Truth Commissions Onur Bakiner,2016-01-15 Onur Bakiner evaluates the success of truth commissions in promoting political judicial and social change He argues that even when commissions produce modest change as a result of political constraints they open new avenues for human rights activism and transform public discourses on memory truth justice and reconciliation *The Palgrave Encyclopedia of Global Security Studies* ,2023-02-15 This encyclopedia provides an authoritative guide intended for students of all levels of studies offering multidisciplinary insight and analysis of over 500 headwords covering the main concepts of Security and Non traditional Security and their relation to other scholarly fields and aspects of real world issues in the contemporary geopolitical world *The Brazilian Truth Commission* Nina Schneider,2019-05-10 Bringing together some of the world s leading scholars practitioners and human rights activists this groundbreaking volume provides the first systematic analysis of the 2012 2014 Brazilian National Truth Commission While attentive to the inquiry s local and national dimensions it offers an illuminating transnational perspective that considers the Commission s Latin American regional context and relates it to global efforts for human rights accountability contributing to a more general and critical reassessment of truth commissions from a variety of viewpoints *Conflicted Memory* Cynthia E. Milton,2018 Reveals and analyzes how Peru s military elite have engaged in a cultural campaign via memoirs novels films museums to shift public memory and debate about the nation s recent violent conflict and their part in it

Documentation from Truth and Reconciliation Commissions Proscovia Svärd,Bonny Ibhawoh,2024-08-12 Documentation from Truth and Reconciliation Commissions highlights the need for post conflict societies to have access to and to use Truth Reconciliation Commissions TRCs documentation to achieve reconciliation and to work towards a democratic society Including international contributions from a range of disciplines the volume discusses the challenges that surround TRCs documentation Considering the impact of the politicization of documentation chapters also highlight the lack of political will to democratize information the lack of dissemination and the preservation infrastructures that hinder access and its effective use and re use Arguing that TRCs documentation should be used to inform policy improve governance and to promote justice healing and reconciliation the volume considers the ethical challenges involved in disseminating such information Contributing authors argue that information professionals should play a major role in the planning for the TRCs information management infrastructures if they are to facilitate access effectively manage the generated documentation deal with preservation of the compound records and promote the dissemination of the TRC findings Documentation from Truth and Reconciliation Commissions demonstrates that TRCs documentation provides validation of human rights violations and that it helps to promote an understanding of the causes of conflict As such it will be essential reading for academics and students working in Archival Studies Information Science History Transitional Justice and Peace and Conflict Studies

Narrating Transitional Justice Paul Ugor,Bonny Ibhawoh,2025-12-16 In truth and reconciliation settings particular

narratives are recounted by victims perpetrators witnesses and legal experts each employing distinct rhetorical strategies Their testimonies reported by the media and represented in various cultural forms profoundly influence public understanding and collective memory in post conflict societies Authored by an interdisciplinary team of international scholars across the humanities and social sciences policymakers and cultural producers Narrating Transitional Justice examines truth and reconciliation commissions as acts of public storytelling Contributors elaborate on how these testimonies function as creative grist for cultural producers to reconstruct redefine and reappraise transitional justice work They further examine the inimitable insights that creative imaginaries in the form of literature theatre film fine art popular music street art and online media offer about the remaking of nations fractured by long histories of human rights violations Critically reflecting on debates around the centrality of storytelling in transitional justice processes Narrating Transitional Justice asks What are the discourses embedded in the varied stories of reconciliation actors and how do these function as acts of state making after atrocity

