on Facilitating Local Government-Led Community-Driven Development Asian Development Bank,2018-12-01 This publication documents the process and materials needed to conduct interventions supporting the transition to local government led community driven development in the Philippines Under the technical assistance of the Asian Development Bank and financed by the Japan Fund for Poverty Reduction it was developed in collaboration with the Department of Social Welfare and Development s National Program Management Office for its Kapit Bisig Laban sa Kahirapan Comprehensive and Integrated Delivery of Social Services National Community Driven Development Program *Institutional Research in South African Higher Education* Jan Botha,Nicole J Muller,2016-11-01 The book provides a thorough overview of Institutional

Research IR i e applied higher education research undertaken within universities in South Africa It is a collection of essays focusing on the character and institutional setting of IR how IR is embedded into the mechanisms of steering shaping and reforming higher education and what the major results were of IR in select thematic areas The book is a valuable resource for higher education researchers and social researchers in South Africa interested in higher education It also deserves to be read by practitioners and policymakers in the field of higher education in South Africa It serves as an interesting case study for higher education researchers all over the world *Department of Homeland Security Appropriations for 2018: Oversight of the Federal Emergency Management Agency* United States. Congress. House. Committee on Appropriations. Subcommittee on Homeland Security,2017

The Guide to COIL Virtual Exchange Jon Rubin,Sarah Guth,2023-07-03 This is the authoritative guide to implementing COIL Virtual Exchange conceived and co edited by one of the originators of this innovative approach to internationalization Jon Rubin COIL the acronym for Collaborative Online International Learning is a central modality of what has come to be known as virtual exchange Since its first iteration in 2002 it has gradually established itself as a mature pedagogy that is being increasingly implemented across the world and is validated by a growing body of research COIL Virtual Exchange at its most essential is a bi lateral online exchange involving the integration of existing courses across two or sometimes more institutions that are geographically and or culturally distinct To launch a COIL VE course the instructor of a class at a higher education institution in one location links online with a professor and his or her class in another region or country Together their students engage and develop joint projects usually over a continuous five to eight week period Compared to the limited number of students worldwide who can engage in study abroad COIL VE potentially opens up more equitable and inclusive participation in international education and intercultural experiences to all students involves them in rigorous disciplinary and interdisciplinary studies and promotes close and constructive engagement with students with different cultural perspectives While many COIL courses are launched by individual instructors based on their research connections and online outreach they are being increasingly supported and led by dedicated COIL Coordinators who facilitate virtual exchanges and provide professional development This comprehensive guide covers COIL VE pedagogy provides examples of what takes place in the COIL classroom and explores what instructors and staff need to know to facilitate and support a variety of COIL courses across the curriculum It addresses how institutional stakeholders especially those in leadership positions can develop and embed a successful COIL initiative at their institution It offers varied perspectives of COIL viewed from different institutional and cultural vantage points from research universities community and technical colleges and university systems and describes how COIL VE is developing in five different world regions presenting eleven case studies The book concludes with a guide to thirteen global organizations that support COIL and other forms of VE Additionally the book provides links to the COIL Connect for Virtual Exchange website <https://coilconnect.org> which includes an updated directory of organizations an expanding database of faculty and institutions

participating in COIL and looking for partners course templates survey data and case studies This book offers faculty and administrators across the world whether formally involved in international education in service learning and community engagement or wanting to incorporate a cross cultural perspective in their disciplinary courses theoretical foundations guidance on effective collaboration and the strategic and pedagogical considerations to develop robust COIL VE courses and programs

A Guide to Supporting Breastfeeding for the Medical Profession Amy Brown,Wendy Jones,2019-12-05 This book is a practical guide for medical practitioners as they navigate through breastfeeding problems that occur in day to day practice If mothers have a breastfeeding complication they are often directed to their GP In complex situations medical staff will be making decisions around what treatment plan to follow and whether a mother can keep breastfeeding In recent years there has been growing evidence that medical professionals often advise mothers to stop breastfeeding while undergoing treatment when in reality this was not a necessary step In a time when breastfeeding rates are decreasing it is important that medical professionals give accurate advice and support a mother s choice to breastfeed if the situation allows it A Guide to Supporting Breastfeeding for the Medical Profession includes contributions from a wide range of medical professionals and each chapter is written with the practitioner in mind Contributors include GPs paediatricians neonatologists lactation specialists and midwives Doctors have a vital role to play in supporting and facilitating breastfeeding and without the appropriate knowledge they can often inadvertently sabotage it This book will be of interest to GPs and paediatricians as well as nurse prescribers midwives and health visitors

Transforming NATO Ivan Dinev Ivanov,2011-07-16 Transforming NATO New Allies Missions and Capabilities by Ivan Dinev Ivanov examines the three dimensions of NATO s transformation since the end of the Cold War the addition of a dozen new allies the undertaking of new missions such as peacekeeping crisis response and stabilization and the development of new capabilities to implement these missions The book explains these processes through two mutually reinforcing frameworks club goods theory and the concept of complementarities NATO can be viewed as a diverse heterogeneous club of nations providing collective defense to its members who in turn combine their military resources in a way that enables them to optimize the Alliance s capabilities needed for overseas operations Transforming NATO makes a number of theoretical contributions First it offers new insights into understanding how heterogeneous clubs operate Second it introduces a novel concept that of complementarities Finally it re evaluates the relevance of club goods theory as a framework for studying contemporary international security These conceptual foundations apply to areas well beyond NATO They provide useful insights into understanding the operation of transatlantic relations alliance politics and a broader set of international coalitions and partnerships This update in April 2013 covers new developments related to NATO s transformation after this book was originally published http://homepages.uc.edu/ivanovid/pdfs/book_update.pdf

A Practical Guide to Early Intervention and Family Support Emma Sawyer,Sheryl Burton,2016-01-21 Parental mental health problems and substance misuse affect a significant number of families This handbook provides

practitioners with early intervention techniques and effective support strategies for ensuring the best outcomes for these vulnerable families Featuring pointers models and practice examples A Practical Guide to Early Intervention and Family Support considers the concept of resilience and effective family support Assessing the policy context and possible barriers to support it looks at assessment of need safeguarding children minimising negative impact and most importantly keeping families together where possible Drawing on key research on the risks and impacts this book demonstrates the need for a unified approach from a range of adult and children s services This third edition has been fully updated to reflect developments in policy and services Essential reading for all professionals who are involved in providing services to families it will also be of interest to service commissioners and those with an academic interest in what helps to support children and families in these circumstances

Institutional Translator Training Tomáš Svoboda,Łucja Biel,Vilelmini Sosoni,2022-12-30 This collection surveys the translator training landscape in international organizations on a global scale offering a state of the art view on institutional translator training research and practical takeaways for stakeholders The volume s focus on training brings a unique perspective to existing research on institutional translation which has tended to single out such themes as agency professionalism and quality The book is divided into three sections with the first outlining the competences required of institutional translators the second exploring training practices at the university level and on the job for novices and professionals across a range of settings and the third providing a synthesis of the above Contributions draw on findings from studies in both institutional desiderata and existing training programmes from diverse geographic contexts towards situating the discussion through a global lens In linking together competences and training practices the book enhances collective knowledge of institutional translation and provides valuable insights for universities and institutions that work with translators on both international and national scales This book will be key reading for scholars in translation studies particularly those interested in institutional translation and translator training as well as active professionals The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
