Trading for a Living Alexander Elder, 1993-03-22 Trading for a Living Successful trading is based on three M s Mind Method and Money Trading for a Living helps you master all of those three areas How to become a cool calm and collected trader How to profit from reading the behavior of the market crowd How to use a computer to find good trades How to develop a powerful trading system How to find the trades with the best odds of success How to find entry and exit points set stops and take profits Trading for a Living helps you discipline your Mind shows you the Methods for trading the markets and shows you how to manage Money in your trading accounts so that no string of losses can kick you out of the game To help you profit even more from the ideas in Trading for a Living look for the companion volume Study Guide for Trading for a Living It asks over 200 multiple choice questions with answers and 11 rating scales for sharpening your trading skills For example Question Markets rise when there are more buyers than sellers buyers are more aggressive than sellers sellers are afraid and demand a premium more shares or contracts are bought than sold I and II II and III II and IV III and IV Answer B II and III Every change in price reflects what happens in the battle between bulls and bears Markets rise when bulls feel more strongly than bears They rally when buyers are confident and sellers demand a premium for participating in the game that is going against them There is a buyer and a seller behind every transaction The number of stocks or futures bought and sold is equal by definition Study Guide for Trading for a Living: Psychology, Trading Tactics, Money Management Alexander Elder, 1993-04-16 Successful trading is

based on three M's: Mind, Method, and Money. Trading for a Living helps you master all of those three areas: How to become a cool, calm, and collected trader; How to profit from reading the behavior of the market crowd; How to use a computer to find good trades; How to develop a powerful trading system; How to find the trades with the best odds of success; How to find entry and exit points; set stops and take profits. Trading for a Living helps you discipline your Mind, shows you the Methods for trading the markets, and shows you how to manage Money in your trading accounts so that no string of losses can kick you out of the game. To help you profit even more from the ideas in Trading for a Living, look for the companion volume: Study Guide for Trading for a Living. It asks over 200 multiple choice questions with answers and 11 rating scales for sharpening your trading skills. For example: Question: Markets rise when there are more buyers than sellers; buyers are more aggressive than sellers; sellers are afraid and demand a premium; more shares or contracts are bought than sold. I and II, II and III, II and IV, III and IV. Answer: B. II and III. Every change in price reflects what happens in the battle between bulls and bears. Markets rise when bulls feel more strongly than bears. They rally when buyers are confident and sellers demand a premium for participating in the game that is going against them. There is a buyer and a seller behind every transaction. The number of stocks or futures bought and sold is equal by definition. *The New Trading for a Living*, Alexander Elder, 2014-10-27. The best-selling trading book of all time, updated for the new era. The New Trading for a Living updates a modern classic popular worldwide among both private and institutional traders. This revised and expanded edition brings time-tested concepts in gear with today's fast-moving markets, adding new studies and techniques for the modern trader. This classic guide teaches a calm and disciplined approach to the markets. It emphasizes risk management along with self-management and provides clear rules for both. The New Trading for a Living includes templates for rating stock picks, creating trade plans, and rating your own readiness to trade. It provides the knowledge, perspective, and tools for developing your own effective trading system. All charts in this book are new and in full color, with clear comments on rules and techniques. The clarity of this book's language, its practical illustrations, and generous sharing of the essential skills have made it a model for the industry, often imitated but never duplicated. Both new and experienced traders will appreciate its insights and the calm, systematic approach to modern markets. The New Trading for a Living will become an even more valuable resource than the author's previous books. Overcome barriers to success and develop stronger discipline. Identify asymmetrical market zones where rewards are higher and risks lower. Master money management as you set entries, targets, and stops. Use a record-keeping system that will make you into your own teacher. Successful trading is based on knowledge, focus, and discipline. The New Trading for a Living will lift your trading to a higher level by sharing classic wisdom along with modern market tools. [Trading for a Living](#), Alexander Elder, 1993-03-22.
