Notjohn's Guide to E-Book Formatting N.J. Notjohn,2017-01-01 The self publisher s bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells how he

formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon com through Barnes more often it doesn't because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there's Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017 edition [AMAZON KINDLE SELF-PUBLISHING SECRETS](#) Larry Watson, Discover The MASTER TACTICS On How To MAKE MORE MONEY With Your Book's As An AMAZON SELF PUBLISHER To Live Off It Would you like to earn more than 1000 each month from Amazon sales of your book At any other point in our history I would never have sought to publish my works That's a bold claim The stigmas have disappeared self publishing is the future of publishing and Amazon KDP appears to be the future of self publishing Not only is it the future but it is also the ideal option for writers who want to self publish while earning a genuine livable passive income The advantages of publishing with Amazon are enormous There are almost no entry barriers If you have your manuscript and book cover ready right now you can have your book listed on Amazon by tomorrow Furthermore KDP gives you free and quick access to the world's largest reading audience Writing a book can be one of the wisest steps you can make for your company's success However creating a terrific book that Amazon consumers will want to buy requires more than just a message and writing abilities We are living in a period of history when the opportunity is knocking You can now write a book and self publish it for free on Amazon and ANYONE can do it Furthermore you can make up to 70% royalties on your book sales However most Amazon authors whether novice or experienced are unaware of the core ninja methods and secrets to self publishing their book on Amazon and making 70% royalties But I put ALL of the guide research testing and natural Ninja tips and Strategies that an Amazon big successful expert publisher uses and gives me into a 31 page book that gives you everything you need to know about how to by Identifying the content owner Taking note of the spelling and grammar checks Have your content proofread And a lot more It reveals the precise tactics he utilized to make over 100 000 with the 70% royalty strategies from the Amazon books he wrote Who is this book intended for This book is intended for anyone who wants to get started with Amazon KDP This book is a resource for all Amazon KDP authors both new and experienced This book is intended for both beginning and advanced
