Tinkers Synge And The Cultural History Of The Irish Traveller:

'Tinkers' Mary Burke,2009-07-16 Irish playwright J M Synge created influential but misunderstood representations of travellers or tinkers This work traces the history of the tinker back to medieval Irish historiography and English Renaissance literature and forward to contemporary US screen depictions **'Tinkers'** Mary M. Burke,2009 Irish playwright J M Synge created influential but misunderstood representations of travellers or tinkers This work traces the history of the tinker back to medieval Irish historiography and English Renaissance literature and forward to contemporary US screen depictions

Irish Travellers Jane Leslie Helleiner,2000-01-01 Helleiner s study documents anti Traveller racism in Ireland and explores the ongoing realities of Traveller life as well as the production and reproduction of contemporary Traveller collective identity and culture 'Tinkers' Mary Burke,2009-07-16 The history of Irish Travellers is not analogous to that of the tinker a Europe wide underworld fantasy created by sixteenth century British and continental Rogue Literature that came to be seen as an Irish character alone as English became dominant in Ireland By the Revival the tinker represented bohemian pre Celtic aboriginality functioning as the cultural nationalist counter to the Victorian Gypsy mania Long misunderstood as a portrayal of actual Travellers J M Synge s influential *The Tinker s Wedding* was pivotal to this Irishing of the tinker even as it acknowledged that figure s cosmopolitan textual roots Synge s empathetic depiction is closely examined as are the many subsequent representations that looked to him as a model to subvert or emulate In contrast to their Revival era romanticization post independence writing portrayed tinkers as alien interlopers while contemporaneous Unionists labelled them a contaminant from the hostile South However after Travellers politicized in the 1960s more even handed depictions heralded a querying of the tinker fantasy that has shaped contemporary screen and literary representations of Travellers and has prompted Traveller writers to transubstantiate Otherness into the empowering rhetoric of ethnic difference Though its Irish equivalent has oscillated between idealization and demonization US racial history facilitates the cinematic figuring of the Irish American Traveler as lovable white trash rogue This process is informed by the mythology of a population with whom Travelers are allied in the white American imagination the Scots Irish Ulster Scots In short the tinker is much more central to Irish Northern Irish and even Irish American identity than is currently recognised John Millington Synge Seán Hewitt,2021 A thorough re assessment of one of Ireland s major playwrights J M Synge 1871 1909 Using much previously undiscussed archival material the book takes each of Synge s plays and prose works tracing his journey from an early Romanticism to a later more combative modernism The Poor Bugger's Tool Patrick R. Mullen,2012-07-12 With the weakening moral authority of the Catholic Church the boom ushered in by the Celtic Tiger and the slow but steady diminishment of the Troubles in the North Ireland has finally stepped out from the shadows of colonial oppression onto the world stage as a major cosmopolitan country Taking its title from a veiled reference to Roger Casement the humanitarian and Irish patriot hanged for treason in James Joyce s *Ulysses* *The Poor Bugger s Tool* demonstrates how the affective labor of

Irish queer culture might contribute to a progressive new national image for the Republic and Northern Ireland Looking back to the first wave of Irish modernism in the works of Wilde Synge Casement and Joyce Patrick Mullen reveals how these authors deployed queer aesthetics to shape inclusive forms of national affiliation as well as to sharpen anti imperialist critiques In its second half the monograph turns its attention to Ireland s postmodernist boom in the works of Patrick McCabe Neil Jordan and Jamie O Neill With readings of *The Butcher Boy* *Breakfast on Pluto* and *At Swim Two Boys* Mullen shows that queer sensibilities and style remain key cultural resources for negotiating the political and economic realities of globalization at the turn of the twenty first century Buttressed by writings of theorists like Marx Foucault and Antonio Negri *The Poor Bugger s Tool* brings Irish literature into a fruitful dialog with queer theory postcolonial studies the history of sexuality and modernist aesthetics

Rethinking the Irish in the American South Bryan Albin Giemza,2013-06-03 Studies of the Irish presence in America have tended to look to the main corridors of emigration and hence outside the American South Yet the Irish constituted a significant minority in the region Indeed the Irish fascination expresses itself in southern context in powerful but disparate registers music literature and often a sense of shared heritage *Rethinking the Irish in the American South* aims to create a readable thorough introduction to the subject establishing new ground for areas of inquiry These essays offer a revisionist critique of the Irish in the South calling into question widely held understandings of how Irish culture was transmitted The discussion ranges from Appalachian ballads to *Gone with the Wind* to the Irish rock band U2 to Atlantic spanning literary friendships Rather than seeing the Irish presence as natural or something completed in the past these essays posit a shifting evolving and unstable influence Taken collectively they offer a new framework for interpreting the Irish in the region The implications extend to the interpretation of migration patterns to the understanding of Irish diaspora and the assimilation of immigrants and their ideas
