What Works for Workers? Stephanie Luce, Jennifer Luff, Joseph A. McCartin, Ruth Milkman, 2014-01-31 The majority of new jobs created in the United States today are low wage jobs and a fourth of the labor force earns no more than poverty level wages Policymakers and citizens alike agree that declining real wages and constrained spending among such a large segment of workers imperil economic prosperity and living standards for all Americans Though many policies to assist low wage workers have been proposed there is little agreement across the political spectrum about which policies actually reduce poverty and raise income among the working poor What Works for Workers provides a comprehensive analysis of policy measures designed to address the widening income gap in the United States Featuring contributions from an eminent group of social scientists What Works for Workers evaluates the most high profile strategies for poverty reduction including innovative living wage ordinances education programs for African American youth and better regulation of labor laws pertaining to immigrants The contributors delve into an extensive body of scholarship on low wage work to reveal a number of surprising findings Richard Freeman suggests that labor unions long assumed to be moribund have a fighting chance to reclaim their historic redistributive role if they move beyond traditional collective bargaining and establish new ties with other community actors John Schmitt predicts that the Affordable Care Act will substantially increase insurance coverage for low wage workers 38 percent of whom currently lack any kind of health insurance Other contributors explore the shortcomings of popular solutions Stephanie Luce shows that while living wage ordinances rarely lead to job losses they have not yet covered most low wage workers And Jennifer Gordon corrects the notion that a path to legalization alone will fix the plight of immigrant workers Without energetic regulatory enforcement she argues legalization may have limited impact on the exploitation of undocumented workers Ruth Milkman and Eileen Appelbaum conclude with an analysis of California's paid family leave program a policy designed to benefit the working poor who have few resources that allow them to take time off work to care for children or ill family members Despite initial opposition the paid leave program proved more acceptable than expected among employers and provided a much needed system of wage replacement for low income workers In the wake of its

success the initiative has emerged as a useful blueprint for paid leave programs in other states Alleviating the low wage crisis will require a comprehensive set of programs rather than piecemeal interventions With its rigorous analysis of what works and what doesn't What Works for Workers points the way toward effective reform For social scientists policymakers and activists grappling with the practical realities of low wage work this book provides a valuable guide for narrowing the gap separating rich and poor

The Encyclopedia of Restaurant Training Lora Arduser, Douglas Robert Brown, 2005
Book CD ROM Training is an investment for the future the only foundation on which success can be built Training delivers excellence in product and performance elevating a good restaurant into a great one Training will keep the skills of its employees and management sharp But in no other industry is its absence or presence as obvious as it is in the food service industry It is hard to find good qualified employees and even harder to keep them In addition unemployment levels are low and competition for qualified workers is tough What's the answer Training Constant training and re-enforcement keeps employees and management sharp and focused and demonstrates the company cares enough to spend time and subsequently money on them And that's precisely what this encyclopaedic book will do for you be your new training manager The first part of the book will teach you how to develop training programs for food service employees and how to train the trainer The book is full of training tips tactics and how to's that will show you proper presentation and how to keep learners motivated both during and after the training The second part of the book details specific job descriptions and detailed job performance skills for every position in a food service operation from the general manager to dishwasher There are study guides and tests for all positions Some of the positions include General Manager Kitchen Manager Server Dishwasher Line Cook Prep Cook Bus Person Host Hostess Bartender Wine Alcohol Service Kitchen Steward Food Safety Employee Safety Hotel Positions etc Specific instructions are provided for using equipment as well

