suggestions for undergraduate and graduate courses in American ethnic American and Asian American literature and cultural studies **Karen Tei Yamashita** A. Robert Lee, 2018-04-30 Karen Tei Yamashita's novels, essays, and performance scripts have garnered considerable praise from scholars and reviewers and are taught not only in the United States but in at least half a dozen countries in Asia, South America, and Europe. Her work has been written about in numerous disciplines in the humanities and social sciences. *Fictions of Magic and Memory* is the first anthology given over to Yamashita's writing. It contains newly commissioned essays by established international scholars, a recent interview with the author, a semiautobiographical keynote address delivered at an international conference that ruminates on her Japanese American heritage, and a full bibliography. The essays offer fresh and in-depth readings of the magic realist canvas of *Through the Arc of the Rain Forest* (1990), the Japanese emigrant portraiture of *Brazil Maru* (1992), Los Angeles as a rambunctious geopolitical and transnational fulcrum of the Americas in *Tropic of Orange* (1997), the fraught relationship of Japanese and Brazilian heritage and labor in *Circle K Cycles* (2001), Asian American history and politics of the 1960s in *I Hotel* (2010), and *Anime Wong* (2014), a gallery of performativity illustrating the contested and inextricable nature of East and West. This essay collection explores Yamashita's use of the fantastical, the play of emerging transnational ethnicity, and the narrative tactics of reflexivity and bricolage in storytelling located on a continuum of the unique and the communal of the past and the present, and that are mapped in various spatial and virtual realities **Understanding Karen Tei Yamashita** Jolie A.

Sheffer, 2020-02-18 Among the most trenchant and provocative writers of globalization, Karen Tei Yamashita is one of the most significant, ambitious, and widely taught Asian American writers today. In four genre-bending novels, a short story collection, travel essay collage, a family memoir, and more than a dozen performance theater works, Yamashita weaves together postmodernism, magical realism, history, social protest, and a wicked sense of humor. Her fictions challenge familiar literary tropes, especially those expected of multicultural writers, such as the now clichéd conflict between first-generation immigrants and their American-born children. Instead, her canvas is global, conjuring the unexpected intimacies and distances created by international capitalism as people and goods traverse continents in asymmetrical circuits. Highlighting the connections between neoliberal economic policies, environmental devastation, and climate change, anti-immigrant rhetoric, urban gentrification, and other issues that disproportionately affect historically underinvested and minority communities, Yamashita brings a uniquely transnational perspective to her portrayal of distinctly American preoccupations. Sheffer gives readers a concise introduction to Yamashita's life, provides lucid analysis of key motifs, and synthesizes major research on her work. Each chapter offers in accessible prose original interpretations of essential works and stages in her career: her *Brazil*–*Japan* migration trilogy comprising *Brazil Maru*, *Through the Arc of the Rain Forest*, and *Circle K Cycles*; the magical realist revision of the Los Angeles riots in *Tropic of Orange*; her historical magnum opus about Asian American activism in the long 1960s, *I Hotel*; her understudied theatrical and performance works collected in *Anime Wong*; and her recent familial memoir
