War And The Law Of Nations A General History

Gordon Martel

War And The Law Of Nations A General History:

War and the Law of Nations Stephen C. Neff, 2005-08-04 This ambitious 2005 volume is a history of war from the standpoint of international law from the beginning of history to the present day Its primary focus is on legal conceptions of war as such rather than on the substantive or technical aspects of the law of war It tells the story in narrative form of the interplay through the centuries between on the one hand legal ideas about war and on the other hand state practice in warfare Its coverage includes reprisals civil wars UN enforcement and the war on terrorism This book will interest historians students of international relations and international lawyers The Oxford Handbook of the History of International Law Bardo Fassbender, Anne Peters, Simone Peter, Daniel Högger, 2012-11-01 The Oxford Handbook of the History of International Law provides an authoritative and original overview of the origins concepts and core issues of international law The first comprehensive Handbook on the history of international law it is a truly unique contribution to the literature of international law and relations Pursuing both a global and an interdisciplinary approach the Handbook brings together some sixty eminent scholars of international law legal history and global history from all parts of the world Covering international legal developments from the 15th century until the end of World War II the Handbook consists of over sixty individual chapters which are arranged in six parts The book opens with an analysis of the principal actors in the history of international law namely states peoples and nations international organisations and courts and civil society actors Part Two is devoted to a number of key themes of the history of international law such as peace and war the sovereignty of states hegemony religion and the protection of the individual person Part Three addresses the history of international law in the different regions of the world Africa and Arabia Asia the Americas and the Caribbean Europe as well as encounters between non European legal cultures like those of China Japan and India and Europe which had a lasting impact on the body of international law Part Four examines certain forms of interaction or imposition in international law such as diplomacy as an example of interaction or colonization and domination as an example of imposition of law The classical juxtaposition of the civilized and the uncivilized is also critically studied Part Five is concerned with problems of the method and theory of history writing in international law for instance the periodisation of international law or Eurocentrism in the traditional historiography of international law The Handbook concludes with a Part Six entitled People in Portrait which explores the life and work of twenty prominent scholars and thinkers of international law ranging from Muhammad al Shaybani to Sir Hersch Lauterpacht The Handbook will be an invaluable resource for students and scholars of international law It provides historians with new perspectives on international law and increases the historical and cultural awareness of scholars of international law It is the standard reference work for the global history of international law *Research Handbook on the Theory and History of International Law* Alexander Orakhelashvili, 2020-12-25 This updated and revised second edition with contributions from renowned experts provides a comprehensive scholarly framework for analyzing the theory and history of international law

Featuring an array of legal and interdisciplinary analyses it focuses on those theories and developments that illuminate the central and timeless basic concepts and categories of the international legal system highlighting the interdependency of various aspects of theory and history and demonstrating the connections between theory and practice **The Encyclopedia of Diplomacy, 4 Volume Set** Gordon Martel, 2018-04-30 The Encyclopedia of Diplomacy is a complete and authoritative 4 volume compendium of the most important events people and terms associated with diplomacy and international relations from ancient times to the present from a global perspective An invaluable resource for anyone interested in diplomacy its history and the relations between states Includes newer areas of scholarship such as the role of non state organizations including the UN and M decins Sans Frontiers and the exercise of soft power as well as issues of globalization and climate change Provides clear concise information on the most important events people and terms associated with diplomacy and international relations in an A Z format All entries are rigorously peer reviewed to ensure the highest quality of scholarship Provides a platform to introduce unfamiliar terms and concepts to students engaging with the literature of the field for the first time [A Companion to International History 1900 - 2001](#) Gordon Martel, 2010-03-29 A comprehensive overview of the most important international events movements and controversies of the 20th century Written by distinguished scholars each an authority in their field Explores influential underlying themes such as imperialism nationalism internationalism technological developments and changes in diplomatic methods Addresses a broad range of topics including diplomacy of wartime and peacemaking the cold war era and the new world order the end of European empires the rise of nationalism in the Third World globalization and terrorism Chronological organization makes the volume easily accessible Includes useful guides for further reading and research **A World History of War Crimes** Michael S. Bryant, 2021-01-28 The greatly expanded and enhanced 2nd edition of A World History of War Crimes provides an authoritative and accessible introduction to the global history of war crimes and the laws of war Tracing human efforts to limit warfare from codes of war in antiquity designed to maintain a religiously conceived cosmic order to the gradual use in the modern age of the criminal trial as a means of enforcing universal humanitarian norms Michael S Bryant's book is a masterful one volume account of the subject This new edition includes for the first time Two chapters providing extensive coverage of the Americas Africa and the Middle East Strengthened chronological boundaries a new chapter on the Incas Aztecs Mayan and North American Indian tribes as well as more material across all regions in ancient times discussion of contemporary war crimes committed in Afghanistan Iraq Myanmar and Syria A historiographical essay to broaden your understanding of the field An added final chapter focusing on the social cultural and psychological aspects of the subject A World History of War Crimes is vital reading for anyone needing to understand the history of war in one of its most significant contexts *A History of International Law in Italy* Giulio Bartolini, 2020 In the past few decades the understanding of the relationship between nations has undergone a radical transformation The role of the traditional nation state is diminishing along with many of the traditional vocabularies which

