The Clinical Practice of Master Tung's Acupuncture L Robert Chu Phd,2016-10-18 In this book I use a lot of standard acupuncture points along with Master Tung s acupuncture and emphasize the use of channels and imaging for optimal clinical use If a practitioner can use this work they can have a turnkey approach in the clinic simply by implementing these acupuncture and herbal protocols The idea is for each disease I have installed cheat sheets for the practitioner to immediately refer to and try to insert needles and prescribe herbs for The fifth in the series of Master Tung s Acupuncture books the idea is for someone to start with the Master Tung s Primer The Best of Master Tung s Acupuncture Master Tung s Acupuncture for Pain and Master Tung s Acupuncture for Internal Medicine Disorders With this manual we will discuss the use of Master Tung s Acupuncture with herbals for even greater clinical success The book is composed of monographs on each disease best points to treat the problem and high percentage success herbal prescriptions to give the patient as homework Unique is that we only use a handful of both TCM and Master Tung points and a small amount of herbal formulas for a turnkey approach to a clinic This can be used as a roadmap for the new clinician improve clinical success for the intermediate practitioner or provide an alternative approach for the seasoned veteran
