The Really Useful Drama Book Roger McDonald, 2017-07-14 The Really Useful Drama Book offers busy primary school teachers a collection of step by step drama sessions inspired by high quality picturebooks that will engage children and promote enjoyable learning across the curriculum Lively and thoughtful the interactive drama sessions are structured around a wide range of texts including wordless picturebooks postmodern picturebooks short stories well known texts by recognisable authors and some you may not have come across before all chosen for their power to foster curiosity The step by step sessions can also be adapted to incorporate your own ideas and passions allowing you to structure them for the topics you re exploring with your class Each session is structured around two texts and offers a guide to the drama strategies used teaching objectives ideas for writing opportunities problems emotions and challenges to explore and a clear guide to exploring each text Ten key themes are explored Suspense Prejudice Friendship Rhyme and rhythm War and conflict Nature Overcoming fear Possessions and obsessions Dreams Short stories With a focus on the crucial role of imagination in the classroom The Really Useful Drama Book helps reclaim a purposeful passionate pedagogy and shows teachers how drama can place children right at the heart of a story encouraging their desire to ask questions solve problems and search out new information

Reading Raps Rita Soltan, 2005-12-30 Book clubs are sprouting up all over and so are book club guides but not all book club guides are equal Many focus on a specific type of book club or they take a generic approach of one size fits all and most do not take into account the special needs of librarians and educators working with young readers This guide has it all and it will help you ensure that your book club meetings are both fun and educational Focusing on children in grades 3 8 and their families the book offers 100 ready made book club instructions for popular children s and YA titles from newer releases such as Theresa Nelson s Ruby Electric and Blue Balliett s Chasing Vermeer to perennial favorites and award winning classics such as Johanna Hurwitz s Much Ado about Aldo and Gary Soto s Baseball in April and Other Stories Along with thought provoking discussion questions you ll find all the background information you need to conduct lively book discussions with a variety of readers plot summary themes and characters description genre reading level author and award information related reads and more The guide describes four types of family oriented book clubs family mother daughter father son and readers rap as well as a book club for kids only The author provides practical instructions for making each type of book club successful For each title she provides a plot summary characterization sketches questions to use for provocative discussion and follow up bibliographies on similar reads Notes on genres themes and reading levels are also provided The selected titles reflect some of the best most current and most popular children s literature In addition a broad scope of genres and multicultural titles are included Perfect for public library programs and after school book clubs this is a one stop resource with practical ready made plans that can easily be adapted to multiple environments Grades 3 8

Understanding Children's Books Prue Goodwin, 2008-06-24 Children s books play a vital role in education and this

book helps you to choose books that have the most to offer young children Each chapter reflects on a different theme or genre and their role in educational settings and recommends ten must reads within each one The themes covered include books for babies literature for the very young narrative fiction books in translation poetry picture books graphic texts Early years professionals childcare professionals and teachers working from nursery to Key Stage 3 will find this book a fascinating and useful resource

Teaching Primary English in Australia Eve Bearne, David Reedy, Paul Gardner, Yvonne Sawers, 2023-12-11 This first Australian edition of Teaching Primary English has been updated and adapted to reflect the Australian sociocultural and educational context This text provides a comprehensive evidence informed introduction to teaching and learning English in the primary school classroom New content refers to the Australian English Curriculum and incorporates Aboriginal and Torres Strait Islander perspectives and literacy perspectives relevant to the Asia Pacific region as well as the broader international context This edition also includes a new section devoted to visual literacy critical literacy and multimodality Teaching advice and ideas are supported by practical examples linked to video clips filmed in real schools reflective activities observational tasks and online resources Each section includes suggestions for great children s literature and offers assessment advice and support for planning for diversity and special educational needs Drawing on the very latest research and theory supported by practical examples and guidance this is an essential resource for pre service teachers as they develop subject knowledge and the skills and confidence to deliver effective and engaging classroom practice
