

truth or conjecture?

by Stanisław Schimitzek

• "RAVING MOTHERS THREW THEIR CHILDREN INTO THE SEA. PEOPLE HUNG THEMSELVES, OTHERS THREW THEMSELVES ON DYING HORSES, CUTTING PIECES OF MEAT FROM THEM... WOMEN GAVE BIRTH IN THE WAGONS. EVERYONE JUST THOUGHT ABOUT HIMSELF, NO ONE COULD GIVE AID TO THE SICK OR WEAK" ... THIS WAS THE PLIGHT OF THE GERMAN POPULATION OF THE THIRD REICH'S FORMER EASTERN PROVINCES IN THE CLOSING STAGES OF WORLD WAR II

• IN EARLY 1945 THE SOVIET ARMY BROKE THROUGH AGAIN ON THE EASTERN FRONT

• THE WAR, WHICH CLAIMED 40 MILLION HUMAN LIVES, CAME FOR THE FIRST TIME TO GERMAN-INHABITED TERRITORY ... UNWILLING TO STAY, THE GERMANS HAD MADE NO PLANS FOR ORDERED EVACUATION • ONLY AT THE VERY LAST MOMENT, IN THE MIDST OF A SEVERE WINTER, DID THE

Truth Or Conjecture German Civilian War Losses In The East:

Nazi Rule and the Soviet Offensive in Eastern Germany, 1944-1945 Alastair Noble, 2008-09-01 An examination of the final period of Nazi rule in Germany's eastern provinces at the end of the Second World War. It outlines the wartime role of this region and assesses the impact of Nazi popular mobilisation initiatives during the closing months of the conflict. Germans from the East H.W. Schoenberg, 2012-12-06 Who in 1945 and 1946 could have foreseen that the economic and social integration of the millions of Germans from the East expelled into West Germany after World War II would largely be accomplished in a few years? And who could have foreseen that many years after this accomplishment the political repercussions of the expulsions would go on? Yet surprisingly enough this is what has happened. In 1969, as usual, the major issues of the federal election campaign in West Germany hardly reflect any specific economic and social concerns of the expellees, not even those bruited about by the NPD (Nationaldemokratische Partei Deutschlands). At the same time, however, all the political parties vying in the campaign, with the exception of the newly founded, less influential DKP (the new German Communist Party), pay considerable deference to the political interests of the expellees in the German question. Whether these interests represent the opinion of most of the expellees and whether the expellee associations in fact speak for many voters is another matter. Why are these questions rarely posed? Why, despite the economic and social integration of the expellees, do the East German Homeland Provincial Societies (the Landsmannschaften) retain much influence? The explanation of this phenomenon becomes increasingly clear if one reads the intelligent and superbly documented analysis by Hans Schoenberg. **The German Expellees: Victims in War and Peace** Alfred-Maurice De Zayas, trans. John A. Koehler, 1993-07-20 **Nemesis at Potsdam** Alfred M. de Zayas, 2023-10-09 First published in 1979, *Nemesis at Potsdam* discusses the expulsion and spoliation of the Germans from most of central and eastern Europe during the Second World War, a process in which over two million did not survive. How did this extraordinary event come about? Was it necessary for the peace of Europe? What role did Britain and the United States play in authorizing the transfer? The book answers these questions and relates the integration of the German expellees to the phenomenal resurgence of West Germany and traces the development of Ostpolitik and détente through to the Helsinki Declaration. It will be of interest to students of history, international relations, and political science. Truth or conjecture? German civilian war losses in the East Stanisław Schimitzek, 1966 **Lower Silesia From Nazi Germany To Communist Poland 1942-49** Sebastian Siebel-Achenbach, 1994-01-21 Lower Silesia was one of the regions Germany lost to Poland following the Second World War. During the space of a few years, the entire territory was transformed, reversing the tradition of centuries. The eviction and suffering of the indigenous Germans is contrasted with the similar hardships the Polish resettlers were forced to undergo. Striking is the similarity of manipulation of both Silesian groups by their political masters. That Lower Silesia was ceded at all reveals much about wartime and postwar Allied negotiations which culminated in the Cold War. **Democide** R. J. Rummel, 2022-01-26 This volume is part of a

comprehensive effort by Professor Rummel to understand and place in historical perspective the entire subject of genocide and mass murder what is herein called Democide It is the third in a series of volumes in which Rummel offers a comprehensive analysis of the 120 000 000 people killed as a result of government action or direct intervention Curiously while we have a considerable body of literature on the Nazi Holocaust we do not have a total accounting at least not until now with the issuance of Democide In addition to the quantitative lacunae there remains a paucity of theoretical information distinguishing the historical descriptive and the anecdotal accounts This study of Nazi killings in cold blood is a path finding effort in political psychology While Rummel does not claim to give a definitive accounting his explanation for the numbers reached and they are high is compelling In addition we now have a correlation of information on the murder of diverse groups Jews Gypsies Poles Ukrainians and even Germans themselves It is now possible to fathom the Nazi genocidal policies which were collective and which were selective Rummel's volume is a clear guide to a murky past It offers the first systematic effort to ascertain the nature and the extent of the Nazi genocide from the point of view of the perpetrator's aims rather than the victims consequences This is not a pretty picture but it is not a partisan one either The materials are presented in a clinical as well as a systemic fashion Rummel has a deep sense of the life saving instincts of individuals and the life taking propensities of impersonal state machinery It is thus a humanistic effort one that plumbs the effects of the Nazi war machine on innocents in order to better understand present conditions Professionals ranging from social scientists to demographers will find this a quintessential effort at political reconstruction

Death by Government R. J.