were once used to describe what has been called ever since Jeremy Bentham coined the phrase in 1780 international law. The older boundaries between states are growing ever more fluid; new conceptions and new languages have emerged which are slowly coming to replace the image of a world of sovereign independent nation states which has dominated the study of international relations since the early nineteenth century. This redefinition of the international arena demands a new understanding of classical and contemporary questions in international and legal theory. It is the editors' conviction that the best way to achieve this is by bridging the traditional divide between international legal theory, intellectual history and legal and political history. The aim of the series therefore is to provide a forum for historical studies from classical antiquity to the twenty-first century that are theoretically informed and for philosophical work that is historically conscious in the hope that a new vision of the rapidly evolving international world, its past and its possible future may emerge.

Book jacket Justice among Nations Stephen C. Neff, 2014-02-18. *Justice among Nations* tells the story of the rise of international law and how it has been formulated, debated, contested and put into practice from ancient times to the present. Stephen Neff avoids technical jargon as he surveys doctrines from natural law to feminism and practice from the Warring States of China to the international criminal courts of today. Ancient China produced the first rudimentary set of doctrines. But the cornerstone of international law was laid by the Romans in the form of universal natural law. However, as medieval European states encountered non-Christian peoples from East Asia to the New World, new legal quandaries arose and by the seventeenth century the first modern theories of international law were devised. New challenges in the nineteenth century encompassed nationalism, free trade, imperialism, international organizations and arbitration. Innovative doctrines included liberalism, the nationality school and solidarism. The twentieth century witnessed the League of Nations and a World Court, but also the rise of socialist and fascist states and the advent of the Cold War. Yet the collapse of the Soviet Union brought little respite. As Neff makes clear, further threats to the rule of law today come from environmental pressures, genocide and terrorism.

Notions of Neutralities Pascal Lottaz, Herbert R. Reginbogin, 2018-11-16. Neutrality serves different purposes during times of war and peace. *Notions of Neutralities* portrays those historical challenges that neutrals faced and are still facing to maintain some form of economic stability and political order as chaos and wars rage. Neutrals are exposed to existential issues and questions of civil society, international politics and morality in a world defiant to principles of universal peace. Every age has its own armed conflicts and while the questions they raise are often the same, the answers are different because the international world order changes. Is neutrality justifiable even when the humanity of civilization is at risk as in the Second World War or the wars of the post-Cold War era? Can those who refuse the call to arms still act by providing humanitarian services to contain the impact of war or on the contrary are neutrals shut off from global politics mere weaklings that suffer what they must? This book addresses such questions through an interdisciplinary scholarship by some of the world's foremost experts on neutrality. Twelve chapters tackle different but profound aspects of the concept over a span

of five hundred years They succinctly show the evolution of international norms in the context of war and peace What is more the essays portray fundamental categories of thinking about a variety of neutralities that the international system has produced in the past and present The authors discuss the complexities of neutrality providing a new and refreshing understanding of international relations and security for the past as well as for the multipolar world of the twenty first century

Anticipatory Action in Self-Defence Kinga Tibori Szabó,2011-08-22 The legality of preemptive strikes is one of the most controversial questions of contemporary international law At the core of this controversy stands the temporal dimension of self defence when and for how long can a state defend itself against an armed attack Can it resort to armed force before such an attack occurs Is anticipatory action covered by the rules of self defence or should it be treated as a different concept This book examines whether anticipatory action in self defence is part of customary international law and if so under what conditions The pre Charter concept of anticipatory action is demarcated and then assessed against post Charter state practice Several instances of self defence both anticipatory and remedial are examined to elucidate the rules governing the temporal dimension of the right The Six Day War 1967 the Israeli bombing of an Iraqi reactor 1981 the US invasion of Iraq 2003 and other instances of state practice are given thorough attention

