Richard Lentz

Thunder On The Right:

Thunder on the right Mary Stewart,1960 *Thunder on the Right* Ssb Mary Stewart,2011-01-20 **Mad as Hell** Dominic Sandbrook,2012-02-14 I m mad as hell and I m not going to take it anymore The words of Howard Beale the fictional anchorman in 1976 s hit film *Network* struck a chord with a generation of Americans In this colourful new history Dominic Sandbrook ranges seamlessly over the political economic and cultural high and low points of American life in the 1970s exploring the roots of the fears resentments cravings and disappointments we know so well today From Richard Nixon and Ronald Reagan to Anita Bryant and Jerry Falwell he shows how the 1970s saw the emergence of a new right wing populism setting the stage for the bitter partisanship and near total cynicism of our modern political landscape **Massacre at St. Louis** Kenneth E. Burchett,2024-08-02 In 1861 Union Brigadier General Nathaniel Lyon marched through the divided slave state Missouri en route to St Louis Lyon was to arrest a state militia unit at Camp Jackson that planned to raid a federal arsenal in the city Upon capturing the men Lyon s troops encountered crowds of hostile citizens and after a gun shot they fired on the mob killing at least 28 civilians in what is now known as the Camp Jackson affair or the St Louis massacre In this book the author describes partisan activities leading to hostilities promotes awareness about the history of slavery in America and explores political divisions still evident in American culture Previously unpublished materials about Governor Claiborne Jackson are included as well as the role of Montgomery Blair in the fight for Missouri an analysis of the number of arms in the St Louis Arsenal and the unknown total number of casualties of the St Louis massacre *News on the Right* Anthony M. Nadler,Andrew Joseph Bauer,2020 From the National Review to Breitbart from Fox News to Rush Limbaugh conservative news is an inescapable feature of modern politics Since the early days of mass communication right wing media producers have blended reporting with commentary narrating the news of the day from a perspective informed by conservative worldviews and partisanship *News on the Right* seeks to initiate a new interdisciplinary field of scholarly research focused on the study of right wing media and conservative news Editors Anthony Nadler and A J Bauer gather a range of voices presenting an interdisciplinary investigation into the practices and patterns of meaning making in the production circulation and consumption of conservative news Traversing journalism media and communication studies cultural studies history political science and sociology this volume utilizes a variety of qualitative and quantitative research methods to elucidate case studies of conservative news cultures in the US and UK Together these perspectives show that a fuller understanding of right wing media and its effects can be reached by treating these phenomena as deeply interwoven into many conservatives lives and political sensibilities **To the Right** Jerome L. Himmelstein,2023-04-28 In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s Himmelstein provides an interpretive map of the political landscape over the past decades showing how conservatives ascended to power by reconstructing their ideology and building

an independent movement This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s Himmelstein provides an interpretive map of the politi The Big Rich Bryan Burrough,2009

Recounts how Texas oil transformed wealth and power in America through the stories of the state's four most influential oil families tracing how they rose from modest backgrounds shaped the government and bankrolled the rise of modern conservatism

Symbols, the News Magazines and Martin Luther King Richard Lentz,1999-03-01 More than two decades after his death Martin Luther King Jr remains America's preeminent symbol of the civil rights movement In the early years of the movement King advocated a policy of nonviolent resistance to the racism ingrained in American society In later years however King adopted a more militant stance toward racial and other forms of injustice In this innovative book Richard Lentz considers King as a cultural symbol from the Montgomery bus boycott of 1955-1956 to the Poor People's Campaign which King helped organize shortly before his assassination in 1968 In particular Lentz examines the ways the three major news weeklies Newsweek Time and U S News World Report presented King to their readers It is primarily through media institutions that Americans shape and interpret their values Newsweek Time and U S News though representing different shadings of political ideology ranging from left of center to conservative were all aimed at the same audience middle class Americans Therefore their influence on the nation's values during a period of enormous social upheaval was significant In the mid 1960s when King shifted from reform to radicalism the news magazines were thrust into what Lentz calls a crisis of Symbols because King no longer fit the symbolic mold the magazines had created for him Lentz investigates how the magazines responded to this crisis discussing the ways in which their analyses of King shifted over time and the means they employed to create a new symbolic image that made sense of King's radicalization for readers This is an important perceptive study of Martin Luther King Jr's career and an astute critical analysis of the reporting practices of the news media in the modern era

Outrageous Kliph Nesteroff,2023-11-28 From the preeminent historian of comedy an expansive history of show business and the battles over culture that have echoed through the decades and changed the United States *Outrageous* is required reading An essential book of the social history of the United States with laughs Steve Martin There is a common belief that we live in unprecedented times that nobody got offended in the past that people are simply too sensitive today that racism and sexism were once widely accepted without objection The truth is precisely the opposite With every step of our cultural history minorities have pushed back against racist portrayals women have fought for respect and people have sought to change the world of entertainment and beyond through a combination of censorship advocacy or protest Likewise

opposing forces have sought to sway public opinion and shape culture through violence and political and economic pressure Kliph Nesteroff author of *The Comedians* and *We Had a Little Real Estate Problem* presents a deep dive into the history of show business and illustrates both how our world has changed and how the fierce battlegrounds of today are reflected in our past *Outrageous* is a crucial and timeless book filled with surprising details remarkable anecdotes and unforgettable characters including figures we think we know such as Mae West Roscoe Fatty Arbuckle and Stan Laurel who tried to bury his wife alive but still wasn't cancelled and others readers may never have heard of [America's Right Turn](#) William C. Berman, 1998-05-22 Historian William Berman examines the political cultural and economic contexts in which Republican conservatives operated and explores the crisis of the liberal welfare state against the background of presidential politics In this new edition Berman discusses the initial failure of the Clinton administration to establish a viable political alternative to the GOP

Thunder On The Right Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable.