Good Jobs America Paul Osterman, Beth Shulman, 2011-09-01 America confronts a jobs crisis that has two faces The first is obvious when we read the newspapers or talk with our friends and neighbors there are simply not enough jobs to go around The second jobs crisis is more subtle but no less serious far too many jobs fall below the standard that most Americans would consider decent work A quarter of working adults are trapped in jobs that do not provide living

wages health insurance or much hope of upward mobility The problem spans all races and ethnic groups and includes both native born Americans and immigrants But Good Jobs America provides examples from industries ranging from food services and retail to manufacturing and hospitals to demonstrate that bad jobs can be made into good ones Paul Osterman and Beth Shulman make a rigorous argument that by enacting policies to help employers improve job quality we can create better jobs and futures for all workers Good Jobs America dispels several myths about low wage work and job quality The book demonstrates that mobility out of the low wage market is a chimera far too many adults remain trapped in poor quality jobs Osterman and Shulman show that while education and training are important policies aimed at improving earnings equality are essential to lifting workers out of poverty The book also demolishes the myth that such policies would slow economic growth The experiences of countries such as France Germany and the Netherlands show that it is possible to mandate higher job standards while remaining competitive in international markets Good Jobs America shows that both government and the firms that hire low wage workers have important roles to play in improving the quality of low wage jobs Enforcement agencies might bolster the effectiveness of existing regulations by exerting pressure on parent companies enabling effects to trickle down to the subsidiaries and sub contractors where low wage jobs are located States like New York have already demonstrated that involving community and advocacy groups such as immigrant rights organizations social services agencies and unions in the enforcement process helps decrease workplace violations And since better jobs reduce turnover and improve performance career ladder programs within firms help create positions employees can aspire to But in order for ladder programs to work firms must also provide higher rungs the career advancement opportunities workers need to get ahead Low wage employment occupies a significant share of the American labor market but most of these jobs offer little and lead nowhere Good Jobs America reappraises what we know about job quality and low wage employment and makes a powerful argument for our obligation to help the most vulnerable workers A core principle of U S society is that good jobs be made accessible to all This book proposes that such a goal is possible if we are committed to realizing it

Marginalized Students Elizabeth M. Cox, Jesse S. Watson, 2011-10-18 Summary Gone are the days when the term diversity may have been used to solely signify the color of one's skin or gender This volume examines how diverse and marginalized populations are situated within American community colleges and pushes the boundaries of our understanding of these terms The editors and contributing authors examine various student groups as well as give voice to the marginalization felt by a group of faculty Topics include Examining the concept of student marginalization through a framework based on Dewey's 1916 work Democracy and Education Experiences of Adult English as Second Language learners Seeing the community college environment through the eyes of student athletes Current research on lesbian gay bisexual transgender and queer LGBTQ community college students and the need for more research Student veterans Underprepared college students And community college faculty in correctional institutions The volume concludes with key resources for anyone who works with or

researches marginalized populations The resources include sources for further reading existing organizations serving various marginalized groups and some possible funding opportunities **NSSB Work Wise** ,1997 Casino Management for the 90's Kathryn Hashimoto,Sheryl Fried-Kline,George G. Fenich,1996 The Guide to National Professional Certification Programs Philip M. Harris,2001 The job market continues to change Highly skilled and specialized workers are in demand Traditional education cannot meet all the needs to create specialty skill workers Certification provides up to date training and development while promoting individual or professional skills and knowledge in a focused manner Certification as a way of continuing professional education can also be more cost effective **1501 Ways to Reward Employees** Bob B. Nelson,2012-03-27 Today more than ever businesses need fresh ideas to nurture talent and retain employees enter 1 501 Ways to Reward Employees thoroughly revised updated and even more chockablock with ideas than 1 001 Ways to Reward Employees the groundbreaking national bestseller Adapted to meet the needs of an evolving workplace especially to deal creatively with virtual employees freelancers and permalancers international colleagues and the rule bending expectations of millennials its 1 501 low and no cost rewards and strategies are drawn from thousands of companies across the globe Ideas range from the informal Wells Fargo s thank you e cards and the offbeat JS Communications two free I Don t Want to Get Out of Bed Days to the formal J C Penney affirms new managers in a moving ceremony to the totally nutty the legendary honor of having your office sodded literally grassed over at Microsoft For bosses managers entrepreneurs small business owners consultants anyone who s responsible for working successfully in an ever tougher economy this is the rewards bible
