Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God s Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals **Becoming True Worshipers: Experience More of God's**

Matthew McMahon, 2019-10-01 Arthur Hildersham 1563 1631 was a shining light in the puritan party and celebrated for his exemplary learning and piety as a minister of Jesus Christ This work is an abridged version of Arthur Hildersham's 1000 page commentary on the fourth chapter of John It has been prayerfully edited to its current size so that not only will readers have a chance to handle a manageable book on worship by this exemplary puritan but also that they might focus on the most proper teachings by Hildersham concerning Christ's Directives on the Nature of True Worship From John 4:23-24 Hildersham explains what worship is how worship is to be done in spirit and truth how the Father seeks worshippers and for what reason and how God's prescription is eternally relevant in true worship for Christ's New Covenant church Hildersham carefully explains Christ's teaching to the inquiring Samaritan woman on true worship against false worship and he shows how worship should be practically applied under the Messiah's rule Essentially Hildersham is teaching the Regulative Principle of Worship that God alone determines the way sinners are to approach him Yet these are in fact Christ's directives on the theological and practical nature of God's worship This little book is most relevant for the church in our day today In considering what true worship should be as it is prescribed by God Hildersham will call all other forms of false worship as worshipping devils for at the end of the day one must not simply pick what they want to practice in worship and have peace with that but uphold the directives and prescriptions of what God has laid down in his word constituting the worship that is both in spirit and in truth Hildersham will vividly demonstrate from John 4 from Christ's directives that false worship is to be rejected and that no one can have peace with God in idolatry even if they are earnest in it For idolatry is a rejection of worship in spirit and truth This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions
