

War Of Words Abraham Lincoln And The Civil War Press

J. Charles Sterin, Tameka Winston

War Of Words Abraham Lincoln And The Civil War Press:

War of Words Harry J. Maihafer, 2001-11-01 A shrewd politician Abraham Lincoln recognized the power of the press He knew that at most a few thousand people might hear one of his speeches in person but countless readers across the nation would absorb his message through newspapers While he was always under fire by some hostile portion of the openly partisan nineteenth century media through the careful cultivation of relationships Lincoln successfully wooed numerous prominent newspapermen into aiding his agenda Whether he was editing his own speech in a newspaper office or inviting reporters to the White House to leak a story the President skillfully steered the Union through the perils of war by playing his own version of the public relations game

The Gettysburg Gospel Gabor Boritt, 2008-02-05 Describes the events surrounding Abraham Lincoln's historic speech following the Battle of Gettysburg in July 1863 how he responded to the politics of the time and the importance of that speech

Major General Alexander M. McCook, USA Wayne Fanebust, 2012-12-10 Alexander M McCook one of the youngest major generals in the Union army was a member of a patriotic family from Ohio that became known as the Fighting McCooks He participated in some of the bloodiest campaigns of the Civil War including Bull Run Shiloh Perryville Stones River and Chickamauga In battle McCook could be rash and reckless but his personal courage was beyond reproach even as his career was marked by controversy Subjected to an inquiry into his conduct at the battle of Chickamauga he was cleared of all charges but relieved of command to spend the remainder of the war in relatively minor assignments This biography focusing especially on McCook's Civil War service fills out the full picture of a proud if clouded career

The Partisan Press Si Sheppard, 2007-11-19 This book is the first to place the contemporary debate over media bias in historical context illustrating how partisan bias in the American media has built political parties set the stage for several wars and even contributed to the rise and fall of U S presidents The author discusses the rise of the unprecedented post World War II model of objective journalism and explains why this model is breaking down under the challenge of a new generation of technology driven partisan media alternatives

[Lincoln's First Crisis](#) William Bruce Johnson, 2020-07-21 Lincoln's First Crisis concerns five of the most consequential months in American history December 1860 through April 1861 When Abraham Lincoln swore his oath as president the United States was disintegrating Seven states had seceded and as many as eight seemed poised to join them depending upon how the new president handled the secession crisis and its flashpoint Fort Sumter in South Carolina the heart of the rebellion The fate of the republic hung in the balance The Sumter crisis has been hotly debated and deeply researched for more than 150 years In this thoughtful reassessment William Bruce Johnson combines thorough research and the latest historiography with a litigator's methodical analysis and a storyteller's eye for meaningful detail Shortly after taking office Lincoln decided upon a plan to avoid war with the seceded states while keeping his inaugural promise to maintain a Union military presence in the South Because he chose not to reveal his plan to anyone rumors soon spread that he was simply afraid to act One source of such rumors was Lincoln's

secretary of state William Henry Seward Resentful that Lincoln had deprived him of the Republican nomination and convinced that Lincoln lacked the political sophistication necessary to deal with the secession crisis Seward decided to negotiate with the Confederacy on his own and in secret General Winfield Scott meanwhile the Union's most senior military officer had for a decade depended upon Seward for political advice and now considered himself under orders from Seward not the president Johnson traces how Seward and Scott sabotaged Lincoln's plan From this account from his examination of various personalities such as that of Fort Sumter's commander Major Robert Anderson and from his granular research into aspects of the Order of Battle in Charleston Johnson has here constructed a new narrative of this crucial period culminating in a new theory of how and why the Civil War began as it did and how and why if the new president's orders had been properly carried out by Seward and Scott it might have been averted