Rummel, 1997-01-01 This is R J Rummel's fourth book in a series devoted to genocide and government mass murder or what he calls democide He presents the primary results in tables and figures as well as a historical sketch of the major cases of democide those in which one million or more people were killed by a regime In Death by Government Rummel does not aim to describe democide itself but to determine its nature and scope in order to test the theory that democracies are inherently nonviolent Rummel discusses genocide in China Nazi Germany Japan Cambodia Turkey Yugoslavia Poland the Soviet Union and Pakistan He also writes about areas of suspected genocide North Korea Mexico and feudal Russia His results clearly and decisively show that democracies commit less democide than other regimes The underlying principle is that the less freedom people have the greater the violence the more freedom the less the violence Thus as Rummel says The problem is power The solution is democracy The course of action is to foster freedom Death by Government is a compelling look at the horrors that occur in modern societies It depicts how democide has been very much a part of human history Among other examples the book includes the massacre of Europeans during the Thirty Years War the relatively unknown genocide of the French Revolution and the slaughtering of American Indians by colonists in the New World This riveting account is an essential tool for historians political scientists and scholars interested in the study of genocide

Communism, Nationalism and Ethnicity in Poland, 1944-1950 Michael Fleming, 2009-09-10 This book examines the establishment of communist rule in

Poland from 1944 1950 It examines the fundamental role of nationalism and nationality policy in the consolidation of communist power acting as a crucial nexus through which different groups were both coerced and able to consent to the new order

Lethal Politics R. J. Rummel, 2017-07-05 While there are estimates of the number of people killed by Soviet authorities during particular episodes or campaigns until now no one has tried to calculate the complete human toll of Soviet genocides and mass murders since the revolution of 1917 Here R J Rummel lists and analyzes hundreds of published estimates presenting them in the historical context in which they occurred His shocking conclusion is that conservatively calculated 61 911 000 people were systematically killed by the Communist regime from 1917 to 1987 Rummel divides the published estimates on which he bases his conclusions into eight historical periods such as the Civil War collectivization and World War II The estimates are further divided into agents of death such as terrorism deportations and famine Using statistical principles developed from more than 25 years of quantitative research on nations he analyzes the estimates In the collectivization period for example about 11 440 000 people were murdered During World War II while the Soviet Union had lost almost 20 000 000 in the war the Party was killing even more of its citizens and foreigners probably an additional 13 053 000 For each period he defines counts and totals the sources of death He shows that Soviet forced labor camps were the major engine of death probably killing 39 464 000 prisoners overall To give meaning and depth to these figures Rummel compares them to the death toll from major wars world disasters global genocide deaths from cancer and other diseases and the like In these and other ways Rummel goes well beyond the bare bones of statistical analysis and tries to provide understanding of this incredible toll of human lives Why were these people killed What was the political and social context How can we understand it These and other questions are addressed in a compelling historical narrative This definitive book will be of interest to Soviet experts those inte

Statistics of Democide Rudolph J. Rummel, 1998 And conclusions Pre twentieth century democide 1 The megamurderers Japan s savage military The Khmer Rouge Hell State Turkey s ethnic purges The Vietnamese War state Poland s ethnic cleansing The Pakistani cutthroat state Tito s slaughterhouse Orwellian North Korea Barbarous Mexico Feudal Russia 2 The centi kilo and lesser murderers Death by American bombing The horde of centi kilo murderers The crown of lesser murderers 3 Statistics of democide power and social field The social field of democide Democracy power and democide Social diversity power and democide Culture and democide The socio economic and geographic context of democide War rebellion and democide The social field and democide Democide through the years

Germans from the East Hans W. Schoenberg, 1970 *God's Playground A History of Poland* Norman Davies, 2005-02-24 This new edition of Norman Davies s classic study of the history of Poland has been revised and fully updated with two new chapters to bring the story to the end of the twentieth century The writing of Polish history like Poland itself has frequently fallen prey to interested parties Professor Norman Davies adopts a sceptical stance towards all existing interpretations and attempts to bring a strong dose of common sense to his theme He presents the most comprehensive

survey in English of this frequently maligned and usually misunderstood country *East European Quarterly* ,1978

Afro-Asian and World Affairs ,1967 *The Nazi Era, 1919-1945* Helen Kehr,1982 The Oder-Neisse Boundary and

Truth Or Conjecture German Civilian War Losses In The East Introduction

In the digital age, access to information has become easier than ever before. The ability to download Truth Or Conjecture German Civilian War Losses In The East has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Truth Or Conjecture German Civilian War Losses In The East has opened up a world of possibilities. Downloading Truth Or Conjecture German Civilian War Losses In The East provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Truth Or Conjecture German Civilian War Losses In The East has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Truth Or Conjecture German Civilian War Losses In The East. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Truth Or Conjecture German Civilian War Losses In The East. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Truth Or Conjecture German Civilian War Losses In The East, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Truth Or Conjecture German Civilian War Losses In The East has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Truth Or Conjecture German Civilian War Losses In The East Books
