Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors illustrators and critics in a definitive guide to choosing books for children and nurturing their love of reading A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children It's divided into four sections 1 Reading to Them Choosing and sharing board books and picture books with babies and very young children 2 Reading with Them Launching the new reader with easy readers and chapter books 3 Reading on Their Own Exploring what children read and how they read by genre and gender 4 Leaving Them Alone Respecting the reading privacy of the young adult Roger Sutton knows how and why children read He must as the editor in chief of THE HORN BOOK which since 1924 has been America's best source for reviews of books for young readers But for many parents selecting books for their children can make them feel lost Now in this essential resource Roger Sutton and Martha V Parravano executive editor at the magazine offer thoughtful essays that consider how books are read to

and then by young people They invite such leading authors and artists as Maurice Sendak Katherine Paterson Margaret Mahy and Jon Scieszka as well as a selection of top critics to add their voices about the genres they know best The result is an indispensable readers companion to everything from wordless board books to the most complex and daring young adult novels

Close Writing Paula Bourque, 2023-10-10 How closely do your students read their writing What are the implications for those who do and those who don't During her work in classrooms literacy coach Paula Bourque noticed that students who read their own writing closely are engaged in their work write fluently are able to produce lengthy drafts and incorporate teaching points from mini lessons into the day's writing In this comprehensive book Paula shows you that no matter what structures or lessons you use in your writing classroom the strategies in *Close Writing* will help you make these better by creating student writers who are more aware of what effective writing looks like who care about what they write and who take ownership and responsibility for their growth as writers Paula argues that a key element in close writing is learning to look and looking to learn by closely reading our own writing Instead of focusing on the mechanics of their writing she encourages students to read their words for understanding clarity and the effect they will have on an audience She urges them to recognize their habits and their approaches to writing and to build upon them *Close Writing* is based on research and methods that are reliable and valid best practices but it will not prescribe lessons or structures It gives you a peek inside classrooms where teachers just like you are working with budding authors just like yours Paula also provides considerations for ELL writers as well as a section of interviews with authors She shares an extensive reference resource guide and a companion website with students work samples reproducibles and templates and videos of classroom writing lessons round out this must have resource