Civility, Barbarism and the Evolution of International Humanitarian Law Matt Killingsworth,Tim McCormack,2024-02-01 Efforts to moderate conflict are as old as conflict itself Throughout the ages restraint in warfare has been informed by religious and ethical considerations chivalry and class and increasingly since the mid 19th century a body of customary and treaty law variously referred to as the laws of war the law of armed conflict LOAC or international humanitarian law IHL As they evolved from the mid 19th century these laws were increasingly underpinned by humanitarianism then in the mid 20th century were assumed to be universal But violations of these restraints are also as old as conflict itself The history of conflict is replete with examples of exclusions from protections designed to moderate warfare This edited volume explores the degree to which protections in modern warfare might be informed by notions of civility and barbarism or to put it another way asks if only those deemed to be civilised are afforded protections prescribed by the laws of war

Neutrality in World History Leos Müller,2019-01-10 Neutrality in World History provides a cogent synthesis of five hundred years of neutrality in global history Author Leos Müller argues that neutrality and neutral states such as Switzerland Sweden Belgium have played an important historical role in implementing the free trade paradigm shaping the laws of nations and humanitarianism and serving as key global centers of trade and finance Offering an intriguing alternative to dominant world history narratives which hinge primarily on the international relations and policies of empires and global powers Neutrality in World History provides students with a distinctive introduction to neutrality s place in world history

The Use of Force and the International Legal System Terry D. Gill,Kinga Tibori-Szabó,2023-12-21 This book provides accessible in depth coverage and analysis of how international law regulates the use of force through an intra disciplinary perspective Using a modernized legal positivist approach it offers a

unique focus on the relationship and functions of jus ad bellum within the wider legal landscape The Magazine of American History with Notes and Queries ,1877 **An Intellectual History of Terror** Mikkel Thorup,2010-06-30 This book investigates terrorism and anti terrorism as related and interacting phenomena undertaking a simultaneous reading of terrorist and statist ideologists in order to reconstruct the deadly dialogue between them This work investigates an extensive array of violent phenomena and actors trying to broaden the scope and ambition of the history of terrorism studies It combines an extensive reading of state and terrorist discourse from various sources with theorizing of modernity s political institutional and ideological development forms of violence and its guiding images of self and other order and disorder Chapters explore groups of actors terrorists pirates partisans anarchists Islamists neo Nazis revolutionaries soldiers politicians scholars as well as a broad empirical source material and combine them into a narrative of how our ideas and concepts of state terrorism order disorder territory violence and others came about and influence the struggle between the modern state and its challengers The main focus is on how the state and its challengers have conceptualized and legitimated themselves defended their existence and most importantly their violence In doing so the book situates terrorism and anti terrorism within modernity s grander history of state war ideology and violence This book will be of much interest to students of critical terrorism studies political violence sociology philosophy and Security Studies IR in genera Mikkel Thorup is Assistant Professor at the Institute of Philosophy and the History of Ideas University of Aarhus Denmark **The History of the World: Comprising a General History, Both Ancient and Modern, of All the Principal Nations of the Globe, Their Rise, Progress, and Present Condition** Samuel Maunder,1860 *The Scots Magazine, Or, General Repository of Literature, History, and Politics* ,1761 A History of English Law: Book IV (1485-1700). The common law and its rivals Sir William Searle Holdsworth,1924 International Law Malcolm David Evans,2006 INTRODUCTION PERSPECTIVES ON INTERNATIONAL LAW From the International Civil Servant From the National Diplomat From the International Court From the National Court From the Bar From Practice I THE HISTORY AND THEORY OF INTERNATIONAL LAW 1 A Short History of International Law 2 **The Journal of Military History** ,2006-07

War And The Law Of Nations A General History Introduction

In the digital age, access to information has become easier than ever before. The ability to download War And The Law Of Nations A General History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download War And The Law Of Nations A General History has opened up a world of possibilities. Downloading War And The Law Of Nations A General History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading War And The Law Of Nations A General History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download War And The Law Of Nations A General History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading War And The Law Of Nations A General History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading War And The Law Of Nations A General History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download War And The Law Of Nations A General History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About War And The Law Of Nations A General History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. War And The Law Of Nations A General History is one of the best book in our library for free trial. We provide copy of War And The Law Of Nations A General History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with War And The Law Of Nations A General History. Where to download War And The Law Of Nations A General History online for free? Are you looking for War And The Law Of Nations A General History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another War And The Law Of Nations A General History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of War And The Law Of Nations A General History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with War And The Law Of Nations A General History. So depending on

what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with War And The Law Of Nations A General History To get started finding War And The Law Of Nations A General History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with War And The Law Of Nations A General History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading War And The Law Of Nations A General History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this War And The Law Of Nations A General History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. War And The Law Of Nations A General History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
