of Alexandria are given a voice to speak again to the masses whilst contemporary thinkers such as Thomas Talbott David Bentley Hart and Eric Reitan are unleashed upon the unwitting world of Christian philosophy Stagnant tradition has hindered the church from abiding by its historic motto *semper reformanda* but with its ecumenical voice this book calls on Protestants Catholics and Orthodox adherents alike to acknowledge *apokatastasis panton* the salvation of all beings as the orthodoxy it always has been Love,

Violence, and the Cross Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In *Love Violence and the Cross* Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus's death is simultaneously a crime and an element of God's saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work