Transitional Justice for Israel/Palestine Jeremie Bracka, 2022-01-01 This book applies the dynamic field of transitional justice to conflict resolution in Israel Palestine Around the globe diverse societies have pursued truth telling restorative justice and reconciliation to end conflict yet the language of transitional justice has been all but absent in Israel Palestine This volume squarely addresses how transitional justice could contribute to conflict transformation and accountability incorporating the questions of collective justice memory and human rights It covers the most important historical and legal issues facing Israel Palestine with a focus on civil societies in South Africa Northern Ireland and Latin America Ultimately the book proposes an unofficial Israeli Palestinian Truth and Empathy Commission IPTEC to address gross human rights abuses committed by both nations Transitional Justice for Israel Palestine will be of interest to researchers NGOs and policy makers working in transitional justice and societies with ongoing conflict

Sexual Violence and Effective Redress for Victims in Post-Conflict Situations: Emerging Research and Opportunities Sikulibo, Jean de Dieu, 2019-01-25 All too often in situations of armed conflicts rape and other acts of sexual violence are used as military tactics The use of sexual violence as a strategy of war is distinctively destructive and not only leaves victims with significant psychological scars but also tears apart the fabric of families and affected communities Sexual Violence and Effective Redress for Victims in Post Conflict Situations Emerging Research and Opportunities is a collection of innovative research that analyzes these crimes and their implications for the needs of victims in post conflict justice processes and how these needs can be effectively addressed in order to support the affected community To conduct this analysis it explores the distinct aspects of these crimes to understand the nature and extent of the social challenges and damage facing the victim and examines the challenges and limitations of international criminal justice in dealing with a wide range of victim needs While highlighting topics including judicial accountability victims rights and criminal justice this book is ideally designed for psychologists therapists government officials academicians policymakers and researchers

Searching for Truth in the

Transitional Justice Movement Jamie Rowen, 2017-08-11 Searching for Truth in the Transitional Justice Movement examines calls for a truth commission to redress the brutal war during the breakup of the former Yugoslavia the decades long armed conflict in Colombia and US detention policies in the War on Terror In so doing it argues that transitional justice is an idea around which a loosely structured movement emerged and professionalized making truth commissions a standard response to mass violence By exploring how this movement developed as well as efforts to make truth commissions in the Balkans Colombia and the US this book explains different processes through which political actors translate new legal ideas such as transitional justice into political action Further it reveals how the malleability of transitional justice and truth commissions is both an asset and a liability for those hoping to ensure accountability improve survivor well being and prevent future violence

After Dictatorship Peter Hoeres, Hubertus Knabe, 2023-02-20 Numerous studies concerning transitional justice exist However comparatively speaking the effects actually achieved by measures for coming to terms with dictatorships have seldom been investigated There is an even greater lack of transnational analyses This volume contributes to closing this gap in research To this end it analyses processes of coming to terms with the past in seven countries with different experiences of violence and dictatorship Experts have drawn up detailed studies on transitional justice in Albania Argentina Ethiopia Chile Rwanda South Africa and Uruguay Their analyses constitute the empirical material for a comparative study of the impact of measures introduced within the context of transitional justice It becomes clear that there is no sure formula for dealing with dictatorships Successes and deficits alike can be observed in relation to the individual instruments of transitional justice from criminal prosecution to victim compensation Nevertheless the South American states perform much better than those on the African continent This depends less on the instruments used than on political and social factors Consequently strategies of transitional justice should focus more closely on these contextual factors

Research Handbook on Judicial Politics Michael P. Fix, Matthew D. Montgomery, 2024-09-06 This timely Research Handbook offers a comprehensive examination of judicial politics both in the US and across the globe Taking a broad view of the judiciary in all levels of the court it examines the present state of the field and raises new questions for future scholarly exploration

