Literature and Culture of the First World War Tim Dayton, Mark W. Van Wienen, 2021-02-04 In the years of and around the First World War American poets fiction writers and dramatists came to the forefront of the international movement we call Modernism At the same time a vast amount of non and anti Modernist culture was produced mostly supporting but also critical of the US war effort A History of American Literature and Culture of the First World War explores this fraught cultural moment teasing out the multiple and intricate relationships between an insurgent Modernism a still powerful traditional culture and a variety of cultural and social forces that interacted with and influenced them Including genre studies focused analyses of important wartime movements and groups and broad historical assessments of the significance of the war as prosecuted by the United States on the world stage this book presents original essays defining the state of scholarship on the American culture of the First World War Encyclopedia of American Short Films, 1926-1959 Graham

Webb, 2020-07-10 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings

of American short subject films from the 1920s through the 1950s *The Publishers' Trade List Annual* ,1884 American Writers and World War I David A. Rennie,2020-07-31 Looking at texts written throughout the careers of Edith Wharton Ellen La Motte Mary Borden Thomas Boyd F Scott Fitzgerald Laurence Stallings and Ernest Hemingway American Writers and World War I argues that authors war writing continuously evolved in response to developments in their professional and personal lives Recent research has focused on constituencies of identity such as gender race and politics registered in American Great War writing Rather than being dominated by their perceived membership of such socio political categories this study argues that writers reacted to and represented the war in complex ways which were frequently linked to the exigencies of maintaining a career as a professional author War writing was implicated in and influenced by wider cultural forces such as governmental censorship the publishing business advertising and the Hollywood film industry American Writers and World War I argues that even authors hallmark anti war works are in fact characterized by an awareness of the war s nuanced effects on society and individuals By tracking authors war writing throughout their entire careers in well known texts autobiography correspondence and neglected works this study contends that writers reactions were multifaceted and subject to change in response to their developments as writers and individuals This work also uncovers the hitherto unexplored importance of American cultural and literary precedents which offered writers means of assessing the war Ultimately the volume argues American World War I writing was highly personal complex and idiosyncratic
