Elena Ferrante as World Literature Stiliana Milkova Rousseva, 2021-01-14 A model of academic praxis Public Books Elena Ferrante as World Literature is the first English language monograph on Italian writer Elena Ferrante whose four Neapolitan Novels 2011 2014 became a global phenomenon The book proposes that Ferrante constructs a theory of feminine experience which serves as the scaffolding for her own literary practice Drawing on the writer's entire textual corpus to date Stiliana Milkova examines the linguistic psychical and corporeal spatial realities that constitute the female subjects Ferrante has theorized At stake in Ferrante's theory practice is the articulation of a feminine subjectivity that emerges from the structures of patriarchal oppression and that resists bypasses or subverts these very structures Milkova's inquiry proceeds from Ferrante's theory of *frantumaglia* and *smarginatura* to explore mechanisms for controlling and containing the female body and mind forms of female authorship and creativity and corporeal negotiations of urban topography and patriarchal space Elena Ferrante as World Literature sets forth an interdisciplinary framework for understanding Ferrante's texts and offers an account of her literary and cultural significance today

The Works of Elena Ferrante Grace Russo Bullaro, Stephanie V. Love, 2016-12-22 This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante Italy's most well

known contemporary writer The Works of Elena Ferrante Reconfiguring the Margins brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles and dilemmas to explore feminist theory in literature, questions of gender in twentieth century Italy and the psychological and material elements of marriage, motherhood and divorce. Ferrante, 2020-02-20 In one volume, the New York Times bestselling epic about hardship and female friendship in postwar Naples that has sold over five million copies. Beginning with *My Brilliant Friend*, the four Neapolitan Novels by Elena Ferrante follow Elena and Lila from their rough-edged upbringing in Naples, Italy, not long after WWII through the many stages of their lives and along paths that diverge wildly. Sometimes they are separated by jealousy or hostility or physical distance, but the bond between them is unbreakable, for better or for worse. This volume includes all four novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and *The Story of the Lost Child*. Imagine if Jane Austen got angry and you'll have some idea of how explosive these works are. The Australian Nothing you read about Elena Ferrante's work prepares you for the ferocity of it. The New York Times An enduring masterpiece. The Atlantic *Thomas Bernhard's*

Afterlives Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose, fiction, memoirs, poetry and drama, Thomas Bernhard (1931-1989), one of the 20th century's most uniquely gifted writers, created a new and radical style seemingly out of thin air. His books never tell a story in the received sense. Instead, he rages on the page; he rants and spews vitriol about the moral failures of his homeland, Austria, in the long amnesiac aftermath of the Second World War. Yet this furious prose, seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards, has been powerfully echoed in many writers since Bernhard's death in 1989. These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth. Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style. Writers in Italian, German, Spanish, Hungarian, English and French have succeeded in making Bernhard's Austrian vision an international vision. This book tells that story. *Goliarda Sapienza in Context* Alberica

Bazzoni, Emma Bond, Katrin Wehling-Giorgi, 2016-06-02 The present edited collection of essays on the Sicilian author Goliarda Sapienza includes contributions from established and emerging scholars working in the field of contemporary women's writing. Essays in this volume examine Sapienza through multiple perspectives, taking into account the articulation of subjectivity through autobiographical writing and the complex representation of gender and sexual identities. Also considered here is Sapienza's oblique position within the Italian literary canon, with contributions moving beyond isolated textual analyses whilst attempting to situate the author's works within a framework of intertextual and contextual cultural references. Exploring the fertile network of explicit and implicit intersections with Italian and European literature, English and French in particular, as well as with Western philosophical thought in which Sapienza's texts are embedded, this volume will

provide an overdue contribution to the belated appraisal of an author whose due recognition is in Cesare Garboli's words only a matter of time. Time will work in favour of Goliarda Sapienza's works. And this is not a wish; it is a certainty. **In**

Search of Elena Ferrante Karen Bojar, 2018-07-17 Elena Ferrante named one of the 100 most influential people in 2016 by Time magazine is best known for her Neapolitan novels which explore such themes as the complexity of female friendship, the joys and constraints of motherhood, the impact of changing gender roles, the pervasiveness of male violence, the struggle for upward mobility, and the impact of the feminist movement. Ferrante's three novellas encompass similar themes focusing on moments of extreme tension in women's lives. This study analyzes the integration of political themes and feminist theory in Ferrante's works, including men's entrapment in a sexist script written for them from time immemorial. Her decision to write under a pseudonym is examined along with speculation that Rome-based translator Anita Raja and her husband Domenico Starnone are coauthors of Ferrante's books. Garbutt, 2011-03-17 This much-needed guide to translated literature offers readers the opportunity to hear from and learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions. In a globalized world, knowledge about non-North American societies and cultures is a must. Contemporary World Fiction: A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English. In so doing, it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions. Within the guide, approximately 1,000 contemporary non-English language fiction titles are fully annotated, and thousands of others are listed. Organization is primarily by language, as language often reflects cultural cohesion better than national borders or geographies, but also by country and culture. In addition to contemporary titles, each chapter features a brief overview of earlier translated fiction from the group. The guide also provides in-depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions. **Elena Ferrante's Key Words** Tiziana de Rogatis, 2021-03-23

Tackles novelist Elena Ferrante's Neapolitan quartet in terms of their creative forms of female resistance. A richly layered study. *Kirkus Reviews* I greatly admire the work of Tiziana de Rogatis. She is a reader of deep refinement. Often I think that she knows my books better than I. So I read her with admiration and remain silent. Elena Ferrante in the magazine *San Lian Sheng Huo*. Zhou Kan Ferrante's four-volume novel cycle known in English as the Neapolitan quartet has become a global success with over ten million readers in close to fifty countries. Her readers recount feeling addicted to the novels; they describe a pleasure in reading that is as rare as it is irresistible, a compulsion that leads them either to devour the books or to ration them so as to prolong the pleasure. De Rogatis here addresses that same transnational, diverse, transversal audience. *Elena Ferrante's Key Words* is conceived as a lighted path made of luminous key words that synthesize the multiform aspects of Ferrante's writing and guide us through the labyrinth of her global success. An exceptional companion to the source.

The Literary Beach Carsten Meiner, Katrine Helene Andersen, 2024-05-08 As a geo historical place the beach integrates a variety of characteristics and functions so multiple that they tend to contradict each other The beach is both a place of work and trade but also of leisure it is both a place of therapy and health but also of migration war and death it is a place of mass tourism and boredom but also the place of experiencing the Other it is a public place but also an uncivilized and desolate place This book studies the literary representation of the beach from ancient Greek literature up until today drawing on English French Italian American and Spanish literatures from various periods and genres and presenting multiple ways of comparing and understanding literary beaches as a ubiquitous literary phenomenon It demonstrates how the literary beach as a both geo historical place and as an aesthetic literary commonplace has been a constant and privileged resource for the analysis of more general existential sociological and moral problems This is the case when for instance the Tahitian beach becomes the place of the already modern in Stevenson's tales or when the Italian beach becomes a question of modern feminism in Ferrante In this sense literature expands the local or national beach by articulating its transnational complexities
