Do you wish it had a ton more magic and an adventure to find the true meaning of Christmas Then you ll love Stars Angels
Sing In a land where magic is illegal Sarn must hide his magic and his son to stay alive For an indentured man can claim
nothing not even his own child When his master found out about his son Sarn s worst fear was realized Will his master help
him get custody of his son Or will this tear his family apart With nowhere to go and no choice but to obey orders Sarn must
move his son in with his master s family They go from living in a chilly cave with no running water and no idea where their
next meal will come from to his master s warm multi room home Are they guests Or are they here to serve This change of
living quarters didn t come with a change in station As their foster family observes Advent tensions mount as the symbols of a
season and a strange holiday grow What is Christmas Why does his master celebrate it Should he let his son participate in
this mysterious tradition Sarn has no way to find out except to ask his master about it and expose his ignorance But this is
the best place for his son and he won t risk losing it Thankfully Sarn s struggle doesn t go unnoticed nor does his wish to
understand the reason behind the season go unanswered With help from Santa an iceman some determined fairies and other
holiday favorites Sarn and his son discover the heart of the season and a new tradition His struggle might just win him the
only present he wants for Christmas custody of the little boy that lights up his life This story is told in a series of poems that
build upon each other to tell a fantastic adventure of a father and son s search for the magic of Christmas The 2023 edition of
Stars Angels Sing also includes stories and poems featuring Sarn and his family in their humorous quest to survive the events
