True Police Stories Of The Strange And Unexplained:

True Police Stories of the Strange & Unexplained Ingrid P. Dean, 2011-09-08 Early one evening I was patrolling alone and decided to stop a vehicle with its taillight out I had no way of knowing that this seemingly routine decision would lead to a strange twist of fate years later These true first hand accounts from law enforcement officials across the nation reveal how intuition apparitions UFOs prophetic dreams and other forces beyond our understanding have impacted them in the course of duty The weird and unexplained experiences in this book take place in the midst of the death defying gun battles thrilling rescues and heart searing tragedies that police officers face every day and reveal the fascinating inner lives of the heroic men and women behind the badge *True Police Stories* William Myron Price, 2017-04-22 Inside The REAL Stories Of The Scary Unexplained And Weird Claim Your FREE Bonuses After the Conclusion Between robberies reports of lost people and pets bar fights domestic fights car accidents and anything else you can imagine police officers have an incredibly difficult job They must be there to take care of anything that goes wrong offer support and help to all the people involved and put themselves in harm s way more often than not Many people take this for granted In fact most people don t give the police the respect they deserve They are disrespectful and rude and they will refuse to pay the tickets they have received or appear in court when they are told to These people act as though the police are out to get them when the police are in fact just doing their jobs The life of a police officer might be rewarding but there really is no way to tell for sure how much you will have to deal with In this book we are going to look at some of these tales of valor Some of the horrific and unexplained things police officers have seen with their own eyes and some of the things they have had to experience for themselves Facing an armed robber in a shoot out is one of the most terrifying things anyone could be a part of but perhaps even that pales in comparison to facing a paranormal spirit that could strike at any time Read through these eyewitness accounts of what members of the police force have had to deal with and perhaps gain a better understanding and appreciation of what they are doing for you Here Is A Preview Of What s Inside True Police Stories The Haunted Call for Help True Police Stories The Invisible Nebraskan Orphans True Police Stories The Ghost Officer True Police Stories The Call from the Woman Who Sold Her Soul True Police Stories The Night in the Mental Ward True Police Stories The Murdered Woman s Cry for Help Much much more Scroll up and get this book now True Police Stories of the Strange & Unexplained ,1891 Presents true first hand accounts from law enforcement officials across the nation that reveal how intuition apparitions UFOs prophetic dreams and other forces beyond our understanding have impacted them in the course of duty *True Polic Stories Magazine* ,1924
