Through Middle Eastern Eyes Michael Parker, 2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar. As a missionary first in Egypt and later in Lebanon, Israel, Palestine, and Cyprus, he experienced firsthand the life of traditional Middle Eastern villagers, which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century. Consequently, he was able to reinterpret Jesus's parables and life experiences through this traditional culture. In a remarkable series of acclaimed books, which include *The Cross and the Prodigal*, *Jacob and the Prodigal*, and *Jesus through Middle Eastern Eyes*, Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers. This biography explains the origins of Bailey's key ideas and recounts his often fraught missionary career, one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt, the perils of life in Beirut during the Lebanese Civil War (1975-1990), and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament.

The Jesus I Didn't Know I Didn't Know Tim Reddish, 2021-06-25 There are diverse perceptions and opinions about the person of Jesus, and these are based on various assumptions, whether someone is a Christian or not. Regardless of what differing viewpoints we may hold, since the Gospel writers each in their own distinctive way address the "Who is Jesus" question, it is crucial that we at least explore what they have to say. This book presents insights on the identity of Jesus from their accounts by considering the importance of what the angels had to say about his birth, the significance of the events surrounding Jesus' baptism, the meanings of the strange story of the temptations of Jesus, two of the audacious things Jesus said about himself, the radical politics of Jesus, the location of God's presence in the world, and the words of an early hymn. Taken altogether, a most surprising picture of who Jesus was and is is revealed.

Loving Our Enemies Through Seasons of Bitterness Lex Kohn, 2025-06-30 In a nation crumbling under the weight of bitterness, where government is the people's god, the way through is neither legislation nor activism but loving the least loveable. A study of internet influence, conflict theory, and nineteenth-century wisdom reveals that people do not have to solve their disagreements if they can relearn how to love their enemies as Christ commanded. This book highlights courageous men and women of faith from biblical times up through the present who obeyed this commandment, the Scriptures they followed, and how they managed it so that people today too might learn to substitute love instead of bitterness.

Seeing Jesus from the East Ravi Zacharias, Abdu Murray, 2020-04-28 Encounter Jesus Like Never Before through Eastern Eyes. Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In *Seeing Jesus from the East*, Ravi Zacharias and Abdu Murray show

us why a broader view of Jesus is needed one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible Zacharias and Murray capture a revitalized gospel message presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds Incorporating story vivid imagery and the concepts of honor and shame sacrifice and rewards Seeing Jesus from the East calls believers and skeptics both Eastern and Western to a fresh encounter with the living and boundless Jesus

Who in the World Was Jesus Carl E. Roemer, 2018-12-11 This book scrutinizes the 39 parables attributed to Jesus in the Gospels Jesus was a part of a story telling society in the first century land of Israel A popular maxim characterizes them as earthly stories with heavenly meanings They often appear that way in context of the Gospels of the New Testament However if you retroject them back into the dynamic context of the life and activity of Jesus they suddenly assume not just a spiritual but also a more earthly vibrancy Knowing that context the reactions of his contemporaries become clear we can grasp how they were heard what people would think of the parables message and the character of the messenger Jesus society was in a crisis and part of the intent of Jesus was to address that crisis and rescue his beloved nation from disaster Story telling changes the way people think and makes them more attentive to new ideas Although to describe Jesus message as subversive may seem to be a distasteful characterization his parables were meant to subvert popular thought and belief In this he was completely faithful however to Israel's faith which at its deepest level rebels against the powers of this world In the parables we meet Jesus on the ground as he walked the hills of the Galilee gathered hearers in the villages and sat among his contemporaries and called them to revolutionize mind and heart and as the prophets of old also had implored the nation

to return to the gracious heart of their God In this reading of the parables the reader will be surprised challenged and perhaps even be disturbed by the Jesus who emerges in his stories we call parables **The Persians Amongst the English**
Denis Wright,1985-12-31 **The Qur'an in Christian-Muslim Dialogue** Corrie Block,2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur an and the history of Christian Muslim relations
