Valiant Bride Jane Peart, 2009-07-13 Noramary came out of the parlor into the hall Stunned by what she had just heard she felt slightly light headed and leaned against the closed door for a moment to steady herself The shock of Winnie s elopement during the night had been followed by a second the staggering request of her foster parents that she step into her errant cousin s place as the bride of Duncan Montrose So you see my dear why we must ask this of you Aunt Betsy s voice rang in her ears Noramary closed her eyes bringing back the scene that had just taken place As her aunt had explained the dilemma Winnie s irresponsibility had caused and what must now be done Noramary had sat very still eyes downcast hands folded in her lap hearing but not fully absorbing her aunt s words Now those same words burst upon her strong and clear marry Duncan Montrose *Valiant Bride* is a historical romance that brings to life a young woman s choice between duty and love

Destiny's Bride Jane Peart, 2009-08-30 Even while Randall was speaking it was Pietro I saw the tenderness in his dark eyes looking at me the caress in his soft voice In Randall s voice there was not a shred of emotion nor was there any in his expression How should I respond What should I say I knew this was the hardest decision I would ever have to make Either choice would demand a different price Was I prepared to pay it Was love enough in the one to bridge all the other differences of nationality religion and heritage Was family loyalty future security enough to decide for the other What was my destiny The heroine of *Destiny s Bride* is Druscilla Montrose who first meets Randall Bondurant when she is a bridesmaid at his wedding to her cousin Alair Chance Eight years later after Alair s mysterious death they meet again in a chance encounter This leads to a strange series of events in which Druscilla debates then accepts the position offered her by Alair s widower Against all advice Dru becomes governess to her two motherless little cousins a difficult decision because of the suspicions and accusations of family and friends that Randall might have been responsible for his wife s death She travels

with the family to Italy Here against the romantic background of nineteenth century Europe Drusilla receives two unexpected offers One is a love that will mean giving up her heritage the other requires a decision more important than any she has ever had to make before Dru's choices bring her into conflicts of loyalty challenges of faith and duty and threatened danger as well as romance
