

7. We will NOT get involved in the petty procedural arguments which have kept this last year's senate from dealing with most student problems. Such procedural arguments have made the Constitution Committee more important than the Campus Affairs Committee—a wrong which we will most assuredly change.

8. We will, through the Publishing Committee, let you know where your interests are going, and how the Student Senate is spending its portion of R.

9. We will work hard to build up the Senate in order to give it credibility with both students and administration. If the administration can see the Senate as an effective and successful leader of the students, they will be much more willing to listen

to the Senate and help it out. We do not agree with every thing that the administration has done in the past year, and feel there need to be some changes in policy. But as a senate, we had better clean up our house before we start trying to clean up anybody else's.

We want to conclude by saying that our dissatisfaction with the senate for so long a time has made us more than ready to put out much time and energy to make it better. The Senate should be able to bring all students together—both on and off-campus, all races, all classes, all organizations and work. For them. And if the Senate cannot serve YOU the students as we feel it should, then it's not worth the \$17,000 that come from our activities fees to support it.

SPiRiT Party Platform

Spirit is not a party. We are a campaign committee—a group of students actively supporting seven candidates. Spirit. Because this campus has unity and spirit. Someone needs to bring that spirit to the surface—to let it emerge as an active force. The spirit of the campus is shifting toward involvement; our campus is in the mood for action.

If we want action our spirit must have a body. One where all the students can be heard. One that all of us on and off campus undergraduate, graduate, and law can support. One that will give our spirit a voice.

The administration needs to hear from us. They need feedback and they need input as well. The Senate is their most obvious source. The stronger our unity, the clearer our voice and the better our input. So far we have not been clear enough of students' housing or the sports program.

If we want a sports program, the Student Senate can get it. If we want more campus activities we can organize them. We're capable of dealing with the problems in our community. Let's show our spirit. Support campus activities.

Our surroundings are basic to our attitudes. The Senate should be active in grounds improvement, adequate housing, and maintenance. The food service committee should be revitalized. The administration has an architect working on restoration of the quad. The quad is one of our big communication centers. Let's make sure it lends itself to better communication after it is restored. It is our biggest communications resource.

Each of us likes to be heard. Give the spirit of St. Mary's a voice. Spirit is ready. Join us with your support. If we want these things, we're going to have to work for them. We can't wait for someone to do them for us. Vote the Spirit candidates into office and help us turn campus spirit into effective work.

Senatorial Candidates

First Vice-President Candidates

I am new to student politics here, but I have spent a lot of time in the past year dealing with the President of St. Mary's, the director of Financial Aid, and other administrative officials over policies affecting myself and other students. Before coming to St. Mary's I served as President of a local labor union in Austin, Texas, and was active in local politics there.

St. Mary's University is in a rapid state of change. The Administration intends to establish a first rate athletic program. There is a new Financial Aid Director with new policies and there have been great changes proposed for student housing. I don't think the students should accept the decision on athletics. The athletic program we've seen up should not be abandoned until the program is actually destroyed and even then there is no reason it could not be reinstated. I also think pressure should be brought to bear to force the Financial Aid Office to be more efficient. At present, approximately 80% of the student populace receives some form of financial aid. There is no reason why students should be forced to wait until the end of the semester to receive money allotted to them at the beginning of the semester, or even before the semester begins.

Arthur Sandoval

The A.R.F. (A Real Ferocious Party) Platform.

I Arthur (Igort) Sandoval hereby designate my desire to run for the position of 1st Vice-President in this upcoming Student Senate election. And in doing so I have decided to run not as an independent, though independent as I am, but have signed to run on the A.R.F. (A Real Ferocious Party) ticket.

As a member of the A.R.F. Party I will represent the people who think this university and its system is A Real Ferocious. If elected I will give the people what they really want—NOTHING! If elected I will do as little work as possible. I promise nothing and will do nothing, but will let it be better than providing everything and giving nothing! And if elected I will definitely accept the monetary benefits that go along with the position and will greedily squander it in vain and useless things.

Those are the positions I base my political career on. My qualifications for this position are many but I will give you a brief run down. I have been here at St. Mary's University for the past ten years and majored in both Egyptian Ancient History and Plumbing and join the ranks of other famous faucet majors. I have been Sgt.-at-arms of the Student Senate for the past 2 years and for the most part tried my best to lead people while the Senate would debate endlessly whether to accept the minutes of the previous meeting. I am Vice Minister of the B. Club established by my co-workers at the University Center in memory of our fearless leader Chuckles. I have worked for the University Center for the past 5 years and have yet to find something to do.

Well there you go folks, take it or leave it. It may ruffle some feathers in the system but what can they do, fix me!

Owen D. Young

Owen D. Young's statement: "I resent at any time or any place the attitude that the safety of this country depends

Bob Snyder

My name is Bob Snyder and I'm running for 1st Vice President of the Senate as a member of the C.A. Party. I am running for office because I am sick and tired of a Student Senate which has done very little for anybody, which has worried more about constitutional than scholarship or student problems, which thinks itself to mean so much when actually most students

really don't care about it. I want to make the Senate something that students can care about. I, along with my party, if elected will make the senate more available to you through constant publicity of committee heads and senators' phone numbers, and of the senate meetings and issues. I will put together a system of committees that will be equipped to investigate and attempt to rectify even the most minor of student problems. I will be in the Senate office every day and will always be available to talk to you about your problems and concerns.

You pay \$17,000 out of our activity fees to the Student Senate, and I think that its about time that we got our money's worth. My party and I are committed to that end, and whether you are a Law Student, a Greek, on or off-campus, Black, White, or Brown, I will work hard FOR you and with you in order to make the Senate worthwhile. For we're all students, and we're all in the same boat.

2nd Vice-President Candidates

On any man, holding his job. No man has achieved that strength. A free country has not been created to be ruled by a strong man. I strongly represent the attitude that I feel as I file for the office of 2nd Vice-President.

Like the safety of a country, the safety of a university falls on the shoulders of its leaders, not just the ones elected to full offices. The one thing I am urging throughout my campaign is unity between on-campus students, off-campus students, graduate students, and law students while working together to achieve a goal we will all benefit from.

Throughout high school, I worked with various clubs and organizations organizing their entertainment for the year. The office I filed for calls for the arrangement of entertainment

for a school year. I feel that by working with students and complying with their interests, our 76-77 school year will be a profitable one.

Changes will be made whenever necessary. However, the only way spirit can accomplish our goals is for the students of St. Mary's to reach out and help us, as well as turn will return the favor.

General elections for the Student Senate will be held on week

This year there is a record number of candidates including four for the office of president.
