Turkey The Quest For Identity

Dov Waxman

Turkey The Quest For Identity:

Turkey Feroz Ahmad, 2003 This insightful history of Turkey tells the story of a country caught between the ideologies of East and West *Identity and Turkish Foreign Policy* Umut Uzer, 2010-12-18 Most analysts agree that Turkey's foreign policy is essentially peaceful using diplomacy and multilateralism in the resolution of its conflicts with other states Here Umut Uzer offers a necessary corrective to this standard analysis by revealing the Kemalist influence in Turkey's state ideology This defined the identity of the state as Turkish resulting in responsibilities towards Turks residing beyond its borders and a more engaged foreign policy that ranged from declarations of support for ethnic kin outside Turkey to outright takeover of territory Focusing on the annexation of Hatay from Syria in 1939 Turkey's involvement in Cyprus culminating in a military operation in 1974 and its policy toward the Karabagh dispute between Azerbaijan and Armenia in the 1990s *Identity and Turkish Foreign Policy* is indispensable for all those interested in Middle East politics and international relations as well as Turkey more specifically *Quest of Identity* Muhammad Sher Ali Khan, 1984 **Turkish Foreign Policy and Turkish Identity** Yucel Bozdaglioglu, 2004-06 Annotation By using the core insights of the constructivist approach in international relations this book analyses the foreign policy behaviour of Turkey The author argues that Turkey's Western identity has influenced its foreign policy formulation and implementation since the War of Independence **Turkey** Insight, Thomas Goltz, 1997 **Decentring the West** Viatcheslav Morozov, 2016-04-08 We live in a world where democracy is almost universally accepted as the only legitimate form of government but what makes a society democratic remains far from clear Liberal democratic values are both relativized by the self description of many non democratic regimes as local or culturally specific versions of democracy and undermined by the automatic labelling as democratic of all norms and institutions that are modelled on western states *Decentring the West The Idea of Democracy and the Struggle for Hegemony* aims to demonstrate the urgent need to revisit the foundations of the global democratic consensus By examining the views of democracy that exist in the countries on the semi periphery of the world system such as Russia Turkey Bolivia Venezuela Brazil and China as well as within the core Estonia Denmark and Sweden the authors emphasize the truly universal significance of democracy also showing the value of approaching this universality in a critical manner as a consequence of the hegemonic position of the West in global politics By juxtaposing critically re evaluating and combining poststructuralist hegemony theory and postcolonial studies this book demonstrates a new way to think about democracy as a truly international phenomenon It thus contributes groundbreaking thought provoking insights to the conceptual and normative aspects of this vital debate *Turkey's Rise as an Emerging Power* Paul Kubicek, Emel Parlar Dal, H. Tarik Oğuzlu, 2016-04-14 Turkey is emerging as an important actor in world politics exerting growing influence both in its immediate region and beyond This book aims to understand and explain this phenomenon utilizing a variety of perspectives from international relations theory One prominent issue is how Turkey long embedded in the West via NATO and other

European organizations is growing more confident and is asserting more independent foreign policy positions. This is particularly marked in the Middle East where some suggest Turkey is pursuing a neo Ottomanist agenda. At times this competes with and creates tensions with the West. However a rising Turkey can also be a constructive phenomenon and complement the West. This book examines geopolitical economic and cultural dimensions of Turkey's rise pointing to both Turkish success and the limits of Turkish power and influence. It includes consideration of Turkey's relations with NATO the European Union the Middle East and BRIC countries. This book was published as a special issue of Turkish Studies.

Turkey's Identity Crises Dov Waxman, 1998 **Turkey** Thomas Goltz, 1991 *Insight Turkey*, 2007 *Islam in Modern Turkey* Richard Tapper, 1994 A systematic account of the life works and accomplishments of al Kirmani an important Ismaili Muslim scholar and writer in the fields of philosophy and science who lived during the first half of the 11th century AD **The Other** Bozkurt Güvenç, 2006 *Religion, Politics, and Turkey's EU Accession* Dietrich Jung, Catharina Raudvere, 2008-09-15 Considers Turkey and the EU through a variety of perspectives including historical political social religious and legal. This book addresses questions such as the role of religion in EU membership debates religious parties in Turkey and Europe religion and European security freedom of religion and minority rights in Turkey and the EU *The EU-German-Turkish Triangle* Funda Tekin, Anke Schönlau, 2022-11-11 Um eine solide Bewertung der Beziehungen zwischen der EU und der Türkei und ihrer Zukunftsaussichten zu ermöglichen konzentriert sich dieser Band auf die Dreiecksbeziehung zwischen dem Block und der Türkei einerseits und den bilateralen Beziehungen zwischen Deutschland und der Türkei andererseits. Auf der Grundlage des historischen Institutionalismus geht er von der Annahme aus dass eine grundlegende Umstrukturierung der Beziehungen zwischen der EU und der Türkei kritische Wendepunkte erfordert die einen Paradigmenwechsel nach sich ziehen. Es wird der politische Diskurs über die Beziehungen zwischen der EU und der Türkei dekonstruiert um die wichtigsten Wahrnehmungen und Narrative der Beziehungen zwischen der EU und der Türkei nicht nur in Deutschland und der Türkei sondern auch auf EU Ebene in Brüssel zu identifizieren zu analysieren und zu bewerten. Die analytischen Beiträge zielen auf die Beantwortung der allgemeinen Fragen ab ob und zu welchem Zeitpunkt ein Paradigmenwechsel zu erkennen ist wenn ja was die treibenden Faktoren eines solchen Wechsels sind und ob sich die Narrative der EU Türkei Beziehungen im Laufe der Zeit verändern. Mit Beiträgen von Esra Engel Atila Eralp Denise Ersoy Hanna Lisa Hauge Ebru Ece Zbey Ardahan Zkan Gedikli Moritz Rau Anke Schönlau Mirja Schröder Nurdan Selay Bedir Zgehan Enyuva Funda Tekin Helena Weise und Wolfgang Wessels **Turkey** Melissa Shales, 1999-05 From the hustle and bustle of Istanbul to the breathtaking ruins of Ephesus and the seductive beaches of the Mediterranean coast expert writers bring to life Turkey's history culture flora and fauna and above all the people. All sites are highlighted and numbered in relation to the text. All the travel details hotels restaurants and phone numbers a traveler might need are included **Religion and Politics in the Middle East** Robert D. Lee, 2010 A comparative analysis of the interacting influences of politics and religion

in shaping liberal democratic development in five Middle Eastern countries **Turkey's Relations with a Changing Europe** Meltem Müftüler-Bac, 1997 Describes the impact on Turkey of events in Europe since 1989 the transformation of the country's place in the international order domestic and foreign policy changes in response and changes in the country's identity Considers the new European order the cultural dilemma the troubled region relations with the European Union and the Customs Union Distributed in the US by St Martin's Press Annotation copyrighted by Book News Inc Portland OR
 Central Eurasian Studies Review ,2004 **Balkan İncelemesi Yıllığı** ,2000 **The Muslim World Book Review** ,2003
