Now a Netflix series. When a tragic accident leads Jackie to move into a house filled with eleven boys, she gets far more than she ever expected. This sweet YA romance is perfect for fans of Kasie West and Jenny Han and is one of the most beloved Wattpad books ever. Moving in with eleven boys was not part of the plan. Jackie's goal is perfection: perfect grades, the perfect look, getting into the perfect school. If she can achieve that, then maybe her too busy mom and dad will take notice. But when her parents die in a tragic accident, Jackie is shipped off across the country to live with the Walters, her new guardians who just happen to have eleven sons plus a daughter who is basically one of the boys. The Walter boys are loud, dirty, annoying, and okay, some of the older boys might be Greek god level hot, but they don't think a city girl belongs on their horse ranch. How is Jackie supposed to fit into their chaotic world when she needs to keep her parents' memory alive by living up to the promise of perfect? But as Jackie spends more time with the Walter boys, she begins to wonder if the perfection she's always strived for isn't the only way to find love after all. Funny and moving. *My Life with the Walter Boys* is perfect for readers looking for Wattpad love stories, contemporary romance for teens, binge worthy YA novels, relatable characters. **One True Love** Linda Kage, 2022-05-03 Custom demanded that Prince Urban get a love mark tattooed to the side of his left eye as an infant, just like the rest of his people. But to him, the stupid things have only brought on the scorn of his father, the misery of his siblings, and caused his entire kingdom to go broke from fighting so many wars over the irritating ink stains. When Urban's sister must travel to Donnelly, the kingdom within the sand, for her arranged marriage to align two realms, he goes with her. But he no sooner steps foot inside their castle than his mark starts itching like a son of a bitch, telling him his one true love is near. It just figures though that the woman meant for him is completely forbidden. Now he must decide if he should ignore the persistent mark telling him she's the one in order to avoid a possible war between kingdoms, or if he should discover whether she's worth risking everything for so they can be together. Either way, his life gets sucked into chaos with threats of beheadings, dark magic, lurking castle traitors, scheming, and sword fights.