Lincoln Mediated Gregory Borchard, David W. Bulla, 2017-07-05 Lincoln Mediated provides new information about a historical figure everyone thinks they know It describes how Abraham Lincoln worked with the press throughout his political career beginning with his service in Congress in the late 1840s and detailing how his ties to newspapers in Illinois New York and Washington played a central role in the success of his presidency Gregory A Borchard and David W Bulla study how Lincoln used the press to deliver his written and spoken messages how editors reacted to the president and how Lincoln responded to their criticism Reviewing his public persona through the lens of international media and visually based sources a fascinating profile emerges The authors cite the papers of Lincoln the letters of influential figures and content from leading newspapers The book also features nineteenth century illustrations and photographs Lincoln Mediated ties the president's story directly to the press illuminating his role as a writer and as a participant in making the news Lincoln's legacy cannot be understood without understanding the role the press played in helping shape how he was viewed As the authors show Lincoln was a man not just a political figure Lincoln Mediated is a worthy addition to Transaction's Journalism series

The Mythic Mr. Lincoln Jeff O'Bryant, 2021-09-15 Honest Abe The rail splitter The Great Emancipator Old Abe These are familiar monikers of Abraham Lincoln They describe a man who has influenced the lives of everyday people as well as notables like Leo Tolstoy Marilyn Monroe and Winston Churchill But there is also a multitude of fictional Lincolns almost as familiar as the original time traveler android monster hunter This book explores Lincoln's evolution from martyred president to cultural icon and the struggle between the Lincoln of history and his fictional progeny He has been Simpsonized by Matt Groening charmed by Shirley Temple and emulated by the Lone Ranger Devotees have attempted to clone him or to raise him from the dead Lincoln's image and memory have been invoked to fight communism mock a sitting president and sell products Lincoln has even been portrayed as the greatest example of goodness humanity has to offer In short Lincoln is the essential American myth

Journalism in the Fallen Confederacy Debra Reddin van Tuyl, 2015-05-27 During the American Civil War several newspapers remained Confederate sympathizers despite their locations being occupied by Union troops Examining these papers the authors explore what

methods of suppression occupiers used how occupation influenced the editorial and business sides of the press and how occupation impacted freedom of the press

Seeding Civil War H. Craig Miner, 2008 Following the passage of the Kansas Nebraska Act Kansas Territory was a national issue that dominated America's press not to mention three sessions of Congress Craig Miner now offers the first in depth study of national media coverage devoted to the beleaguered territory unearthing new examples of what Americans were saying about Kansas and showing how those words affected the course of national events Miner draws on dozens of newspapers and magazines from all parts of the country and of all political persuasions a trove of rich quotations and unvarnished epithets nearly all of them published here for the first time He reveals how the heated polarizing rhetoric widened the sectional rift weakened chances of accommodation and contributed more to the onset of civil war than has been previously recognized

BOOK JACKET

A Companion to American Military History James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

President Lincoln William Lee Miller, 2009-01-06 In his acclaimed book *Lincoln's Virtues* William Lee Miller explored Abraham Lincoln's intellectual and moral development Now he completes his ethical biography showing how the amiable and inexperienced backcountry politician was transformed by constitutional alchemy into an oath bound head of state Faced with a radical moral contradiction left by the nation's Founders Lincoln struggled to find a balance between the universal ideals of Equality and Liberty and the monstrous injustice of human slavery With wit and penetrating sensitivity Miller brings together the great themes that have become Lincoln's legacy preserving the United States of America while ending the odious institution that corrupted the nation's meaning and illuminates his remarkable presidential combination indomitable resolve and supreme magnanimity

The Problem of the Media Robert D. McChesney, 2004-03-01 The symptoms of the crisis of the U S media are well known a decline in hard news the growth of infotainment and advertorials staff cuts and concentration of ownership increasing conformity of viewpoint and suppression of genuine debate McChesney's new book *The Problem of the Media* gets to the roots of this crisis explains it and points a way forward for the growing media reform movement Moving consistently from critique to action the book explores the political economy of the media illuminating its major flashpoints and controversies by locating them in the political economy of U S capitalism It deals with issues such as the declining quality of journalism the question of bias the weakness of the public broadcasting sector and the limits and possibilities of antitrust legislation in regulating the media It points out the ways in which the existing media system has become a threat to democracy and shows how it could be made to serve the interests of the majority McChesney's *Rich Media Poor Democracy* was hailed as a pioneering analysis of the way in which media had come to serve the interests of corporate profit rather than public enlightenment and debate Bill Moyers commented If Thomas Paine were around he would have written this book *The Problem of the Media* is certain to be a landmark in media studies a vital resource for media activism and essential reading for concerned scholars and citizens everywhere

