Government Translation in South Korea Jinsil Choi, 2022-04-26

Government Translation in South Korea A Corpus based Study is the first book to investigate and discuss translation processes and translation products in South Korean government institutions employing a parallel corpus based approach Choi identifies different agents and procedures involved in institutional translation practices discusses linguistic and genre features of translations and investigates changes made in translations compared to the original documents during the two Korean presidencies of Lee Myung bak 2008 2013 and Park Geun hye 2013 2017 Choi s book explores important facets of Korean government translation in the belief that practices associated with the normative meaning and concept of

government translation have to be displaced into the wider understanding of the concept of translation as a social construct Drawing on the theoretical frameworks of institutional translation and critical discourse analysis informed corpus based translation studies the chapters discuss the practice process and products of Korean government translation The Korean English parallel corpus methodology used introduces a systemic way to analyse changes in Korean government translations based on a personally built sentence level tagged corpus both qualitatively and quantitatively This volume will be of great interest to scholars and students of translation studies as well as Korean studies Community Translation Mustapha Taibi,Uldis Ozolins,2016-02-25 Investigating an important field within translation studies Community Translation addresses the specific context characteristics and needs of translation in and for communities Traditional classifications in the fields of discourse and genre are of limited use to the field of translation studies as they overlook the social functions of translation Instead this book argues for a classification that cuts across traditional lines based on the social dimensions of translation and the relationships between text producers and audiences Community Translation discusses the different types of texts produced by public authorities services and individuals for communities that need to be translated into minority languages and the socio cultural issues that surround them In this way this book demonstrates the vital role that community translation plays in ensuring communication with all citizens and in the empowerment of minority language speakers by giving them access to information enabling them to participate fully in society □□,2003 *Perspectives Studies in Translatology* 2003 4
