Tragic Encounters Peoples History Americans:

Tragic Encounters Page Smith, 2015-11-15 A fascinating new history of the Native Americans **Fully Human** Lindsey Kingston, 2019 Lindsey N Kingston critically considers how inequalities related to citizenship and recognition impact one's ability to claim fundamental human rights As a remedy she proposes the ideal of functioning citizenship which requires an active and mutually beneficial relationship between the state and the individual and necessitates the opening of political space for those who cannot be neatly categorized Ultimately **Fully Human** contends that we uncover limitations built into our current international system but also begin to envision a path toward the realization of human rights norms founded on universality and inalienability *In Good Faith* Scott A. Shay, 2018-09-04 Prominent atheists claim the Bible is a racist text Yet Dr Martin Luther King Jr read it daily Then again so did many ardent segregationists Some atheists claim religion serves to oppress the masses Yet the classic text of the French Revolution What is the Third Estate was written by a priest On the other hand the revolutionaries ended up banning religion What do we make of religion's confusing role in history And what of religion's relationship to science Some scientists claim that we have no free will Others argue that advances in neurobiology and physics disprove determinism As for whispering to the universe an absurd habit say the skeptics Yet prayer is a transformative practice for millions This book explores the most common atheist critiques of the Bible and religion incorporating Jewish Christian and Muslim voices The result is a fresh modern re-evaluation of religion and of atheism Scott A Shay is a Co Founder and Chairman of Signature Bank and a longstanding Jewish community activist Shay started a Hebrew school an adult educational program and chaired several Jewish educational programs He is the author of *Getting our Groove Back How to Energize American Jewry* and has been thinking about religion reason and modernity since wondering why his parents sent him to Hebrew school *Tragic Encounters* Page Smith, 2018 A fascinating new history of the Native Americans Explores the story of Native Americans from Jamestown to Wounded Knee and from coast to coast