Mass Media Revolution J. Charles Sterin, Tameka Winston, 2017-11-22 Now in its Third Edition *Mass Media Revolution* remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards

Vicksburg Donald L. Miller, 2020-10-20 Winner of the Civil War Round Table of New York's Fletcher Pratt Literary Award Winner of the Austin Civil War Round Table's Daniel M

Marilyn W Laney Book Prize Winner of an Army Historical Foundation Distinguished Writing Award A superb account The Wall Street Journal of the longest and most decisive military campaign of the Civil War in Vicksburg Mississippi which opened the Mississippi River split the Confederacy freed tens of thousands of slaves and made Ulysses S Grant the most important general of the war Vicksburg Mississippi was the last stronghold of the Confederacy on the Mississippi River It prevented the Union from using the river for shipping between the Union controlled Midwest and New Orleans and the Gulf of Mexico The Union navy tried to take Vicksburg which sat on a high bluff overlooking the river but couldn't do it It took Grant's army and Admiral David Porter's navy to successfully invade Mississippi and lay siege to Vicksburg forcing the city to surrender In this elegant enlightening well researched and well told Publishers Weekly work Donald L Miller tells the full story of this year long campaign to win the city with probing intelligence and irresistible passion Booklist He brings to life all the drama characters and significance of Vicksburg a historic moment that rivals any war story in history In the course of the campaign tens of thousands of slaves fled to the Union lines where more than twenty thousand became soldiers while others seized the plantations they had been forced to work on destroying the economy of a large part of Mississippi and creating a social revolution With Vicksburg Miller has produced a model work that ties together military and social history Civil War Times Vicksburg solidified Grant's reputation as the Union's most capable general Today no general would ever be permitted to fail as often as Grant did but ultimately he succeeded in what he himself called the most important battle of the war the one that all but sealed the fate of the Confederacy

Citizen Lincoln Ward McAfee, 2004 In modern times some critics have belittled Abraham Lincoln's antislavery resolve as shallow Some have portrayed him as a passive president waiting upon the bold initiatives of others Citizen Lincoln regards him differently First it portrays Lincoln's animus against slavery as rooted in the highest ideals of the American Revolution which he saw as being corrupted in his own time Second it analyses Lincoln's supposed passivity as more aptly defined as wise caution Lincoln learned as a legislator first in Illinois and later in the United States Congress that bold initiatives often backfire and fail to fulfil original intentions In the state legislature Lincoln supported a dramatic internal improvements project that collapsed in the midst of a national depression Lincoln also boldly opposed the Mexican War in Congress only to see his cause evaporate as soon as a peace treaty was drafted with Mexico In both instances his timing was faulty He had rushed into taking rigid policy positions when greater caution would have reaped better results But in both instances he learned lessons that would hold him in good stead later Lincoln as president was wisely cautious knowing that bold action could only disrupt the delicate coalition that kept the Union cause moving forward to victory Harriet Beecher Stowe described Lincoln's unique strength as swaying to every influence yielding on this side and on that to popular needs yet tenaciously and inflexibly bound to carry its great end She wisely added that no other kind of strength could have seen the nation through the worst trial in its history In filling this role Abraham Lincoln fulfilled that which he had long regarded as his personal mission within the larger context of his nation's providential destiny **The**

