Best Practices to Design E-learning for Medical Representatives

Medical representatives face many problems while promoting their companies' products to physicians. Here let us see some best practices to make their training effective.

Share the **benefits of training** and the value it provides to them in their job right at the beginning.

Add **clear learning objectives** that specify the intended outcome for each module.

Ask thought-provoking questions in the form of "Do You Know?" or "Can You Recall?" to engage them with the content.

Include **clinical application of the drug** at the end of the module to prepare sales reps for questions asked by physicians.
