Obstacles to the Recovery and Return of Parentally Abducted Children Linda K. Girdner, 1994 **Family Life, Delinquency and Crime** Kevin N. Wright, Karen E. Wright, 1994 Describes how positive parental involvement deters delinquent behavior while its absence or worse its negative counterpart fosters misconduct Researchers conclude that children raised in supportive affectionate and accepting homes are less likely to become deviant **Innovative Community Partnerships** Roberta C. Cronin, United States. Office of Juvenile Justice and Delinquency Prevention, 1994 Discusses the Neighborhood Resource Team Dade County Florida The Neighborhood Network Center Lansing Michigan and the Police Assisted Community Enforcement PACE Norfolk Virginia **Juvenile Justice**, 1993 *Transitional Justice and the 'Disappeared' of Northern Ireland* Lauren Dempster, 2019-06-11 This book employs a transitional justice lens to address the disappearances that occurred during the Northern Ireland conflict or Troubles and the post conflict response to these disappearances Despite an extensive literature around dealing with the past in Northern Ireland as well as a substantial body of scholarship on disappearances in other national contexts there has been little scholarly scrutiny of disappearances in post conflict Northern Ireland Although the Good Friday Agreement brought relative peace to Northern Ireland no provision was made for the establishment of some form of overarching truth and reconciliation commission aimed at comprehensively

addressing the legacy of violence Nevertheless a mechanism to recover the remains of the disappeared the Independent Commission for the Location of Victims Remains ICLVR was established and has in fact proven to be quite effective As a result the reactions of key constituencies to the disappearances can be used as a prism through which to comprehensively explore issues of relevance to transitional justice scholars and practitioners Pursuing an interdisciplinary approach and based on extensive empirical research this book provides a multifaceted exploration of the responses of these constituencies to the practice of disappearing It engages with transitional justice themes including silence memory truth acknowledgement and apology Key issues examined include the mobilisation efforts of families of the disappeared efforts by a former non state armed group to address its legacy of violence the utility of a limited immunity mechanism to incentivise information provision and the interplay between silence and memory in the shaping of a collective societal understanding of the disappeared