Political Economy of Media Robert W. McChesney, 2008-05 The influence of media on society is unquestioned Its reach penetrates nearly every corner of the world and every aspect of life But it has also been a contested realm embodying class politics and the interests of monopoly capital In *The Political Economy of Media* one of the foremost media critics of our time Robert W McChesney provides a comprehensive analysis of the economic and political powers that are being mobilized to consolidate private control of media with increasing profit all at the expense of democracy In this elegant and lucid collection McChesney examines the monopolistic competition that has created a global media that is ever more concentrated and centralized McChesney reveals why questions about the ownership of commercial U S media remain off limits within the political culture how private ownership of media leads to the degradation of journalism and suppression of genuine debate and why corporate rule threatens democracy by failing to provide the means for an educated and informed citizenry *The Political Economy of Media* also highlights resistance to corporate media over the last century including the battle between broadcasters and the public in the 1920s and 1930s and the ongoing media reform movement today *The Political Economy of Media* makes it clear that the struggle over the ownership and the role of media is of utmost importance to everyone *The Lincoln-Douglas Debates and the Making of a President* Timothy S. Good, 2014-11-21 The Lincoln Douglas senatorial debates of 1858 marked a significant crossroads in the political career of Abraham Lincoln Though he lost the United States senate seat for Illinois to Stephen A Douglas the debates launched Lincoln into political prominence and eventually contributed to his successful run for the presidency This work reveals Lincoln s political evolution during the debates through a narrative approach evaluating his debate strategy and seemingly inconsistent views on slavery and racial inequality Organized chronologically the book examines each of the seven debates individually acknowledging Lincoln s disappointing turns at Jonesboro and Charleston but celebrating his powerful comeback at Alton in the final senatorial debate *Lesser Civil Wars* Marsha R. Robinson, 2012-12-05 *Lesser Civil Wars* *Civilians Defining War and the Memory of War* is an edited volume that surveys three hundred years of the Memory of war and the Will to war in the greater Ohio River Valley and Great Lakes region Military theorists from von Clausewitz to Dingiswayo and Chandragupta calculated the Will of their own soldiers and of the enemy s soldiers Sometimes the Will is assigned an erroneously low strength as Abraham Lincoln learned quickly at the onset of the United States Civil War In this volume we examine the civilian production of the national Will to fight future wars through the least civil war each individual s war to remember or to forget and no armistice or accord brings this internal battle to an end This is not a book about the atrocities committed during war This is a book about the very nature of the Will Memory Will cycle where the Memory of war continues for generations until a new war requires the resurrection of the Will As these essays show sometimes it only takes a few individuals to prosecute these Memory wars with rules of engagement that do not necessarily include civil behavior By focusing on microhistories from a specific region and by bracketing the US Civil War with an essay about a century prior to it and essays about the century following it we are able to

demonstrate the power and energy of the incubating stage of Memory in the Will Memory Will cycle In the greater Ohio River Valley and Great Lakes region ordinary civilians controlled and incubated the memories of the Iroquois Wars the French and Indian Sevens Years War 1756 1763 the American Revolution 1776 1783 and the War of 1812 and they converted Memory into the Will to fight the US Civil War and the Vietnam War In these chapters we present micro wars between civilians over control of the Will of a nation They are indeed lesser civil wars **Franklin D.Roosevelt and Abraham Lincoln** William D. Pederson, Michael R Williams, 2016-07-08 Abraham Lincoln and Franklin D Roosevelt are widely considered the two greatest presidents of the past two centuries How did these two very different men rise to power run their administrations and achieve greatness How did they set their policies rally public opinion and transform the nation Were they ultimately more different or alike This anthology compares these two presidents and presidencies examining their legacies leadership styles and places in history

War Of Words Abraham Lincoln And The Civil War Press Introduction

In today's digital age, the availability of War Of Words Abraham Lincoln And The Civil War Press books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of War Of Words Abraham Lincoln And The Civil War Press books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of War Of Words Abraham Lincoln And The Civil War Press books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing War Of Words Abraham Lincoln And The Civil War Press versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, War Of Words Abraham Lincoln And The Civil War Press books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing War Of Words Abraham Lincoln And The Civil War Press books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for War Of Words Abraham Lincoln And The Civil War Press books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, War Of Words Abraham Lincoln And The Civil War Press books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of War Of Words Abraham Lincoln And The Civil War Press books and manuals for download and embark on your journey of knowledge?

FAQs About War Of Words Abraham Lincoln And The Civil War Press Books
