

The background of the image is a scenic landscape. In the foreground, there is a calm body of water reflecting the sky. In the middle ground, a range of mountains is visible, with the peaks and ridges illuminated by a warm, golden light, suggesting the sun is low on the horizon. The sky is filled with layers of clouds, some of which are lit from below, creating a vibrant palette of orange, yellow, and blue. The overall mood is serene and majestic.

True Christians Love Unseen Christ:

The True Christian's Love for the Unseen Christ Thomas Vincent, 2025-05-30 Christian life is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian's Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers The True Christian's Love of the Unseen Christ Thomas Vincent, 2019-04-04 Faith without love to Christ is a dead faith So states Thomas Vincent in The True Christian's Love of the Unseen Christ a book whose sole stated purpose is to help the reader obtain love for Christ in truth and strength Christian if your love for Christ has gone cold if you have lost your passion for serving Christ this book will be a spark for rekindling that love again and a bellows for fanning it into flame Originally published in 1677 this classic treatise has been meticulously edited to benefit a new generation of Christian readers Archaic language has been gently modernized and helpful footnotes have been added to aid the reader This edition includes a biographical preface and review questions designed to facilitate group discussion or personal reflection **The True Christian's Love of the Unseen Christ, Etc** Thomas VINCENT (M.A., Nonconformist Divine.), 1689 *The True Christian's Love to the Unseen Christ* Thomas Vincent, 2014-12-27 This is one of the most poignant books ever to come from a Puritan pen Vincent wrote this priceless devotional based on 1 Peter 1:8 Jesus Christ whom having not seen you love There is of course nothing more basic in Christianity than love to Christ It is difficult to describe the passionate love for Christ that flows from every page of this treatment of the beauty of Christ Here is a warm bath and spiritual encouragement for weary souls Our Savior sent an epistle from heaven to the church of Ephesus wherein He reproved her because she had left her first love and threatened the removal of her candlestick He would take away her light if she did not recover her love By the same hand at the same time He sent another epistle to the church of Laodicea wherein He reproved her lukewarmness and threatened because she was neither hot nor cold that He would spew her out of His mouth Revelation 2:4,5 and 3:15,16 And are professors in Britain under no such sin in no such danger when some scoff at the flames of love to Christ like dogs that bark at the moon so far above them when the most nominal professors are wholly strangers to this love The former looking upon it as but a fancy the latter having it only in the theory and when among those Christians who love Christ in sincerity there are so few that know what it is to love Christ with fervor and ardency when there is so general a decay of love to Christ

in the land Lord what is likely to become of Britain Have we not provoked the Lord to take away our candlestick Have we not provoked the Lord to suffer worse than Egyptian darkness to overspread us again and cover our light because it shines with such cold beams because the light of knowledge in the head is accompanied with so little warmth of love to Christ in the hearts of most Christians Everyone will fetch water to quench fire in a general conflagration and surely there is need in a day of such general decay of love to Christ that some such fetch fire from heaven and use bellows too arguments I mean to enkindle and blow up the spark of love to Christ which seems so ready to expire Reader the following discourse of the true Christian's love to the unseen Christ is not finely spun and woven with neatness of wit and language It is not flourished and set off with a variety of metaphors hyperboles rhetorical elegancies or poetical fancies and fragments It is not adorned and fringed with the specious show of many marginal quotations excerpted out of divers authors The discourse is plain but the author has endeavored that it might be warm his design being more to advance his Master than himself in your esteem and if he has less of your praise so that his Lord may have more of your love his great end is attained The True Christian's Love of the Unseen Christ: Or a Discourse [on 1 Pet.