Reconciliation by Stealth Denisa Kostovicova, 2023-05-15 Reconciliation by Stealth advances a novel approach to evaluating the effects of transitional justice in postconflict societies Through her examination of the Balkan conflicts Denisa Kostovicova asks what happens when former adversaries discuss legacies of violence and atrocity and whether it is possible to do so without further deepening animosities Reconciliation by Stealth shifts our attention from what people say about war crimes to how they deliberate past wrongs Bringing together theories of democratic deliberation and peacebuilding Kostovicova demonstrates how people from opposing ethnic groups reconcile through reasoned respectful and empathetic deliberation about a difficult legacy She finds that expression of ethnic difference plays a role in good quality deliberation across ethnic lines while revealed intraethnic divisions help deliberators expand moral horizons previously

narrowed by conflict In the process people forge bonds of solidarity and offset divisive identity politics that bears upon their deliberations Reconciliation by Stealth shows us the importance of theoretical and methodological innovation in capturing how transitional justice can promote reconciliation and points to the untapped potential of deliberative problem solving to repair relationships fractured by conflict Thanks to generous funding from the London School of Economic and Political Science the ebook editions of this book are available as Open Access volumes from Cornell Open [cornellpress.cornell.edu](https://cornellpress.cornell.edu/cornell-open) [cornell open](https://cornellopen.org/) and other repositories

Routledge Handbook of Peace, Security and Development Fen Osler Hampson, Alpaslan Özerdem, Jonathan Kent, 2020-06-04 This Handbook offers a comprehensive examination of the peace security and development nexus from a global perspective and investigates the interfaces of these issues in a context characterised by many new challenges By bringing together more than 40 leading experts and commentators from across the world the Handbook maps the various research agendas related to these three themes taking stock of existing work and debates while outlining areas for further engagement In doing so the chapters may serve as a primer for new researchers while also informing the wider scholarly community about the latest research trends and innovations The volume is split into three thematic parts Concepts and approaches New drivers of conflict insecurity and developmental challenges Actors institutions and processes For ease of use and organisational consistency each chapter provides readers with an overview of each research area a review of the state of the literature a summary of the major debates and promising directions for future research This Handbook will be of much interest to students of peace and conflict studies development studies security studies and International Relations

Truth and Transitional Justice Alice Panepinto, 2022-02-24 With a unique transitional justice perspective on the Arab Spring this book assesses the relocation of transitional justice from the international paradigm to Islamic legal systems The Arab uprisings and new and old conflicts in the Middle East North Africa and other contexts where Islam is a prominent religion have sparked an interest in localising transitional justice in the legal systems of Muslim majority communities to uncover the truth about past abuse and ensure accountability for widespread human rights violations This raises pressing questions around how the international paradigm of transitional justice and in particular its truth seeking aims might be implemented and adapted to local settings characterised by Muslim majority populations and at the same time drawing from relevant norms and principles of Islamic law This book offers a critical analysis of the relocation of transitional justice from the international paradigm to the legal systems of Muslim majority societies in light of the inherently pluralistic realities of these contexts It also investigates synergies between international law and Islamic law in furthering truth seeking the formation of collective memories and the victims right to know the truth as key aims of the international paradigm of transitional justice and broadly supported by the shari ah This book will be a useful reference for scholars practitioners and policymakers seeking to better understand the normative underpinnings of potential transitional truth seeking initiatives in the legal systems of Muslim majority societies At the same time it also

