War and Peace Leo Tolstoy, 2002-07-09 Introduction by A N Wilson Nominated as one of America's best loved novels by PBS's The Great American Read Often called the greatest novel ever written War and Peace is at once an epic of the Napoleonic Wars a philosophical study and a celebration of the Russian spirit Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle all of them fully realized and equally memorable Out of this complex narrative emerges a profound examination of the individual's place in the historical process one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad To read him is to find one's way home to everything within us that is fundamental and sane

War and Peace in Contemporary Eritrean Poetry Charles Cantalupo, 2009-12-01 War and Peace in Contemporary Eritrean Poetry focuses on Eritrean written poetry from roughly the last three decades of the twentieth century The poems appear in the anthology Who Needs a Story Contemporary Eritrean Poetry in Tigrinya Tigre and Arabic from which a selection is offered here in their original scripts of Ge'ez or Arabic and in English translation Who Needs a Story is the first anthology of contemporary poetry from Eritrea ever published and War and Peace in Contemporary Eritrean Poetry is the first book on the subject Therefore the groundbreaking effort of the former warrants a discussion of its means of cultural production All of the poets in Who Needs a Story participated in the Eritrean struggle for independence 1961-91 as freedom fighters and/or as supporters in the Eritrean diaspora Thus contemporary Eritrean poetry divides itself between experiences of war and peace although one can contain the other as well War and Peace in Contemporary Eritrean Poetry also includes an extended analysis of one of Eritrea's most famous contemporary poets Reesom Haile as an example of the kind of extended analysis that many of the poets of Who Needs a Story should stimulate and last but not least a meditation on how the author a non-native speaker personally becomes involved in Eritrean poetry translation

War and Peace in the Western Political Imagination Roger Manning, 2016-03-10 The study of war in all periods of prehistory and recorded history has always commanded the attention of historians dramatists poets and artists The study of peace has however not yet gained a comparable readership and the subject is attracting an increasing amount of scholarly research This volume presents the first work of academic research to tackle this imbalance head on It looks at war and peace through the ages from the Classical world through to the 18th century It considers the nature and advocacy of war and peace both from an historical perspective but also a philosophical one particularly looking at how universal peace which began as a personal philosophy became over the centuries a political philosophy that underpins much of modern society's attitudes towards warfare and militarism Roger Manning begins his journey through history by looking at the Greek martial ethos and philosophical concepts of peace and war in the ancient
