Wanted Apostolic Pastors 9marks Journal:

Wanted: Apostolic Pastors - 9Marks Journal Jonathan Leeman, Robert Greene, Matthew Spandler-Davidson, Jeramie Rinne, Matt Smethurst, Shane Walker, Mark Dever, Bobby Jamieson, Andy Johnson, Matthias Lohmann, Daniel Montgomery, Brian Croft, Justin Runyan, Michael A. G. Haykin, 2017-05-20 9Marks is on the lookout for apostolic pastors. Know any? Here's what we have in mind: pastors who care deeply about the progress of the gospel beyond their local churches. Pastors who encourage discipleship and partner with other pastors. Pastors who lead their congregations to link arms with other like-minded local churches for evangelism, church planting, and more. By apostolic, we don't mean someone who is personally commissioned by Jesus to bear witness to the resurrection (Acts 1:21-22). Instead, we mean someone who shares some of the apostles' priorities and concerns, even though he doesn't share their office. We love pastors like this, and we want to see many more of them raised up. So in this issue of the 9Marks Journal, we want to help pastors catch a vision of the good that can come when they begin to feel an apostle-like concern for other pastors and churches. 2 Cor 11:28 [Don't Fire Your Church Members](#) Jonathan Leeman, 2016-01-15 The goal of this book is to present a fresh and innovative argument for congregationalism. **Baptist Foundations** Mark Dever, Jonathan Leeman, 2015-06-15 In this volume, representatives of several North American Baptist seminaries and a Baptist university make the exegetical and theological case for a Baptist polity. Right polity, they argue, is congregationalism, elder leadership, diaconal service, regenerate church membership, church discipline, and a Baptist approach to the ordinances. **Ordinary Means of Grace 9Marks Journal: Or, Don't Do Weird Stuff** Sam Emadi, Alex Duke, Matt McCullough, 2021-06-29 For several years now, erstwhile 9Marks editor and now full-time pastor Sam Emadi, with a wink, has summarized our ministry: Yeah, I just tell people 9Marks exists to tell pastors not to do weird stuff. Just do what's in the Bible. Not a bad summary. If you've not heard the term ordinary means of grace before, Sam has captured what many pastors today need to hear: don't do weird stuff in your church. Don't take your growth cues from a marketing team. Don't lead church services that would make P.T. Barnum or J.J. Abrams proud. Don't, in short, think you can offer something extraordinary based on your creativity or ingenuity, or that you can manufacture the extraordinary through reverse engineering the results you want. The Spirit has already revealed everything we need for gathering and growing churches. And yes, it's pretty ordinary stuff. You might even be tempted to call it boring and ironically uninspiring. Yet the uninspiring is inspired: preaching God's Word, singing God's Word, praying God's Word, reading God's Word, and declaring God's Word through the ordinances. Those ordinary, as opposed to extraordinary, practices have been ordained. The wisdom of God often sounds like foolishness, no. In many churches, simple acts of worship have been encrusted over by years of accumulated traditions that mask the beautiful simplicity of the ordinary means of grace. Don't think you can offer something extraordinary based on your creativity or ingenuity, or that you can manufacture the extraordinary through reverse engineering the results you want. The Spirit has already revealed everything we need for gathering and growing churches: preaching God's Word.

singing God's Word praying God's Word reading God's Word and declaring God's Word through the ordinances Those ordinary as opposed to extraordinary practices have been ordained Directing people's hearts and minds to God is the most important thing a church can do and the singular activity around which everything else hangs We need to remember that the visible church is a gathering of Christians in a local assembly to worship the Lord This Journal which focuses on the ordinary means of grace presents the very heart of the 9Marks church program What's our church model Here it is Table of Contents Editor's Note Don't Do Weird Stuff by Sam Emadi Do Weird Stuff by Alex Duke The Why of Ordinary Means of Grace Ministry Liturgies Are the Pipes but the Word Is the Water by Matt McCullough Why the Ordinary Means of Grace Must Be Central in Our Gatherings by David Strain Why Preaching Is Primary and the Ordinances Aren't by Jonty Rhodes The How of Ordinary Means of Grace Ministry How Programs Fit into an Ordinary Means of Grace Ministry by Mike McKinley How A Good Desire for Church Growth Can Lead to Bad Ministry Practices by Harshit Singh Good News Ordinary Pastor You Don't Need a Winning Personality by Dan Miller Are Buildings Essential to Building Healthy Churches by Adam Sinnett Congregational Singing Can Musical Style Dilute This Ordinary Means of Grace by Neal Woollard The Effects of Ordinary Means of Grace Ministry Yes Scripture Reading Really Does Change People by Terry Johnson Yes The Ordinances Really Do Change People by Tiago Oliveira Yes Preaching Really Does Change People by Mike Bullmore Yes Singing Really Does Change People by Shai Linne How I Accidentally Stumbled Across And Then Fell in Love with the Ordinary Means of Grace by Alex Duke Never Underestimate the Value of Ordinary Brief Christian Conversations by Caleb Greggson Between Sundays Life in the Means of Grace by Raymond Johnson The Freedom that Comes from Being Boringly Biblical by Eric Bancroft The Word Did It All The Necessity of Preaching According to the Protestant Reformers by Shawn Wright The Ongoing Role of Apostles in Missions Don Dent, 2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God's gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ's church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of missionary apostles guide our mission efforts