proposes a more critical and creative way of thinking about the challenges and opportunities of localising transitional justice in contexts where the principles and ideas of Islamic law carry different meanings *Humanity in Crisis* David Hollenbach, 2019-10-01 The major humanitarian crises of recent years are well known the Shoah the killing fields of Cambodia the Rwandan genocide the massacre in Bosnia and the tsunami in Southeast Asia as well as the bloody conflicts in South Sudan Syria and Afghanistan Millions have been killed and many millions more have been driven from their homes the number of refugees and internally displaced persons has reached record levels Could these crises have been prevented Why do they continue to happen This book seeks to understand how humanity itself is in crisis and what we can do about it Hollenbach draws on the values that have shaped major humanitarian initiatives over the past century and a half such as the commitments of the International Committee of the Red Cross Oxfam Doctors Without Borders as well as the values of diverse religious traditions including Catholicism to examine the scope of our responsibilities and practical solutions to these global crises He also explores the economic and political causes of these tragedies and uncovers key moral issues for both policy makers and for practitioners working in humanitarian agencies and faith communities **Routledge International Handbook of Diaspora Diplomacy** Liam Kennedy, 2022-01-05 The Routledge International Handbook of Diaspora Diplomacy is a multidisciplinary collection of writings by leading scholars and practitioners from around the world It reflects on the geopolitical and technological shifts that have led to the global emergence of this form of diplomacy and provides detailed examples of how governments intergovernmental organizations IGOs non governmental organizations NGOs and corporations are engaging diasporas as transnational agents of intervention and change The organization in six thematic parts provides for focused coverage of key issues sectors and practices while also building a comprehensive guide to the growing field Each section features an introduction authored by the Editor designed to provide useful contextual information and to highlight linkages between the chapters Cross disciplinary research and commentary is a key feature of the Handbook providing diverse yet overlapping perspectives on diaspora diplomacy Part 1 Mapping Diaspora Diplomacy Part 2 Diaspora Policies and Strategies Part 3 Diaspora Networks and Economic Development Part 4 Long Distance Politics Part 5 Digital Diasporas Media and Soft Power Part 6 Advancing Diaspora Diplomacy Studies The Routledge International Handbook of Diaspora Diplomacy is a key reference point for study and future scholarship in this nascent field *Replicating Atonement* Mischa Gabowitsch, 2017-12-07 This collection examines what happens when one country s experience of dealing with its traumatic past is held up as a model for others to follow In regional and country studies covering Argentina Canada Japan Lebanon Rwanda Russia Turkey the United States and former Yugoslavia the authors look at the pitfalls misunderstandings and perverse effects but also the promise of trying to replicate atonement Going beyond the idea of a global or transnational memory this book examines the significance of foreign models in atonement practices and analyses the role of national governments international organisations museums foundations NGOs and public intellectuals in shaping the idea that good

practices of atonement can be learned The volume also demonstrates how one can productively learn from others by appreciating the complex and contested nature of atonement practices such as Germany's and also by finding the necessary resources in the history of one's own country

Human Rights Interdependence in National and International Politics Rami Goldstein, Nitza Nachmias, 2024-06-21 This book offers a fresh approach to human rights by analyzing the role of institutional checks and balances governmentality and systems approach intended for the prevention of human rights violations the enforcement of human rights norms and rules and important actors such as International Non Governmental Organizations INGO and domestic Non Governmental Organizations NGOs The book presents case studies that offer innovative political historical and social perspectives on how the International Human Rights Regime IHRG is practiced It critically examines the interpretation inconsistency and application of the human rights norms in the Global South and shows how the national mobilization of human rights is directly affected by the interdependence existing between the national and the transnational levels This book will be of key interest to scholars students and practitioners of human rights and more broadly of comparative politics international law global governance international and nongovernmental organizations

The Right to Memory Noam Tirosh, Anna Reading, 2023-02-10 The field of memory studies has typically focused on everyday memory and commemoration practices through which we construct meaning and identities The Right to Memory looks beyond these everyday practices focusing instead on how memory relates to human rights and socio legal constructs in order to legitimize and protect groups and individuals With case studies including Polish Holocaust Law the Indian origins of Amartya Sen's capability theory approach and the right to memory through digital technologies in Brazilian and British museums this collected volume seeks to establish the right to memory as a foundational topic in memory studies

An Introduction to Transitional Justice Olivera Simić, 2020-07-30 The Second Edition of An Introduction to Transitional Justice provides a comprehensive overview of transitional justice judicial and non judicial measures implemented by societies to redress legacies of massive human rights abuse Written by some of the leading experts in the field it takes a broad interdisciplinary approach to the subject addressing the dominant transitional justice mechanisms as well as key themes and challenges faced by scholars and practitioners Using a wide historic and geographic range of case studies to illustrate key concepts and debates and featuring discussion questions and suggestions for further reading this is an essential introduction to the subject for students
